**MOTION PURSUANT TO RULE 9019 OF THE
FEDERAL RULES OF BANKRUPTCY PROCEDURE
AND SECTION 105(a) OF THE BANKRUPTCY CODE FOR
APPROVAL OF PARTIAL SETTLEMENT AGREEMENT RELATING TO
AIRLIE CDO I, LTD. CREDIT DEFAULT SWAP AGREEMENT AND INDENTURE**

TO THE HONORABLE JAMES M. PECK,
UNITED STATES BANKRUPTCY JUDGE:

Lehman Brothers Holdings Inc. (“LBHI” and the “Plan Administrator”) as Plan Administrator under the *Modified Third Amended Joint Chapter 11 Plan of Lehman Brothers Holdings Inc. and Its Affiliated Debtors* (the “Plan”) for certain entities in the above-referenced chapter 11 cases, on behalf of itself and Lehman Brothers Special Financing Inc. (“LBSF”), submits this motion (the “Motion”) and respectfully represents:

Relief Requested

1. By this Motion, pursuant to Rule 9019(a) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) and section 105(a) of title 11 of the United States Code (the “Bankruptcy Code”), the Plan Administrator on behalf of itself and LBSF seeks approval of a partial settlement, the terms of which are reflected in a settlement agreement (the “Settlement Agreement”), and requests that such approval be immediately effective and enforceable. The Settlement Agreement partially resolves certain disputes relating to a credit default swap transaction (the “Transaction”) described below and is among LBSF, LBHI, Airlie CDO I, Ltd., as Issuer (the “Issuer”), Airlie CDO I, Corp., as Co-Issuer (the “Co-Issuer”) and U.S. Bank National Association (“U.S. Bank” or the “Trustee”), solely in its capacity as trustee under an indenture, dated July 19, 2007 (the “Indenture”) ¹ (LBSF, LBHI, the Issuer, the Co-Issuer and the Trustee are each a “Party” and collectively are referred to as the “Parties”).

Background

2. Commencing on September 15, 2008, and periodically thereafter (as applicable, the “Commencement Date”), LBHI and certain of its subsidiaries, including LBSF, commenced with this Court voluntary cases (together, the “Chapter 11 Cases”) under chapter 11 of the Bankruptcy Code.

3. On September 17, 2008, the United States Trustee for Region 2 (the “U.S. Trustee”) appointed the statutory committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code (the “Creditors’ Committee”).

¹ A copy of the Indenture is annexed hereto as Exhibit A.

4. On September 17, 2009, the Court entered the *Alternative Dispute Resolution Procedures Order for Affirmative Claims of Debtors under Derivatives Contracts* [ECF No. 5207] (the “ADR Procedures Order”).

5. On March 3, 2011, the Court entered the *Alternative Dispute Resolution Procedures Order for Affirmative Claims of the Debtors under Derivatives Transactions with Special Purpose Vehicle Counterparties* [ECF No. 14789] (the “SPV ADR Procedures Order”).

6. On December 6, 2011, the Court approved and entered an order confirming the Plan [ECF No. 23023]. The Plan became effective on March 6, 2012.

Jurisdiction

7. This Court has subject matter jurisdiction to consider and determine this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b).

The Credit Default Swap Agreement and Indenture

8. LBSF and the Issuer entered into the Transaction pursuant to a 1992 form ISDA Master Agreement, dated as of January 18, 2007 (the “ISDA Master Agreement”), as amended and supplemented by a certain Schedule to ISDA Master Agreement, dated January 18, 2007 (the “Schedule”), and a confirmation, dated January 18, 2007 (the “Confirmation”). Copies of the ISDA Master Agreement, Schedule and Confirmation are annexed hereto as Exhibit B. LBHI executed a guarantee of LBSF’s obligations under the ISDA Master Agreement, Schedule and Confirmation, dated as of January 18, 2007 (the “Guarantee” and, together with the Master Agreement, Schedule, and Confirmation, the “Credit Default Swap Agreement”).²

9. Under the Credit Default Swap Agreement, LBSF agreed to make periodic payments to the Issuer in exchange for the Issuer’s promise to make payments to LBSF in

² Capitalized terms used herein but not otherwise defined have the meaning ascribed to them in the Credit Default Swap Agreement or the Indenture, as applicable.

respect of losses incurred in respect of certain specified reference obligations. In effect, LBSF, as the “Swap Counterparty,” purchased protection from the Issuer, which sold protection on the creditworthiness of the obligations referenced in the Credit Default Swap Agreement.

10. The Issuer issued various classes of notes (the “Notes”) under the Indenture and preference shares under a shares paying agency agreement (the “Preference Shares” and, together with the Notes, the “Securities”). The Notes were secured by a pool of collateral (the “Collateral”) that also secured the Credit Default Swap Agreement. Through a series of note purchases, LBSF is now both a holder of certain of the notes and the Swap Counterparty under the Credit Default Swap Agreement (in such latter capacity, the “Swap Counterparty”). The Issuer pledged the Collateral to the Trustee for the benefit and security of the holders of the Notes (the “Noteholders”), which now include LBSF, and to LBSF, in its capacity as Swap Counterparty. The Trustee continues to hold the Collateral under the Indenture for the benefit of the holders of the Notes (including LBSF) and LBSF as Swap Counterparty.

11. Pursuant to the Granting Clause of the Indenture, the Issuer granted to the Trustee, for the benefit and security of the secured parties, all of its right, title and interest, whether now owned or hereafter acquired, in, to and under, *inter alia*, the Issuer’s rights under the Credit Default Swap Agreement, the Collateral, and substantially all other assets of the Issuer.

12. Under the terms of the Indenture, the Trustee applies payment proceeds received generally in accordance with a “waterfall” provision. *See* Indenture § 11.1. Section 11.1(B)(i) clause “third” of the Indenture provides that a termination payment owed to LBSF as Swap Counterparty will be paid in advance of any distributions to Noteholders unless, *inter alia*, LBSF is the defaulting party under the Transaction. *See id.* § 11.1(B)(i). Under clause “second”

of Section 11.1(B)(xiv), if, *inter alia*, LBSF is the defaulting party under the Transaction, the termination payment owed to LBSF is paid after the Noteholders and before the holders of Preference Shares. *See id.* § 11.1(B)(xiii). As a result, Section 11.1(B)(i) clause “third” and Section 11.1(B)(xiv) clause “second” of the Indenture (the “Waterfall Provisions”) purport to provide that LBSF will receive termination payments before any distributions are made to Noteholders unless, *inter alia*, LBSF is the defaulting party under the Transaction.

The Dispute

13. Since the Commencement Date, neither LBSF as Swap Counterparty nor the Trustee has paid any amounts that have become due under the Indenture and the Credit Default Swap Agreement. On November 28, 2008, the Issuer sent to LBSF a “Notice of Early Termination” which terminated the Transaction as of November 28, 2008. On November 25, 2008, the Trustee received a letter from LBSF’s counsel advising, *inter alia*, that (a) any action taken to exercise remedies with respect to the Notes would violate the automatic stay and, therefore, any actions to make distributions to Noteholders would violate the stay, and (b) any provision subordinating any termination payment due LBSF would be unenforceable. As a result of LBSF’s dispute regarding, among other things, the enforceability of the Waterfall Provisions (the “Payment Dispute”), neither party to the Credit Default Swap Agreement has paid any amounts (including termination payments) that became due to the other party on or after November 28, 2008.

14. On April 20, 2010, LBSF commenced Derivatives ADR No. 157 by serving an ADR Notice upon the Trustee and the Issuer pursuant to the ADR Procedures Order. On June 4, 2010, the Trustee served an ADR Response upon LBSF as required by the ADR Procedures Order.

15. On September 14, 2010, LBSF filed a complaint against, among others, the Trustee and the Issuer. *See* Adversary Proceeding No. 10-03542-JMP (the “Litigation”). At issue in Derivatives ADR No. 157 and in the Litigation is the Payment Dispute, including questions as to the proper interpretation of the Credit Default Swap Agreement and the Indenture. The Litigation relates to the instant Payment Dispute among the Parties, as well as other similar disputes involving other issuers and trustees.

16. In the Litigation, LBSF seeks a declaratory judgment that provisions purporting to modify LBSF’s economic rights to a termination payment premised on the bankruptcy filing of either LBHI or LBSF constitute unenforceable *ipso facto* clauses that inappropriately modify a debtor’s interest in property, in violation of sections 365(e)(1) and 541(c)(1) of the Bankruptcy Code. LBSF also seeks a declaratory judgment that effectuation of the Waterfall Provisions violates the automatic stay under section 362(a)(3) of the Bankruptcy Code because it involves an improper exercise of control over property of LBSF’s estate. *See generally Lehman Bros. Special Fin. Inc. v. Ballyrock ABS CDO 2007-1 Ltd. (In re Lehman Bros. Holdings Inc.)*, 452 B.R. 31 (Bankr. S.D.N.Y. 2011); *Lehman Bros. Special Fin. Inc. v. BNY Corp. Tr. Servs. Ltd. (In re Lehman Bros. Holdings Inc.)*, 422 B.R. 407 (Bankr. S.D.N.Y. 2010). In the alternative, LBSF seeks a declaratory judgment that, if the Waterfall Provisions ultimately are found to be enforceable in whole or in part, they constitute either (i) a preferential transfer of an interest of LBSF in property that may be avoided under section 547 of the Bankruptcy Code, recovered under section 550 of the Bankruptcy Code, and preserved for the benefit of LBSF’s estate under section 551 of the Bankruptcy Code; (ii) a constructive fraudulent transfer of an interest of LBSF in property that may be avoided under section 548(a)(1)(B) of the Bankruptcy Code, recovered under section 550 of the Bankruptcy Code, and preserved for the

benefit of LBSF's estate under section 551 of the Bankruptcy Code; or (iii) an unauthorized postpetition transfer of property of LBSF's estate that may be avoided under section 549 of the Bankruptcy Code, recovered under section 550 of the Bankruptcy Code, and preserved for the benefit of LBSF's estate under section 551 of the Bankruptcy Code. The positions advanced by LBSF in the Litigation are not those of the Trustee.

17. On October 20, 2010, the Court entered the *Order Staying Avoidance Actions and Granting Certain Related Relief Pursuant to Section 105(a) of the Bankruptcy Code and Bankruptcy Rule 7004(a)(1)* [ECF No. 12199], thereby staying, among other things, certain adversary proceedings, including the Litigation, to allow parties to the Litigation and other similar actions time to explore the possibility of resolving their disputes without the need for litigation (the "Stay"). The Stay has been subsequently extended by orders of the Court, most recently pursuant to the *Order Extending Stay of Avoidance Actions and Granting Certain Related Relief Pursuant to Section 105(a) of the Bankruptcy Code and Bankruptcy Rule 7004(a)(1)*, dated February 13, 2013 [ECF No. 34697], which extended the Stay until July 20, 2013. Accordingly, as a result of the Stay, the Issuer and the Trustee have not answered or otherwise moved for any relief in the Litigation.

18. On April 1, 2011, LBSF submitted an SPV Derivatives ADR Election pursuant to which LBSF recommenced the ADR process under the SPV ADR Procedures Order. The Trustee served an amended ADR Response on June 13, 2011, and LBSF served its ADR Reply on July 5, 2011. LBSF and the Trustee participated in mediation pursuant to the ADR process on December 7, 2012. At various junctures following the commencement of the Litigation and through and including the mediation, LBSF and the Trustee have engaged in settlement discussions.

19. Throughout the course of its settlement negotiations with LBSF and its participation in the Litigation, the Trustee has made numerous attempts to contact Noteholders and holders of Preference Shares for direction regarding the Payment Dispute and the application of proceeds from the sale of the Collateral.³ However, with limited exceptions, Noteholders and holders of Preference Shares have not adequately responded to the Trustee's communications. As a result, the Trustee has advised LBSF that it is prepared to enter into the Settlement Agreement, provided the Court approves of the terms of the Settlement Agreement pursuant to the terms of Bankruptcy Rule 9019. Entry of an order by this Court, in the form annexed hereto, is a condition precedent to the effectiveness of the Settlement Agreement.

The Settlement Agreement⁴

20. The salient terms of the Settlement Agreement are as follows:
- a. The Issuer and the Trustee shall take such actions as shall be necessary to cause certain assets held in respect of the Collateral to be redeemed or otherwise liquidated, and to cause the net proceeds thereof to be deposited with the Trustee (the "Investment Proceeds"), for further application as set forth below.
 - b. Notwithstanding any provision to the contrary in the Indenture, the Trustee shall distribute and apply the Investment Proceeds, as well as certain other amounts as set forth in the Settlement Agreement, as follows, and in the following order and priority:
 1. Pay the outstanding fees and expenses of the Trustee.
 2. Pay to each Noteholder other than LBSF that does not object to the Settlement Agreement or this Motion an

³ The Parties will file an affidavit detailing the Trustee's attempts to contact Noteholders and holders of Preference Shares in advance of the hearing on this Motion.

⁴ In keeping with the confidentiality provisions of the Parties' partial settlement, and due to LBHI's and LBSF's desire to keep the economic terms of the settlement confidential, the Settlement Agreement is not included as an exhibit to this Motion. The Parties will provide the Settlement Agreement to the Court, the U.S. Trustee, and the Creditors' Committee. Noteholders and holders of Preference Shares must contact the Trustee for copies of the Settlement Agreement and, before receiving any such copies, such Noteholders or holders of Preference Shares will be required to execute an agreement binding them to the confidentiality restrictions of the parties' partial settlement, including paragraph 13 of the SPV ADR Procedures Order.

amount equal to the Settlement Offer (as defined in the Settlement Agreement) (the “Noteholder Settlement Amount”), in full satisfaction of claims of such holders of such Notes; provided however that payment of the Noteholder Settlement Amount is subject to the receipt by the Trustee of an opinion or information regarding the fairness and reasonableness of the Noteholder Settlement Amount, or waiver of such receipt by the Trustee as to all or some of the Notes (such receipt or waiver of receipt, the “Noteholder Settlement Amount Condition”).

3. Place into an interest-bearing account an amount to be held in respect of a reserve, which the Trustee may use for fees and expenses as enumerated in the Settlement Agreement, which amount may be invested in Eligible Investments as defined in the Indenture (the “Reserve Amount”).
 4. With respect to any Noteholder that timely objects to the Settlement Agreement or this Motion (an “Objecting Noteholder”), place into an account with the Trustee, which may be invested in Eligible Investments as defined in the Indenture, an amount (the “Escrow Amount”) to secure payment of the claims of any such Objecting Noteholder; provided however, that if the Noteholder Settlement Amount Condition is not met, the Escrow Amount shall secure payment of the claims of any and all Noteholders other than LBSF.
 5. Upon LBSF’s delivery of its Notes to the Trustee as set forth in the Settlement Agreement, pay the remaining amount (the “Settlement Amount”) to LBSF.
- c. LBSF retains all rights as Noteholder or Swap Counterparty except as otherwise explicitly set forth in the Settlement Agreement.
 - d. To the extent that LBSF subsequently purchases Notes from Objecting Noteholders that it does not currently hold, commensurate *pro rata* amounts will be deducted from the Escrow Amount and paid to LBSF.
 - e. Distribution of any remaining Escrow Amount and any remaining Reserve Amount to LBSF will be subject to certain conditions set forth in the Settlement Agreement.
 - f. LBSF, solely in its capacity as Noteholder, agrees not to assert that it is entitled to be paid on a senior or *pari passu* basis with the Notes that it does not hold (but LBSF reserves the right to assert

that it is entitled to be paid amounts owing under the Notes it owns on a junior basis to the Notes it does not own and in an amount not to exceed the lesser of (a) the unpaid amount of principal and interest due on the Notes that LBSF owns (after taking into account the Settlement Payment or applicable Subsequent Settlement Payment, as the case may be, to the extent any such payment is deemed to be a payment under the Notes that LBSF owns, as the case may be), or (b) the then remaining Escrow Amount).

- g. LBSF and the Plan Administrator acknowledge and agree that they, and any agents and assigns thereof, as applicable, will only seek payment for damages and other relief, including interest thereon, with respect to or in connection with the Transaction (including, without limitation, any termination payment), the Notes, the Preference Shares, the Indenture and/or the Credit Default Swap Agreement in the adversary proceeding, *Lehman Brothers Special Financing Inc. v. U.S. Bank National Association, et al.*, Adversary Proceeding No. 10-3542 (JMP), pending in the United States Bankruptcy Court for the Southern District of New York, in an aggregate amount not greater than the then remaining Escrow Amount.

The Partial Settlement Is in LBSF's Best Interests and Should Be Approved

21. The Plan Administrator on behalf of itself and LBSF submits that the Settlement Agreement is in LBSF's best interests and should be approved under Rule 9019 of the Bankruptcy Rules. Bankruptcy Rule 9019(a) provides "[o]n motion by the trustee and after notice and a hearing, the court may approve a compromise and settlement." Fed. R. Bankr. R. 9019(a). This rule empowers bankruptcy courts to approve settlements "if they are in the best interests of the estate." *In re Drexel Burnham Lambert Group, Inc.*, 134 B.R. 499, 505 (Bankr. S.D.N.Y. 1991). The settlement need not result in the best possible outcome for the debtor, but must not "fall beneath the lowest point in the range of reasonableness." *Id.*; see also *Cosoff v. Rodman (In re W.T. Grant Co.)*, 699 F.2d 599, 608 (2d Cir. 1983); *In re Spielfogel*, 211 B.R. 133, 144 (Bankr. E.D.N.Y. 1997).

22. Compromises are “a normal part of the process of reorganization.” *Prot. Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 424 (1968) (quoting *Case v. Los Angeles Lumber Prods. Co.*, 308 U.S. 106, 130 (1939)).

Compromises may be effected separately during the reorganization proceedings or in the body of the plan itself. *In re Drexel Burnham Lambert Group Inc.*, 138 B.R. at 758. The decision to approve a particular compromise lies within the sound discretion of the Court. *See Nellis v. Shugrue*, 165 B.R. 115, 123 (S.D.N.Y. 1994). The Court’s discretion may be exercised “in light of the general public policy favoring settlements.” *In re Hibbard Brown & Co., Inc.*, 217 B.R. 41, 46 (Bankr. S.D.N.Y. 1998). A proposed compromise and settlement implicates the issue of whether it is “fair and equitable, and in the best interest of the [debtor’s] estate.” *In re Best Products*, 165 B.R. 35, 50 (Bankr. S.D.N.Y. 1994) (internal citations omitted). The court must apprise itself “of all relevant facts necessary for an intelligent and objective opinion of the probabilities of ultimate success should the claim be litigated.” *Prot. Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc.*, 390 U.S. at 424.

23. Courts typically consider the following factors in determining whether a settlement should be approved: (i) the probability of success in litigation, with due consideration for the uncertainty in fact and law; (ii) the difficulties of collecting any litigated judgment; (iii) the complexity and likely duration of the litigation and any attendant expense, inconvenience, and delay; (iv) the proportion of creditors who do not object to, or who affirmatively support, the proposed settlement; (v) the competence and experience of counsel who support the settlement; (vi) the relative benefits to be received by members of any affected class; (vii) the extent to which the settlement is truly the product of arm’s-length bargaining and not the product of fraud or collusion; and (viii) the debtor’s informed judgment that the

settlement is fair and reasonable. *See Protective Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc.*, 390 U.S. at 424; *In re Ashford Hotels, Ltd.*, 226 B.R. 797, 804 (Bankr. S.D.N.Y. 1998); *In re Best Prods. Co.*, 168 B.R. at 50.

24. While a court must “evaluate . . . all . . . factors relevant to a fair and full assessment of the wisdom of the proposed compromise,” *Anderson*, 390 U.S. at 424-25, a court need not conduct a “mini-trial” of the merits of the claims being settled, *Cosoff v. Rodman (In re W.T. Grant Co.)*, 699 F.2d 599, 608 (2d Cir. 1983), or conduct a full independent investigation. *Drexel Burnham Lambert Group*, 134 B.R. at 496. Moreover, in reviewing a global compromise, a court need not be aware of or decide the particulars of each individual claim resolved by the settlement or “assess the minutia of each and every claim”; rather, a court “need only canvass the issues and see whether the settlement falls ‘below the lowest point in the range of reasonableness.’” *Shugrue*, 165 B.R. at 123. As one court explained in assessing a global settlement of claims, “[t]he appropriate inquiry is whether the Settlement Agreement *in its entirety* is appropriate for the . . . estate.” *Air Line Pilots Ass’n, Int’l v. Am. Nat’l Bank & Trust Co. (In re Ionosphere Clubs, Inc.)*, 156 B.R. 414, 430 (S.D.N.Y. 1993), *aff’d* 17 F.3d 600 (2d Cir. 1993) (emphasis added).

25. Here, the partial settlement will benefit LBSF and its creditors by allowing LBSF to capture a substantial amount of the value of the Transaction and the Notes that it owns for its estate. The partial settlement will not resolve the Payment Dispute: LBSF retains the right to maintain its positions in respect of the Payment Dispute in the Litigation or elsewhere, subject to the limitations as to the amount of its recovery set forth in the Settlement Agreement. Regardless, in the Plan Administrator’s informed business judgment, the compromises set forth in the Settlement Agreement are “fair and equitable,” are well within the “range of

reasonableness,” and are in the best interests of LBSF’s estate and its creditors. Accordingly, the Plan Administrator requests that the Settlement Agreement be approved, effective immediately upon entry of an order granting the relief requested herein.

**The Bankruptcy Court Has Authority Pursuant to
Section 105(a) of the Bankruptcy Code to Approve the Settlement Agreement**

26. The Plan Administrator seeks approval of the Settlement Agreement pursuant to section 105(a) of the Bankruptcy Code so that the Collateral may be liquidated and disposed of as set forth in the Settlement Agreement. This Court has authority under the broad equitable powers of the Bankruptcy Code, as set forth in section 105(a), to approve the Settlement Agreement. Courts have used their equitable powers to permit deviations in trust agreements in order to preserve and protect a trust or where circumstances exist that would defeat or substantially impair the accomplishment of the purposes of the trust. *See, e.g., In re A.H. Robbins*, 880 F.2d 769, 776 (4th Cir. 1989) (noting that section 105(a) authorizes the court to “issue any order, process or judgment that is necessary or appropriate to carry out the provisions” of the Bankruptcy Code and finding that matters relating to the control and supervision of trusts are within the equity jurisdiction of the court); *In re Joint Eastern and Southern Districts Asbestos Litigation*, 878 F. Supp 473 (E.D.N.Y. & S.D.N.Y. 1995) and 129 B.R. 710 (E.D.N.Y. & S.D.N.Y. 1991) (holding that section 105(a) authorizes the federal courts in bankruptcy cases to approve a settlement modifying distributions, obligations, and payment procedures under a trust). Accordingly, the Court has authority under section 105(a) of the Bankruptcy Code to direct the Trustee to deviate from the terms of the Indenture, where strict adherence to the terms of the Indenture would frustrate the Issuer’s economic stakeholders from realizing the value of their interests in the Collateral held under the Indenture by the Trustee for the benefit of the Noteholders, including LBSF.

27. The Court has granted similar relief in these chapter 11 cases, pursuant to section 105(a) of the Bankruptcy Code. On April 25, 2013, the Court entered an order, pursuant to section 105(a) of the Bankruptcy Code and Bankruptcy Rule 9019, approving a similar partial settlement agreement among LBSF, LBHI, Pebble Creek LCDO 2007-3, Ltd., Pebble Creek LCDO 2007-3, LLC, the LIBOR Fund, and the Trustee, relating to a certain credit default swap agreement and an indenture [ECF No. 36867]. Additionally, by order dated August 16, 2012 [ECF No. 30096], the Court, *inter alia*, approved a settlement among LBSF and Gemstone CDO VI Ltd., Gemstone CDO VI Corp., and Deutsche Bank Trust Company Americas, and authorized Deutsche Bank Trust Company Americas, as trustee, to take certain action in order to effectuate the terms of the settlement. Similarly, on March 25, 2010, this Court entered an order [ECF No. 7830], pursuant to section 105(a) of the Bankruptcy Code, approving the Trustee's motion, dated January 28, 2010 [ECF No. 6811], seeking authorization for, among other things, the disposition of the assets of the Lehman Brothers ABS Enhanced Libor Fund (the "Feeder Fund") through the exchange of the units in the Feeder Fund for shares in the Lehman Brothers ABS Enhanced Libor, Ltd. (the "Master Fund") and the transfer of the rights to manage the Master Fund's portfolio to TCW Asset Management Company.

28. The use of the Court's equitable authority is justified and appropriate. First, LBSF is entitled to the Settlement Amount either in its capacity as Swap Counterparty or in its capacity as Noteholder and, as a result, payment of the Settlement Amount to LBSF is appropriate regardless of the outcome of the Payment Dispute. Second, the Settlement Agreement protects the interests of other Noteholders by providing for the reservation of the Escrow Amount, which the Plan Administrator and LBSF believe is sufficient to pay the claims of the Objecting Noteholders, if the Noteholder Settlement Amount Condition is met or waived,

or the claims of all Noteholders other than LBSF, if the Noteholder Settlement Amount Condition is not met or waived. In addition, the Settlement Agreement provides for the reservation of the Reserve Amount, which the Trustee may use for fees and expenses as enumerated in the Settlement Agreement. Third, regardless of the outcome of the Payment Dispute, the payment rights of the holders of Preference Shares will be subordinated to those of both the Noteholders and LBSF, as Swap Counterparty; as a result, the holders of Preference Shares should be indifferent to the approval of the Settlement Agreement because they will not receive a payment under the waterfall under any scenario. Moreover, any interested parties that may object to the terms of the Settlement Agreement will have the opportunity to lodge an objection with and be heard by this Court.

Notice

29. No trustee has been appointed in these chapter 11 cases. The Plan Administrator has served notice of this Motion in accordance with the procedures set forth in the second amended order entered on June 17, 2010, governing case management and administrative procedures for these cases [ECF No. 9635] on (i) the U.S. Trustee; (ii) the Securities and Exchange Commission; (iii) the Internal Revenue Service; (iv) the United States Attorney for the Southern District of New York; (v) the attorneys for the Trustee; and (vi) all parties who have requested notice in the Chapter 11 Cases. The Plan Administrator submits that no other or further notice need be provided.

30. No previous request for the relief sought herein has been made by the Plan Administrator to this or any other court.

WHEREFORE the Plan Administrator on behalf of itself and LBSF respectfully requests that the Court grant the relief requested herein and such other and further relief as it deems just and proper.

The Standard & Poor’s CDO Monitor is based upon Standard & Poor’s proprietary corporate debt default studies and takes into consideration each obligor’s rating, the number of obligors, the obligor/industry concentration and the actual maturity of each Collateral Debt Obligation in the portfolio. The risks posed by these variables are accounted for by effectively adjusting the necessary default level needed to achieve a desired rating. The higher the desired rating, the higher the level of defaults the

portfolio must withstand. For example, the higher the obligor/industry concentration or the longer the weighted average maturity, the higher the default level is assumed to be.

There can be no assurance that actual defaults of the Collateral Debt Obligations will not exceed those assumed in the application of any applicable Standard & Poor's CDO Monitor or that default timing and recovery rates with respect thereto will not differ from those assumed in such test. Each applicable Standard & Poor's CDO Monitor has been provided by Standard & Poor's to the Issuer and/or its designee and the Collateral Administrator as an accommodation in connection with Standard & Poor's rating of the Notes. Standard & Poor's does not require that the Portfolio Manager use any Standard & Poor's CDO Monitor in managing the Collateral Debt Obligations; however, each applicable Standard & Poor's CDO Monitor will affect the Portfolio Manager's ability to effect Increases of Reference Entities and Additions of Reference Entities on behalf of the Issuer. Standard & Poor's makes no representation or warranty with respect to the use of any applicable Standard & Poor's CDO Monitor. In particular, Standard & Poor's makes no representation or warranty that actual defaults on the Collateral Debt Obligations will not exceed those determined by any applicable Standard & Poor's CDO Monitor. Standard & Poor's does not guarantee the accuracy, adequacy or completeness of any applicable Standard & Poor's CDO Monitor and is not responsible for the results obtained from the use thereof. The ratings on the Notes are subject to review for potential downgrade due to the Portfolio Manager's ability to effect Removals of Reference Entities or Reductions of Reference Entities that are deemed Credit Risk Reference Entities by the Portfolio Manager. None of the Collateral Administrator, the Portfolio Manager, the Initial Purchaser, the Trustee or either of the Co-Issuers makes any representation as to the expected rate of defaults of the Collateral Debt Obligations or the timing of defaults or as to the expected recovery rate or the timing of recoveries or as to any applicable Standard & Poor's CDO Monitor.

Section 1.2 Assumptions as to the Underlying Asset. (a) In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled

Distributions on any Pledged Underlying Assets, or any payments on any other assets included in the Collateral, and with respect to the income that can be earned on Scheduled Distributions on such assets and on any other amounts that may be received for deposit in the Collection Accounts, the provisions set forth in this Section 1.2 shall be applied.

(b) All calculations with respect to Scheduled Distributions on the Pledged Underlying Assets shall be made on the basis of information as to the terms of each such Pledged Underlying Asset and upon report of payments, if any, received on such Pledged Underlying Asset that are furnished by or on behalf of the issuer of or obligor with respect to such Pledged Underlying Asset and, to the extent they are not manifestly in error, such information or report may be conclusively relied upon in making such calculations.

For each Due Period, the Scheduled Distribution on any Pledged Underlying Asset shall be the minimum amount, including coupon payments, accrued interest, scheduled principal payments, if any, by way of sinking fund payments which are assumed to be on a pro rata basis or other scheduled amortization of principal, return of principal, and redemption premium, if any, assuming that any index applicable to any payments on a Pledged Underlying Asset, that is subject to change is not changed, that, if paid as scheduled, will be available in the Collection Accounts at the end of the Due Period net of withholding or similar taxes to be withheld from such payments (but taking into account gross up payments in respect of such taxes).

(c) Subject to the preceding sentence, each Scheduled Distribution receivable with respect to a Pledged Underlying Asset shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Interest Collection Account or the Principal Collection Account, as applicable, and, except as otherwise specified, to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Accounts for application, in accordance with the terms hereof, to payments of principal of or interest on the Notes or other amounts payable pursuant to this Indenture.

(d) On any Measurement Date, for purposes of calculating the Class A Interest Coverage Ratio, the Class B Interest Coverage Ratio, the Class C Interest Coverage Ratio and the Class D Interest Coverage Ratio, the expected collateral interest income on the floating rate Eligible Investments and the expected interest payable on each Class of Notes will be calculated using the then-current interest rates applicable thereto as of such date.

(e) If any of the Overcollateralization Ratio Tests is not met on any Payment Date, in calculating the amount of Interest Proceeds that will be applied pursuant to the Priority of Payments to cause such Overcollateralization Ratio Test to be satisfied, it is assumed that Interest Proceeds that are used to redeem Notes (or make deposits that reduce the Class A Commitments) reduce the denominator of the ratios used in the Overcollateralization Ratio Test(s) and have no impact on the numerator of such ratios; however, in calculating the amount of Principal Proceeds that will be applied pursuant to the Priority of Payments to cause such Overcollateralization Ratio Test to be satisfied, it is assumed that Principal Proceeds that are used to redeem Notes (or make deposits that reduce the Class A Commitments) reduce both the

numerator (*i.e.*, the Net Collateral Principal Balance) and the denominator of the ratios used in such Overcollateralization Ratio Tests.

(f) If the Collateral Enhancement Ratio Test is not met on any Payment Date, in calculating the amount of Interest Proceeds that will be applied pursuant to the Priority of Payments to cause such Collateral Enhancement Ratio Test to be satisfied, it is assumed that Interest Proceeds that are used to invest in the Specific Investment Instrument shall increase the numerator of the ratio used in the Collateral Enhancement Ratio Test and have no impact on the denominator of such ratio.

(g) If either of the Class C Overcollateralization Ratio Test or the Class D Overcollateralization Ratio Test is not met on any Payment Date, in calculating the amount of Interest Proceeds that will be applied pursuant to the Priority of Payments to cause either such Overcollateralization Ratio Test to be satisfied, it is assumed that Interest Proceeds that are used to redeem the Class C Notes or the Class D Notes, as applicable, shall have no impact on the numerator of the ratio used in the Class C Overcollateralization Ratio Test or the Class D Overcollateralization Ratio Test, as applicable, and will reduce the denominator of such ratio.

Section 2.3 Authorized Amount; Note Interest Rate; Stated Maturity; Denominations. (a) Subject to the provisions set forth in this Section, the Aggregate Outstanding Amount of Notes that may be authenticated and delivered under this Indenture is limited to \$360,000,000, except for (i) Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.5, 2.6 or 8.5 of this Indenture, (ii) Class B Deferred Interest, (iii) Class C Deferred Interest and (iv) Class D Deferred Interest.

(b) Such Notes shall be divided into seven (7) classes having designations, initial aggregate principal amounts, Note Interest Rates and Stated Maturities as follows:

<u>Designation</u>	<u>Initial Aggregate Principal Amount</u>	<u>Note Interest Rate*</u>	<u>Stated Maturity</u>	<u>Deferred Maturity Date*****</u>
Class A Notes	\$0***	LIBOR +0.26%****	March 22, 2014**	June 22, 2014**

Class D Notes	\$18,000,000	LIBOR +3.75%	March 22, 2014**	June 22, 2014**

* LIBOR refers to LIBOR calculated for the applicable Interest Period.

** If March 22, 2014 or June 22, 2014 is not a Business Day, the Stated Maturity of the Notes will be the next succeeding Business Day.

*** The initial aggregate principal amount of the Class A Notes on the Closing Date.

**** The interest rate of the Class A Notes represents the interest rate applicable to the funded amount of the Class A Notes and any portion of the Class A Commitment Fee that is not paid when due. Each draw will earn interest in accordance with the Class A Note Purchase

Agreement. So long as the conditions which caused a Downgrade Draw are in existence, interest shall accrue on the portion of the Class A Notes that were funded as a result of the Downgrade Draw in an amount equal to the amount of earnings on the Eligible Investments which are held in the related sub-account of the Contingent Class A Funding Account in connection with a Downgrade Draw plus 0.26%.

A commitment fee will accrue on the unfunded portion of the Class A Commitments at 0.26% per annum.

***** During the Interest Period from the Maturity date to the Deferred Maturity Date, all the Notes (including the funded portion of the Class A Notes) outstanding shall earn an interest amount equal to the lesser of (a) the actual earnings on the Eligible Investments in the Maturity Date Account (net of fees and expenses of the Co-Issuers that are senior to the interest payments of the Notes in accordance with the Priority of Payments) multiplied by a fraction, the numerator of which is the outstanding amount of such Notes and the denominator of which is the Aggregate Outstanding Amount of all Classes of Notes and (b) the interest amount on such Class of Notes accrued at a rate of LIBOR. Any Class A Notes that remain outstanding during the Interest Period commencing on the Maturity Date and ending on the Deferred Maturity Date shall accrue interest during such Interest Period as provided above.

(c) The Notes will be issued in minimum denominations of \$500,000 and integral multiples of \$1,000 in excess thereof. On the Closing Date, (i) 30,000 P-1 Preference Shares will be issued pursuant to the Shares Paying Agency Agreement and (ii) 10,000 P-2 Preference Shares will be issued pursuant to the Shares Paying Agency Agreement. Any Note or beneficial interests therein in excess of the applicable minimum denomination may, after the issuance thereof, cease or fail to be an integral multiple of the specified amount in excess thereof as a result of the repayment of principal pursuant to Section 11.1 or Section 11.2, including due to the addition to the principal amount thereof of Deferred Interest.

Section 2.4 Execution, Authentication, Delivery and Dating. (a) The Notes (other than Class D Notes) shall be executed on behalf of the Co-Issuers by one of the Authorized Officers of the Co-Issuers and the Class D Notes shall be executed on behalf of the Issuer by one of the Authorized Officers of the Issuer. The signature of such Authorized Officer, as applicable, on the Notes may be manual or facsimile.

(b) Notes bearing the manual or facsimile signatures of individuals who were at any time the Authorized Officers of the Issuer or the Co-Issuer, as applicable, shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

(c) At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Issuer and the Co-Issuer to the Trustee or the Authenticating Agent for authentication, and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

(d) Each Note authenticated and delivered by the Trustee or the Authenticating Agent to or upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

(e) Notes issued upon transfer, exchange or replacement of other Notes shall be issued in authorized denominations (as set forth in Section 2.3(c)) reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Aggregate Outstanding Amount of the Notes so transferred, exchanged

or replaced. In the event that any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original Aggregate Outstanding Amount of such subsequently issued Notes.

(f) No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of their Authorized Officers, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.5 Registration, Registration of Transfer and Exchange. (a) (i) The Issuer shall cause to be kept the "Note Register" in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed as agent of the Issuer to act as "Note Registrar" for the purpose of registering and recording in the Note Register the Notes and transfers of such Notes as herein provided. Upon any resignation or removal of the Note Registrar, the Issuer shall promptly appoint a successor. The Note Registrar shall, upon request, provide any information it has concerning the Holders of the Class A Notes to the Class A Note Agent.

(ii) If a Person other than the Trustee is appointed by the Issuer as Note Registrar, the Issuer will give the Trustee prompt written notice of the appointment of a Note Registrar and of the location, and any change in the location, of the Note Registrar, and the Trustee shall have the right to inspect the Note Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon an Officer's Certificate executed on behalf of the Note Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal amounts and numbers of such Notes.

(iii) Subject to this Section 2.5, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers (or in the case of Class D Notes only, the Issuer) to be maintained as provided in Section 7.4, the surrendered Notes shall be canceled in accordance with the Trustee's standard policy and the Co-Issuers (or in the case of Class D Notes only, the Issuer) shall execute, and the Trustee or the Authenticating Agent, as the case may be, shall authenticate and deliver in the name of the designated transferee or transferees, one or more new Notes of any authorized denomination and of a like Aggregate Outstanding Amount.

(iv) The Issuer will notify the Trustee in writing of any Note beneficially owned by or pledged to the Issuer or the Co-Issuer or any of their respective Affiliates promptly upon its knowledge of the acquisition thereof or the creation of such pledge.

(v) At the option of the Holder, Notes may be exchanged for Notes of like terms, in any authorized denominations and of like Aggregate Outstanding Amount, upon

surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Co-Issuers (or in the case of Class D Notes only, the Issuer) shall execute and the Trustee shall authenticate and deliver the Notes that the Noteholder making the exchange is entitled to receive.

(vi) All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Co-Issuers (or in the case of Class D Notes only, the Issuer) evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such registration of transfer or exchange.

(vii) A Note and the rights to payments evidenced thereby may be assigned or otherwise transferred in whole or in part pursuant to the terms of this Section 2.5 only by the registration of such assignment and transfer of such Note on the Note Register (and each Note shall so expressly provide). Any assignment or transfer of all or part of such Note shall be registered on the Note Register only upon presentment or surrender for registration of transfer or exchange of the Note duly endorsed, or, in the case of the Notes, be accompanied by a written instrument of transfer in form satisfactory to, and as may be required by, the Note Registrar and the Co-Issuers (or in the case of Class D Notes only, the Issuer), duly executed by the Holder thereof or his attorney duly authorized in writing.

(viii) No service charge shall be made to a Holder for any exchange of Notes, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any exchange of Notes.

(ix) The Issuer and the Co-Issuer shall not be required (i) to issue, register the transfer of or exchange any Note during a period beginning at the opening of business 15 days before any selection of Notes to be redeemed and ending at the close of business on the day of the first publication in the Company Announcements Office of the relevant notice of redemption or, if there is no publication, the mailing of the relevant notice of redemption, or (ii) to register the transfer of or exchange any Note so selected for redemption.

(b) No Note may be sold or transferred (including by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act and is exempt under applicable state securities laws.

(c) For so long as any of the Notes are Outstanding, the Issuer shall not permit the transfer of any Issuer Ordinary Shares and the Co-Issuer shall not transfer any shares of the Co-Issuer to U.S. Persons, and shall not permit the transfer of any such shares to any Person other than a Person which is a resident of the Cayman Islands if (i) such transfer is disadvantageous in any material respect to the Holders of the Notes, (ii) the Issuer fails to give written notice of such transfer to the Trustee, the Holders of the Notes or each of the Rating Agencies at least 20 Business Days prior to such transfer, or (iii) on or prior to the 15th Business Day following such notice the Trustee shall have received written notice from a Majority of the Controlling Class objecting to such transfer.

(d) Upon final payment due on the Maturity Date of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust office or at the office of any Paying Agent (outside the United States if then required by applicable law in the case of a definitive Note issued in exchange for a beneficial interest in a Regulation S Global Note pursuant to Section 2.10) on or prior to such Maturity; provided, that if there is delivered to the Co-Issuers (or in the case of Class D Notes only, the Issuer) and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Co-Issuers (or in the case of Class D Notes only, the Issuer) or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(e) Notwithstanding any provision to the contrary herein, so long as a Global Note remains Outstanding and is held by or on behalf of the Depositary, transfers of a Global Note, in whole or in part, shall only be made in accordance with Section 2.2(b) and this Section 2.5(e).

(i) Transfers of Global Notes Generally. Subject to clauses (ii) through (iv) of this Section 2.5(e), transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to nominees of the Depositary or to a successor of the Depositary or such successor's nominee.

(ii) Rule 144A Global Note to Regulation S Global Note. If a Holder of a beneficial interest in a Rule 144A Global Note representing Class B Notes, Class C Notes or Class D Notes and deposited with the Depositary wishes at any time to exchange its interest in such Rule 144A Global Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in such Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such Holder, provided such Holder or, in the case of a transfer to another Person, such Person is not a U.S. Person or a U.S. Resident, may, subject to the immediately succeeding sentence and the rules and procedures of the Depositary, exchange or transfer or cause the exchange or transfer of such interest for an equivalent beneficial interest in the Regulation S Global Note. Upon receipt by the Trustee, as Note Registrar, of (A) instructions given in accordance with the Depositary's procedures from an Agent Member directing the Trustee to cause to be credited a beneficial interest in the Regulation S Global Note in an amount equal to the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, but not less than the minimum denomination applicable to the relevant Notes held through Regulation S Global Notes, (B) a written order given in accordance with the Depositary's procedures containing information regarding the participant account of the Depositary and, in the case of a transfer or exchange pursuant to and in accordance with Regulation S, the Euroclear and Clearstream account to be credited with such increase and (C) a certificate in the form of Exhibit H attached hereto, given by the Holder of such beneficial interest (in the case of an exchange) or the transferee of such beneficial interest (in the case of a transfer) stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Notes, including in accordance with Rule 903 or 904 of Regulation S, the Trustee, as Note Registrar, shall instruct the Depositary to reduce the

principal amount of the Rule 144A Global Note and to increase the principal amount of the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, and to credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Regulation S Global Note equal to the reduction in the principal amount of the Rule 144A Global Note.

(iii) Regulation S Global Note to Rule 144A Global Note. If a Holder of a beneficial interest in a Regulation S Global Note representing Class B Notes, Class C Notes or Class D Notes and deposited with the Depositary wishes at any time to exchange its interest in such Regulation S Global Note for an interest in a corresponding Rule 144A Global Note or to transfer its interest in such Regulation S Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Note, such Holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear and Clearstream or the Depositary, as the case may be, cause the exchange or transfer of such interest for an equivalent beneficial interest in the Rule 144A Global Note. To the extent that the Trustee, as Note Registrar, has received (A) instructions from Euroclear and Clearstream or the Depositary, as the case may be, directing the Trustee, as Note Registrar, to cause to be credited a beneficial interest in the Rule 144A Global Note equal to the beneficial interest in the Regulation S Global Note to be exchanged or transferred but not less than the minimum denomination applicable to the relevant Notes held through Rule 144A Global Notes, such instructions to contain information regarding the participant account with the Depositary to be credited with such increase, and (B) a certificate in the form of Exhibit G attached hereto given by the Holder of such beneficial interest and stating that, in the case of a transfer, the Person transferring such interest in the Regulation S Global Notes reasonably believes that the Person acquiring such interest in the Rule 144A Global Note is a QIB/QP and is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other relevant jurisdiction, or that, in the case of an exchange, the Holder is a QIB/QP, then Euroclear or Clearstream or the Trustee, as Note Registrar, as the case may be, will instruct the Depositary to reduce the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Regulation S Global Note to be transferred or exchanged, and the Trustee, as Note Registrar, shall instruct the Depositary, concurrently with such reduction, to credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Rule 144A Global Note equal to the reduction in the principal amount of the Regulation S Global Note.

(iv) Exchange or Transfer of Interests in Rule 144A Global Notes or Regulation S Global Notes for Certificated Class B Notes, Certificated Class C Notes or Certificated Class D Notes. (g) Other Exchanges. In the event that a Global Note is exchanged for Notes in definitive registered form without interest coupons, pursuant to Section 2.10 hereof, such Notes may be exchanged for one another only in accordance with such procedures and restrictions as are substantially consistent with the provisions above (including certification requirements intended to ensure that such transfers comply with Rule 144A or another exemption from the registration requirements of the Securities Act, or are to non-U.S. Persons and non-U.S. Residents, or otherwise comply with Regulation S, as the case may be) and as may be from time to time adopted by the Co-Issuers and the Trustee.

(j) Each owner of a Note (other than a Class A Note) in the form of a beneficial interest in a Rule 144A Global Note will be deemed to have represented and agreed with the Issuer, as follows:

(i) The Holder is purchasing the Note for its own account or one or more accounts with respect to which it exercises sole investment discretion, in minimum denominations of \$500,000 and in integral multiples of \$1,000 in excess thereof, and both it and each such account (if any) (A) is a QIB/QP, (B) is not a dealer of the type described in paragraph (a)(1)(ii) of Rule 144A unless it owns and invests on a discretionary basis not less than \$25,000,000 in securities of issuers that are not Affiliated to it, (C) is not a participant-directed employee plan, such as a 401(k) plan, or any other type of plan referred to in paragraph (a)(1)(i)(D) or (a)(1)(i)(E) of Rule 144A, or a trust fund referred to in paragraph (a)(1)(i)(F) of Rule 144A that holds the assets of such a plan, unless investment decisions with respect to the plan are made solely by the fiduciary, trustee or sponsor of such plan, (D) was not formed for the purpose of investing in the Issuer or the Co-Issuer (except where each beneficial holder of the Holder is a QP) and (E) shall provide written notice to any transferee that any transferee taking delivery of the Note in the form of an interest in a Rule 144A Global Note must satisfy the foregoing qualifications.

(ii) The Holder agrees on its own behalf and on behalf of any account for which it is holding the Note to offer, sell or otherwise transfer such Note (or a beneficial interest

therein) only (A) in the required minimum denomination, and (B) (1) in the United States, only in the form of an interest in a Rule 144A Global Note to a QP that the Holder reasonably believes is a QIB, purchasing for its own account or one or more accounts, each of which is a QP that the Holder reasonably believes is a QIB, in accordance with Rule 144A, and none of which are (x) a dealer of the type described in paragraph (a)(1)(ii) of Rule 144A unless it owns and invests on a discretionary basis not less than \$25,000,000 in securities of issuers that are not Affiliated to it, (y) a participant-directed employee plan, such as a 401(k) plan, or any other type of plan referred to in paragraph (a)(1)(i)(D) or (a)(1)(i)(E) of Rule 144A, or a trust fund referred to in paragraph (a)(1)(i)(F) of Rule 144A that holds the assets of such a plan, unless investment decisions with respect to the plan are made solely by the fiduciary, trustee or sponsor of such plan or (z) formed for the purpose of investing in the Issuer or the Co-Issuer (except where each beneficial Holder is a QP) or (2) outside the United States in the form of an interest in a Regulation S Global Note to a Person that is neither a U.S. Person nor a U.S. Resident in an offshore transaction in accordance with Regulation S under the Securities Act. The Holder understands and agrees that neither a U.S. Person nor a U.S. Resident may hold an interest in a Note in the form of a Regulation S Global Note at any time. The Holder agrees to provide notice of such transfer restrictions to any subsequent transferee.

(iii) The Holder understands that any Holder of Notes who is a U.S. Person or a U.S. Resident who is determined not to have been a QIB/QP at the time of acquisition of the Note (or interest therein) is required to sell such interest to a Person that is a QIB/QP or to a Person that is neither a U.S. Person nor a U.S. Resident in a transaction meeting the requirements of Regulation S.

(iv) The Holder understands that the Notes have not been approved or disapproved by the SEC or any other governmental authority or agency of any jurisdiction, nor has the SEC or any other governmental authority or agency passed upon the accuracy or adequacy of the Offering Memorandum. Any representation to the contrary is a criminal offense.

(v) The Holder agrees that no Class B Note, Class C Note or Class D Note (other than Class B Notes, Class C Notes or Class D Notes issued in the form of Certificated Class B Notes, Certificated Class C Notes or Certificated Class D Notes, as applicable) or any interest therein may be sold, pledged or otherwise transferred in a denomination of less than \$500,000, and in integral multiples of \$1,000 in excess thereof.

has had access to such financial and other information concerning the Co-Issuers (or in the case of Class D Notes only, the Issuer) and the Notes as it has deemed necessary to make its own independent decision to purchase such Notes, including the opportunity, at a reasonable time prior to its purchase of such Notes, to ask questions and receive answers concerning the Co-Issuers (or in the case of Class D Notes only, the Issuer) and the terms and conditions of the offering of the Notes.

(vii) The Holder understands that there is no market for the Notes and that no assurance can be given as to the liquidity of any trading market for the Notes and that it is unlikely that a trading market for the Notes will develop. It further understands that, although the Managers may from time to time make a market in the Notes, the Managers are under no obligation to do so and, following the commencement of any market-making, may discontinue the same at any time. Accordingly, the Holder must be prepared to hold the Notes for an indefinite period of time or until their maturity.

(viii) The Holder agrees that no sale, pledge or other transfer of a Note (or any interest therein) may be made if such transfer would have the effect of requiring either of the Co-Issuers or the pool of assets owned by the Issuer to register as an investment company under the Investment Company Act.

(ix) The Holder represents and warrants that, in the case of any Notes held, either (A) it is not, and is not acquiring and holding such Notes on behalf of a Plan or a governmental, foreign or church plan that is subject to any Similar Law or (B) its acquisition and holding of such Notes will not constitute or otherwise result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or, in the case of a governmental, foreign or church plan, a violation of any Similar Law). The Holder of Notes shall further indemnify and hold harmless the Issuer, the Trustee and the Managers and their respective affiliates from any cost, damage or loss incurred by them as a result of the inaccuracy or breach of the foregoing representations, warranties and agreements in this paragraph (ix). Any purported transfer of Notes to a purchaser that does not comply with the requirements of this paragraph (ix) shall be null and void ab initio. The Holder of Notes makes the representations and warranties in this paragraph (ix) on each day that it holds Notes.

(x) The Holder agrees that (A) any sale, pledge or other transfer of a Note (or any interest therein) made in violation of the transfer restrictions contained in this Indenture, or made based upon any false or inaccurate representation made by the Holder or a transferee to the Co-Issuers (or in the case of Class D Notes only, the Issuer), will be void and of no force or effect and (B) none of the Co-Issuers (or in the Case of Class D Notes only, the Issuer), the Trustee or the Note Registrar has any obligation to recognize any sale, pledge or other transfer of a Note (or any interest therein) made in violation of any such transfer restriction or made based upon any such false or inaccurate representation.

(xi) The Holder is not a member of the public in the Cayman Islands.

(xii) The Rule 144A Global Notes will bear the applicable legends set forth in Exhibits B-3, C-3, D-1 and E-1 hereto.

(xiii) If the Holder is not a natural Person, the Holder has the power and authority to enter into each agreement required to be executed and delivered by or on behalf of the Holder in connection with its purchase of Notes and to perform its obligations thereunder and consummate the transactions contemplated thereby, and the Person signing any such documents on behalf of the Holder has been duly authorized to execute and deliver such documents and each other document required to be executed and delivered by the Holder in connection with its purchase of Notes. If the Holder is an individual, the Holder has all requisite legal capacity to acquire and hold the Notes and to execute, deliver and comply with the terms of each of the documents required to be executed and delivered by the Holder in connection with the subscription for the Notes. Such execution, delivery and compliance by the Holder does not conflict with, or constitute a default under, any instruments governing the Holder, any applicable law, regulation or order, or any material agreement to which the Holder is a party or by which the Holder is bound.

(xiv) If the Holder's permanent address is located in the United States, the Holder was offered the Notes in the state of such Holder's permanent address and intends that the securities law of that state govern the Holder's subscription for the Notes.

(xv) The Holder understands that any Co-Issuer, Trustee or Paying Agent shall require certification acceptable to it (i) as a condition to the payment of principal of and interest on any Securities without, or at a reduced rate of, U.S. withholding or backup withholding tax, and (ii) to enable each Co-Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Securities or the Holder of such Securities under any present or future law or regulation of the Cayman Islands or the United States or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. Such certification may include U.S. federal income tax forms (such as IRS Form W-8BEN (Certification of Foreign Status of Beneficial Owner), Form W-8IMY (Certification of Foreign Intermediary Status), IRS Form W-9 (Request for Taxpayer Identification Number and Certification), or IRS Form W-8ECI (Certification of Foreign Person's Claim for Exemption from Withholding on Income Effectively Connected with Conduct of a U.S. Trade or Business) or any successors to such IRS forms). In addition, any Co-Issuer, Trustee or Paying Agent may require certification acceptable to it to enable the Issuer to qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets. Each Holder agrees to provide any certification requested pursuant to this paragraph and to update or replace such form or certification in accordance with its terms or its subsequent amendments.

(xvi) Each Holder hereby agrees that, for purposes of U.S. federal, state and local income and franchise tax and any other income taxes, (i) the Issuer will be treated as a corporation, (ii) the Notes will be treated as indebtedness solely of the Issuer, and (iii) the

Preference Shares will be treated as equity in the Issuer; the Holder agrees to such treatment and agrees to take no action inconsistent with such treatment, unless required by law.

(xvii) The Holder acknowledges that the Co-Issuers (or in the case of Class D Notes only, the Issuer), the Managers, the Trustee, the Share Paying Agent and others will rely upon the truth and accuracy of the foregoing acknowledgments, representations and agreements and agrees that, if any of the acknowledgments, representations or warranties made or deemed to have been made by it in connection with its purchase of the Notes are no longer accurate, the Holder will promptly notify the Co-Issuers (or in the case of Class D Notes only, the Issuer), and the Managers.

(k) Each Holder of a beneficial interest in a Regulation S Global Note representing any Note will be deemed to have represented and agreed with the Issuer as set forth in subclauses (ii) through (iv), subclauses (vi) through (xi) and subclauses (xiii) through (xvii) in clause (j) above. Each Holder of a beneficial interest in a Regulation S Global Note will also be deemed or required (as applicable) to represent, warrant and agree as follows:

(i) The Holder is neither a U.S. Person nor a U.S. Resident purchasing for its own account or one or more accounts, each of which is neither a U.S. Person nor a U.S. Resident, and as to each of which the Holder exercises sole investment discretion, and is aware that the sale of the Notes to it is being made in reliance on the exemption from registration provided by Regulation S.

(ii) The Holder agrees that no Regulation S Global Note (or any interest therein) may be sold, pledged or otherwise transferred in a denomination of less than \$500,000, and in integral multiples of \$1,000 in excess thereof.

(iii) The Regulation S Global Notes will bear the legends set forth in the applicable form of note contained in Exhibits B-4, C-4, D-2 and E-2, hereto.

(iv) The Holder understands and agrees that before a Note in the form of an interest in a Regulation S Global Note may be offered, sold, pledged or otherwise transferred to a transferee that takes delivery in the form of a Rule 144A Global Note, the transferee shall be required to provide the Trustee with a transfer certificate in the form attached hereto as Exhibit G to the effect that the transferee is a QIB/QP, which is acquiring the interest in the Note in the form of a Rule 144A Global Note in a transaction meeting the requirements of Rule 144A, and in accordance with any applicable securities laws of any state of the United States or any other relevant jurisdiction.

(l) Each initial purchaser and transferee of a Class A Note or a Class B Note, Class C Note or Class D Note issued in the form of a Certificated Class B Note, Certificated Class C Note or a Certificated Class D Note, as applicable, will represent and agree that:

With respect to any initial purchaser of a Class A Note issued, the related Guarantor or Funding Entity, if any, will also be required to satisfy the related Rating Criteria. (ii) Each initial purchaser or transferee of a Certificated Note must provide, if requested, any additional information that may be required to substantiate its status as (i) a Qualified Institutional Buyer (or, solely in the case of a purchaser or transferee of a Certificated Class B Note, Certificated Class C Note or a Certificated Class D Note, either a Qualified Institutional Buyer or an “accredited investor”) and as a Qualified Purchaser or (ii) neither a U.S. Person nor a U.S. Resident, as applicable, and to determine compliance with ERISA or to otherwise determine its eligibility to purchase a Certificated Note of the relevant Class of Notes; and

(iii) Any transfer of the Certificated Notes corresponding to the relevant Class of Notes in violation of the foregoing restrictions will be void ab initio and will be disregarded by the Trustee.

(m) Each Person who becomes a Holder of a Certificated Note corresponding to the relevant Class of Notes (whether pursuant to Section 2.5(f) or otherwise) will be required to represent and warrant (in the transfer certificate in the form of Exhibit I-1, Exhibit I-2 or Exhibit I-3 attached hereto, as applicable) that either (A) it is not, and is not acquiring and holding the Certificated Note, on behalf of a Plan or a governmental, foreign or church plan that

The Holder of the each Certificated Note, makes the representations and warranties in this paragraph (m) on each day that it holds any such Certificated Note.

(n) Notwithstanding a request made to remove the Rule 144A Securities Legend or Regulation S Legend from any of the Notes, such Notes shall bear the applicable legend, and the applicable legend shall not be removed unless there is delivered to the Co-Issuers (or in the case of the Class D Notes only, the Issuer) and the Trustee such satisfactory evidence, which may include an Opinion of Counsel satisfactory to the Co-Issuers (or in the case of Class D Notes only, the Issuer), as may be reasonably required by the Co-Issuers (or in the case of the Class D Notes only, the Issuer) to the effect that neither the applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A, Regulation S or Section 4(2) of the Securities Act, as applicable, and the Investment Company Act. Upon provision of such satisfactory evidence, the Trustee, at the direction of the Co-Issuers (or in the case of Class D Notes only, the Issuer), shall authenticate and deliver such Notes that do not bear such legend.

(o) Any purported transfer of a Note not in accordance with this Section 2.5 shall be null and void ab initio, shall be disregarded by the Trustee and shall not be given effect for any purpose hereunder.

(p) Nothing in this Section 2.5 shall be construed to limit any contractual restrictions on transfers of Notes or interests therein that may apply to any Person.

(q) Notwithstanding anything contained in this Indenture to the contrary, neither the Trustee, the Class A Note Agent nor the Note Registrar (nor any other Transfer Agent) shall be responsible or liable for compliance with applicable federal or state securities law (including, without limitation, the Securities Act or Rule 144A or Regulation S promulgated thereunder), the Investment Company Act, ERISA or the Code (or any applicable regulations thereunder); provided, however, that if a specified transfer certificate or Opinion of Counsel is required by the express terms of this Section 2.5 to be delivered to the Trustee or Note Registrar prior to registration of transfer of a Security, the Trustee and/or Note Registrar, as applicable, shall be under a duty to receive such certificate or Opinion of Counsel and to examine the same to determine whether it conforms on its face to the requirements hereof (and the Trustee or Note Registrar, as the case may be, shall promptly notify the party delivering the same if it determines that such certificate or Opinion of Counsel does not so conform).

Section 2.6 Mutilated, Destroyed, Lost or Stolen Notes. If (i) any mutilated Note is surrendered to a Transfer Agent, or if there shall be delivered to the Co-Issuers (or in the case of Class D Notes only, the Issuer), the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Co-Issuers (or in the case of Class D Notes only, the Issuer), the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them and any agent of any of them harmless, then, in the absence of notice to the Co-Issuers (or in the case of Class D Notes only, the Issuer), the Trustee or such Transfer Agent that such Note has been acquired by a Protected Purchaser, the Co-Issuers (or in the case of Class D Notes only, the Issuer) shall execute and, upon Issuer Request, the Trustee shall authenticate and deliver, in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of same tenor and principal amount and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a Protected Purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Issuer, the Co-Issuer, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer, the Co-Issuer, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, destroyed, lost or stolen Note has become due and payable, the Co-Issuers (or in the case of Class D Notes only, the Issuer) in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Issuer, the Co-Issuer, the Trustee or a Transfer Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Co-Issuers (or in the case of Class D Notes only, the Issuer), and such new Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 2.7 Payment of Principal and Interest; Principal and Interest Rights Preserved. (a) Each Class of Notes shall accrue interest during each Interest Period at the applicable Note Interest Rate specified in Section 2.3 on the Aggregate Outstanding Amount of such Class of Notes (determined in each case, other than with respect to the Class A Notes, as of the first day of each Interest Period and after giving effect to any payment of principal or deferral of interest occurring on such day) from the Closing Date and will be payable in arrears on each

Payment Date, and on the Stated Maturity, commencing on the Payment Date in March 2007] and will be computed in the manner set forth in Section 2.7(f). Interest on the Notes shall be due and payable on each Payment Date (commencing on the Payment Date in March 2007) immediately following the related Interest Period and on the Stated Maturity of the Notes. Interest shall accrue on the Aggregate Outstanding Amount of the Class A Notes (determined on a weighted daily average basis for each Interest Period after giving effect to any payment of principal or any draw downs made with respect to the Class A Noteholders on any day during the Interest Period), which represents the funded portion of the Class A Commitments. The Class A Commitments shall be funded in accordance with the provisions of the Class A Note Purchase Agreement. The Class A Commitment Fee shall accrue on the portion of the Class A Commitments which are unfunded as of the Closing Date. The Class A Commitment Fee shall be payable in arrears on each Payment Date and, if not so paid, interest shall accrue on the unpaid portion of the Class A Commitment Fee at the Class A Note Interest Rate, until such fee has been paid in full. Interest on the Notes and the Class A Commitment Fee shall be due and payable on each Payment Date (commencing on the Payment Date in March 2007) immediately following the related Interest Period and on the Stated Maturity; provided, however, that:

(i) Failure to pay (x) interest accrued on the Class A Notes or (y) the Class A Commitment Fee in each case on any Payment Date, will result in an Event of Default, as specified in Section 5.1 hereof. (ii) Payment of interest on the Class B Notes is subordinated to the payment on each Payment Date of the interest due and payable on the Class A Notes (including Defaulted Interest, if any), Class A Commitment Fee and other amounts in accordance with the Priority of Payments. So long as any Class A Notes are Outstanding or any Class A Commitment Fee remains unpaid, any interest due and accrued on the Class B Notes which is not available to be paid as a result of the operation of the Priority of Payments on any Payment Date (such interest, including as of any date interest accrued as provided in the next sentence on such interest not paid on prior Payment Dates, "Class B Deferred Interest") shall not be considered "due and payable" for the purposes of Section 5.1(a) until the Payment Date on which funds are available and permitted to be used for payment of such interest in accordance with the Priority of Payments. Class B Deferred Interest accrued to any Payment Date shall bear interest at the Class B Note Interest Rate and shall be payable on the first Payment Date on which funds are available and permitted to be used for such purpose in accordance with the priority of payments.

as of any date interest accrued as provided in the next sentence on such interest not paid on prior Payment Dates, "Class C Deferred Interest") shall not be considered "due and payable" for the purposes of Section 5.1(a) until the Payment Date on which funds are available and permitted to be used for payment of such interest in accordance with the Priority of Payments. Class C Deferred Interest accrued to any Payment Date shall bear interest at the Class C Note Interest Rate and shall be payable on the first Payment Date on which funds are available and permitted to be used for such purpose in accordance with the Priority of Payments.

(iv) Payment of interest on the Class D Notes is subordinated to the payment on each Payment Date of the interest due and payable on the Class A Notes (including Defaulted Interest, if any, and interest on such Defaulted Interest), the Class A Commitment Fee, the interest due and payable on the Class B Notes (including Defaulted Interest, if any, and Class B Deferred Interest), the interest due and payable on the Class C Notes (including Defaulted Interest, if any, and Class C Deferred Interest), interest on all such Defaulted Interest and Deferred Interest, and other amounts in accordance with the Priority of Payments. So long as any Class A Notes, Class B Notes or Class C Notes are Outstanding or any Class A Commitment Fee remains unpaid, any interest due and accrued on the Class D Notes which is not available to be paid as a result of the operation of the Priority of Payments on any Payment Date (such interest, including as of any date interest accrued as provided in the next sentence on such interest not paid on prior Payment Dates, "Class D Deferred Interest") shall not be considered "due and payable" for the purposes of Section 5.1(a) until the Payment Date on which funds are available and permitted to be used for payment of such interest in accordance with the Priority of Payments. Class D Deferred Interest accrued to any Payment Date shall bear interest at the Class D Note Interest Rate, as applicable, and shall be payable on the first Payment Date on which funds are permitted to be used for such purpose in accordance with the Priority of Payments.

(b) The principal of each Note shall be due and payable on the Stated Maturity thereof, as applicable, unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise; provided, however, that unless otherwise provided herein with respect to redemptions:

(i) the payments of principal of the Class B Notes may only occur on or after the date that the principal of the Class A Notes has been paid in full and the Class A Commitments have been reduced to zero, and is subordinated, other than with respect to the application of Interest Proceeds to the payment of Class B Deferred Interest, to the payment on each Payment Date of the principal due and payable on the Class A Notes have, the interest due and payable on the Class A Notes and other amounts in accordance with the Priority of Payments (and the failure to pay the principal of the Class B Notes on any Payment Date prior to their Stated Maturity if funds are not available therefor in accordance with the Priority of Payments shall not be considered an Event of Default);

(ii) the payments of principal of the Class C Notes may only occur on or after the date that the principal of the Class A Notes and the Class B Notes has been paid in full

(iii) the payment of principal of the Class D Notes may only occur on or after the date that the principal of the Class A Notes, the Class B Notes and the Class C Notes has been paid in full and the Class A Commitments have been reduced to zero, and is subordinated, other than with respect to the application of Interest Proceeds to the payment of Class D Deferred Interest, to the payment on each Payment Date of the principal due and payable on the Class A Notes, the Class B Notes and the Class C Notes, the interest due and payable on the Class A Notes, the Class B Notes and the Class C Notes and other amounts in accordance with the Priority of Payments (and the failure to pay the principal amount of the Class D Notes on any Payment Date prior to their Stated Maturity if funds are not available therefor in accordance with the Priority of Payments shall not be considered an Event of Default);

(c) Interest due on any Payment Date on the Notes, the Class A Commitment Fee and principal paid on any Payment Date on the Notes (including any Redemption Price paid on the applicable Redemption Date) shall be payable by the Paying Agent by Dollar check drawn on a bank in the United States of America or by wire transfer in immediately available funds and, if individual definitive Notes are issued, and so long as any Notes are listed on the Irish Stock Exchange and the rules of such exchange shall so require the Co-Issuers will have a paying agent for such Notes that are so listed in Ireland and payments on such Notes may be effected through such Irish Paying Agent. In the event that the Irish Paying Agent is replaced at any time during such period, notice of the appointment of any replacement will be given to the Company Announcements Office. In the case of a check, such check shall be mailed to the Person entitled thereto at his address as it appears on the Note Register and, in the case of a wire transfer, such wire transfer shall be sent in accordance with written instructions provided by such Person. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office or at the office of any Paying Agent (outside of the United States if then required by applicable law in the case of a definitive Note issued in exchange for a beneficial interest in the Regulation S Global Note) on or prior to such Maturity; provided, however, that if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender. In the case where any final payment of principal and interest is to be made on any Note (other than on the Stated Maturity thereof) the Co-Issuers or, upon Issuer Request, the Trustee, in the name and at the expense of the Co-Issuers shall, not more than 30 nor less than 10 days prior to the date on which such payment is to be

(d) Subject to the provisions of Sections 2.7(a) and (b) and Section 13.1 hereof, the Holders of Notes as of the Record Date in respect of a Payment Date shall be entitled to the interest accrued and payable in accordance with the Priority of Payments and principal payable in accordance with the Priority of Payments on such Payment Date. All such payments that are mailed or wired and returned to the Corporate Trust Office of the Trustee or at the office of any Paying Agent shall be held for payment as herein provided at the office or agency of the Co-Issuers to be maintained as provided in Section 7.4.

(e) Interest on any Note which is payable, and is punctually paid or duly provided for, on any Payment Date shall be paid to the Person in whose name that Note (or one or more predecessor Notes) is registered at the close of business on the Record Date for such interest. Payments of principal to Holders of the Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on such Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.

(f) Interest on the Notes (and interest on any Defaulted Interest and Deferred Interest in respect thereof) shall be computed on the basis of the actual number of days elapsed during the applicable Interest Period (including any adjustment to the number of days in an Interest Period as a result of the related Payment Date and/or the preceding Payment Date being moved from a day that is not a Business Day to the immediately succeeding Business Day) divided by 360. The Class A Commitment Fee will each be calculated on the basis of a 360-day year and the actual number of days elapsed during each Interest Period, including any adjustment to the number of days in an Interest Period as a result of the related Payment Date and/or the preceding Payment Date being moved from a day that is not a Business Day to the immediately succeeding Business Day.

(g) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date, Redemption Date or any other date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(h) The Notes and all obligations owed to the Trustee hereunder will be limited recourse debt obligations of the Issuer and non-recourse debt obligations of the Co-Issuer, in each case secured as described herein. Once the Collateral have been realized and the proceeds thereof applied in accordance with the Priority of Payments, the Co-Issuers shall have no further obligations hereunder and any outstanding obligations shall be extinguished. No recourse shall be had for the payment of any amount owing in respect of the Notes or under this Indenture against any officer, director, employee, shareholder or incorporator of the Co-Issuers or any successors or assigns thereof for any amounts payable under the Notes or this Indenture.

It is understood that the foregoing provisions of this paragraph (h) shall not (i) prevent recourse to the Collateral for the sums due or to become due under any security, instrument or agreement which is part of the Collateral or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture, and the same shall continue until paid or discharged. It is further understood that the foregoing provisions of this paragraph (h) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any action or suit or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person.

(i) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights of unpaid interest and principal that were carried by such other Note.

(j) Notwithstanding any of the foregoing provisions (except for Section 2.7(h)) with respect to payments of principal of and interest on the Notes, if the Notes have become or been declared due and payable following an Event of Default and such acceleration of Maturity and its consequences have not been rescinded and annulled and the provisions of Section 5.5 are not applicable, then payments of principal of and interest on all of such Notes shall be made as specified in Section 13.1.

(k) As a condition to the payment of principal of and interest and commitment fees on any Note without the imposition of U.S. withholding tax, any Co-Issuer, Trustee or Paying Agent shall require certification acceptable to it to enable the Co-Issuers, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Note or the Holder of such Note under any present or future law or regulation of the Cayman Islands or the United States or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. Such certification may include U.S. federal income tax forms (such as IRS Form W-8BEN (Certification of Foreign Status of Beneficial Owner), Form W-8IMY (Certification of Foreign Intermediary Status), IRS Form W-9 (Request for Taxpayer Identification Number and Certification), or IRS Form W-8ECI (Certification of Foreign Person's Claim for Exemption from Withholding on Income Effectively Connected with Conduct of a U.S. Trade or Business) or any successors to such IRS forms). In addition, any Co-Issuer, Trustee or Paying Agent may require certification acceptable to it to enable the Issuer to qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets. Each Holder agrees to provide any certification requested pursuant to this paragraph and to update or replace such form or certification in accordance with its terms or its subsequent amendments.

(l) With respect to the Maturity Date, in the event that (without duplication), (a)(1) an Event Determination Date has occurred with respect to a Reference Entity included in the Reference Portfolio for the Credit Swap Agreement on or prior to the Maturity Date but the relevant Final Price in respect of such Reference Entity has not been determined under the Credit

Swap Agreement on or prior to the Maturity Date; and/or (2) a Potential Failure to Pay has occurred with respect to a Reference Entity included in the Reference Portfolio for the Credit Swap Agreement on or prior to the Maturity Date and such Potential Failure to Pay has not been cured on or prior to the Maturity Date (each Reference Entity referred to in sub paragraphs (a)(1) and (a)(2) an “Adjustment Reference Entity”) then an Adjustment Amount shall be determined by the Credit Swap Calculation Agent as of the applicable Event Determination Date or the date upon which the Potential Failure to Pay is determined to have occurred by calculating in accordance with the terms of the Credit Swap Agreement (i) a hypothetical Reference Entity Loss Amount for the relevant Adjustment Reference Entity based on a Final Price of zero, and (ii) a hypothetical Cash Settlement Amount for such Adjustment Reference Entity. The “Adjustment Amount” on the applicable Event Determination Date or the date upon which the Potential Failure to Pay is determined, shall be an amount equal to the greater of (i) such hypothetical Cash Settlement Amount, and (ii) zero.

Section 2.8 Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee and any agent of the Co-Issuers (or in the case of Class D Notes only, the Issuer) or the Trustee may treat the Person in whose name any Note is registered as the owner of such Note on the Note Register on the applicable Record Date for the purpose of receiving payments of principal and interest on such Note and on any other date for all other purposes whatsoever (whether or not such payment is overdue), and neither the Co-Issuers nor the Trustee nor any agent of the Co-Issuers or the Trustee shall be affected by notice to the contrary; provided, further, that the Depositary, or its nominee, shall be deemed the owner of the Global Notes, and owners of beneficial interests in Global Notes will not be considered the owners of any Notes for the purpose of receiving notices.

Section 2.9 Cancellation. All Notes surrendered for payment, registration of transfer, exchange or redemption, or deemed lost or stolen, shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 2.9, except as expressly permitted by this Indenture. All cancelled Notes held by the Trustee shall be destroyed by the Trustee in accordance with its standard policy unless the Issuer and the Co-Issuer shall direct by an Issuer Order that they be returned to the Issuer as notified to the Trustee prior to such Note’s cancellation and/or destruction.

Section 2.10 Global Notes; Temporary Notes. (a) A Global Note deposited with the Depositary pursuant to Section 2.2 shall be transferred to the beneficial Holders thereof only if such transfer complies with Section 2.5 of this Indenture and either (i) the Depositary notifies the Co-Issuers (or in the case of Class D Notes only, the Issuer) that it is unwilling or unable to continue as Depositary for such Global Note or if at any time such Depositary ceases to be a Clearing Agency and a successor depositary is not appointed by the Co-Issuers (or in the case of Class D Notes only, the Issuer) within 90 days of such notice, or (ii) as a result of any amendment to or change in, the laws or regulations of the Cayman Islands or of any authority therein or thereof having power to tax or in the interpretation or administration of such laws or regulations which become effective on or after the Closing Date, the Issuer or any Paying Agent obtains actual knowledge that it is or will be required to make any deduction or withholding from

any payment in respect of the Notes which would not be required if the Notes were in definitive form.

(b) Any Global Note that is transferable to the beneficial Holders thereof pursuant to this Section 2.10 shall be surrendered by the Depositary to the Corporate Trust Office or its office or agent located in the Borough of Manhattan, The City of New York, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Notes of authorized denominations. Any portion of a Rule 144A Global Note or a Regulation S Global Note transferred pursuant to this Section 2.10 shall be executed, authenticated and delivered in denominations of \$500,000 and any integral multiple of \$1,000 in excess thereof, registered in such names as the Depositary shall direct. Any Note delivered by the Trustee or its agent in exchange for an interest in a Rule 144A Global Note shall, except as otherwise provided by Section 2.5(k), bear the Rule 144A Securities Legend set forth in the applicable Exhibit. Any Note delivered in exchange for an interest in a Regulation S Global Note shall, except as otherwise provided by Section 2.5(k), bear the Regulation S Legend set forth in the applicable Exhibit.

(c) Subject to the provisions of paragraph (b) of this Section 2.10, the registered Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) Upon receipt of notice from the Depositary of the occurrence of either of the events specified in paragraph (a) of this Section 2.10, the Issuer shall use its best efforts to make arrangements with the Depositary for the exchange of interests in the Global Notes for individual definitive Notes and cause the requested individual definitive Notes to be executed and delivered to the Note Registrar in sufficient quantities and authenticated by or on behalf of the Trustee for delivery to Noteholders.

Pending the preparation of definitive certificates for such Class of Notes pursuant to this Section 2.10, the Co-Issuers (or in the case of Class D Notes only, the Issuer) may execute, and upon Issuer Order the Trustee shall authenticate and deliver, temporary certificates for such Class of Notes that are printed, lithographed, typewritten, mimeographed or otherwise reproduced, in any authorized denomination, substantially of the tenor of the definitive certificates in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Officers executing such temporary certificates may determine, as conclusively evidenced by their execution of such certificates.

If temporary certificates for a Class of Notes are issued, the Co-Issuers (or in the case of Class D Notes only, the Issuer) will cause such Notes to be prepared without unreasonable delay. The definitive certificates shall be printed, lithographed or engraved, or provided by any combination thereof, or in any other manner permitted by the rules and regulations of any applicable securities exchange, all as determined by the Officers executing such definitive certificates. After the preparation of definitive certificates, the temporary certificates shall be exchangeable for definitive certificates upon surrender of the temporary

certificates at the office or agency maintained by the Co-Issuers (or in the case of Class D Notes only, the Issuer) for such purpose, without charge to the Holder. Upon surrender for cancellation of any one or more temporary certificates, the Co-Issuers (or in the case of Class D Notes only, the Issuer) shall execute, and the Trustee shall authenticate and deliver, in exchange therefor the same aggregate principal amount of definitive certificates of authorized denominations. Until so exchanged, the temporary certificates shall in all respects be entitled to the same benefits under this Indenture as definitive certificates.

Persons exchanging interests in a Global Note for individual definitive Notes will be required to provide to the Trustee, through the Depositary, (i) written instructions and other information required by the Issuer and the Trustee to complete, execute and deliver such individual definitive Notes, (ii) in the case of an exchange of an interest in a Rule 144A Global Note, such certification as to QIB/QP status as the Issuer shall require, and (iii) in the case of an exchange of an interest in a Regulation S Global Note, such certification as to non-U.S. Person and non-U.S. Resident status as the Issuer shall require. In all cases, individual definitive Notes delivered in exchange for any Global Note or beneficial interests therein will be registered in the names, and issued in any approved denominations, requested by the Depositary.

Section 2.11 No Gross up. The Issuer shall not be obligated to pay any additional amounts to the Holders or the holders of beneficial interests in the Notes as a result of any withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges.

Section 2.12 Notes Beneficially Owned by Persons Not QIB/QPs. (i) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Notes to a Person that is either a U.S. Person or a U.S. Resident and that is not a QIB/QP (or, solely in the case of the Class B Notes, Class C Notes and the Class D Notes issued in the form of Certificated Class B Notes, Certificated Class C Notes or Certificated Class D Notes, as applicable, both a Qualified Purchaser and an “accredited investor”), shall be null and void ab initio and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) If any Person that is either a U.S. Person or a U.S. Resident that is not a QIB/QP (or, solely in the case of the Class B Notes, Class C Notes and the Class D Notes issued in the form of Certificated Class B Notes, Certificated Class C Notes or Certificated Class D Notes, as applicable, both a Qualified Purchaser and an “accredited investor”) at the time it acquires a Note or a beneficial interest therein shall become the beneficial holder of any Note (any such person, a “Non-Permitted Holder”), the Issuer shall, promptly after discovery that such Person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (and notice by the Trustee or the Co-Issuer to the Issuer, if either of them makes the discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest to a Person that is not a Non-Permitted Holder within 30 days of the date of such notice. If such Non-Permitted Holder fails to transfer its Notes or interest therein, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer

may choose. The Issuer, or the Trustee acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such Notes to the highest such bidder. However, the Issuer or the Trustee may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and neither the Issuer nor the Trustee shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

If the Co-Issuers fail to pay such amounts forthwith upon such demand, the Trustee, in its own name and as Trustee of an express trust, may after written notice to the Holders of the Notes and shall upon the written direction of a Supermajority of the Controlling

Class institute a Proceeding for the collection of the sums so due and unpaid, and may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Co-Issuers and collect the monies adjudged or decreed to be payable in the manner provided by law out of the Collateral.

If an Event of Default occurs and is continuing, the Trustee may in its discretion after written notice to the Holders of the Notes and shall upon the written direction of a Supermajority of the Controlling Class (subject to Section 6.3(e)) proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings, in its own name as Trustee of an express trust, as the Trustee shall deem most effectual (if no direction by the Supermajority of the Controlling Class is received by the Trustee) or as the Trustee may be directed in writing by a Supermajority of the Controlling Class to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer under the Bankruptcy Code, the bankruptcy or insolvency laws of the Cayman Islands or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer or the Co-Issuer, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of each of the Notes and to file such other papers or documents and take such other action (including sitting on a committee of creditors) as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee) and the Holders of Notes allowed in any Proceedings relative to the Issuer or the Co-Issuer or to the creditors or property of the Issuer or the Co-Issuer;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of the Notes in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or a Person performing similar functions in comparable Proceedings; and

(c) to collect and receive any monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders of Notes and of the Trustee on their behalf; and any trustee, receiver or liquidator,

custodian or other similar official is hereby authorized by each of the Holders of Notes to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders of Notes, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of its negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

In any Proceedings brought by the Trustee on behalf of the Holders of Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of Notes.

Section 5.4 Remedies. (a) If an Event of Default shall have occurred and be continuing, and the Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Trustee may (and shall, upon written direction by a Supermajority of the Controlling Class, subject to Section 6.3(e)), to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Collateral monies adjudged due;

(ii) sell all or a portion of the Collateral or rights of interest therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Collateral;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Secured Parties hereunder; and

(v) to the extent not inconsistent with clauses (i) through (iv), exercise any other rights and remedies that may be available at law or in equity;

provided, however, that the Trustee may not sell or liquidate the Collateral or institute Proceedings in furtherance thereof pursuant to this Section 5.4 unless either of the conditions

specified in Section 5.5(a) is met or the preservation of the Collateral by the Trustee is prohibited by applicable law.

The Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking firm of national reputation as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the Proceeds and other amounts receivable with respect to the Collateral to make the required payments of principal and interest on any Class of Notes, which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(f) hereof shall have occurred and be continuing the Trustee may, and, at the written direction of not less than a Supermajority of the Controlling Class shall (subject to Section 6.3(e)), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under Section 5.1(f), and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial proceedings, any Secured Party may bid for and purchase the Collateral or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such sale may, in paying the purchase money, turn in any of the Notes in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Notes so turned in by such Holder (taking into account the Class of such Notes, the Priority of Payments and Article XIII). Said Notes, in case the amounts so payable thereon shall be less than the amount due thereon, shall be returned to the Holders thereof after proper notation has been made thereon to show partial payment.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial proceedings, the receipt of the Trustee, or of the officer making a sale under judicial proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall bind the Co-Issuers, the Trustee and the Secured Parties, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, the Trustee, in its own capacity, or on behalf of any Holder of Notes, may not, prior to the date which is one year and one day (or, if longer, the applicable preference period) after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer or the Co-Issuer any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or

other proceedings under federal or state bankruptcy or similar laws. Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (i) from taking any action prior to the expiration of the aforementioned one year and one day (or longer) period in (A) any case or proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against the Issuer or the Co-Issuer or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

Section 5.5 Optional Preservation of Collateral. (a) If an Event of Default shall have occurred and be continuing and an acceleration has been declared, the Trustee shall retain the Collateral intact, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts hereunder and release funds and make deposits thereto in accordance with the provisions of Article X, Article XI and Article XIII unless:

(i) the Trustee determines in accordance with paragraph (c) below that the anticipated net proceeds of a sale or liquidation of the Collateral (after deducting the expenses of such sale or liquidation including reasonable expenses of the Trustee incurred in connection therewith) would be sufficient to pay in full the sum of (A) the principal and accrued interest (including any Defaulted Interest and Deferred Interest) with respect to all the Outstanding Notes and all Administrative Expenses; and (B) Cash Settlement Amounts, if any, and other amounts owed to the Credit Swap Counterparty (including, without limitation, any termination payment that is owed or will be owed to the Credit Swap Counterparty upon a termination of the Credit Swap Agreement); and a Supermajority of the Controlling Class, agree with such determination; or

(ii) (x) a Supermajority of the Aggregate Outstanding Amount of each Class of Notes voting as separate Classes or (y) in the case of an Event of Default described in clause (a) or clause (b) in Section 5.1 a Supermajority of the Controlling Class (and, in each case, the Credit Swap Counterparty, unless the Credit Swap Counterparty will be paid in full the amounts due and unpaid to the Credit Swap Counterparty (including, without limitation, any termination payment that is owed or will be owed to the Credit Swap Counterparty upon a termination of the Credit Swap Agreement)) direct the Trustee to sell the Collateral subject to the terms and conditions set forth below.

The Trustee shall give written notice of its determination not to retain the Collateral to the Issuer with a copy to the Co-Issuer. So long as such Event of Default is continuing, any such determination may be made at any time when the conditions specified in clause (i) or (ii) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Collateral if the conditions set forth in Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Collateral if prohibited by applicable law or if the Trustee is directed to liquidate the Collateral pursuant to Section 5.5(a)(ii).

(c) In determining whether the condition specified in Section 5.5(a)(i) is satisfied, the Trustee will request a quotation from the Credit Swap Counterparty for the price to be paid by or to the Issuer upon termination of the Credit Swap Agreement and may solicit quotations from potential transferees of the Credit Swap Agreement. Any amount to be paid by the Issuer will be expressed as a negative number and any amount to be paid to the Issuer will be expressed as a positive number. The Credit Swap Agreement may only be transferred with the consent of the Credit Swap Counterparty.

(d) The Trustee shall promptly deliver to the Holders of the Notes a report stating the results of any determination required pursuant to Section 5.5(a)(i). The Trustee shall make the determinations required by Section 5.5(a)(i) within 30 days after an Event of Default and at the written request of a Supermajority of the Controlling Class and the Credit Swap Counterparty at any time during which the Trustee retains the Collateral pursuant to Section 5.5(a)(i) provided, however, that if any such request is made more frequently than once per fiscal quarter, the requesting party shall be responsible for payment of any associated expenses incurred by the Trustee. In the case of each calculation made by the Trustee pursuant to Section 5.5(a)(i), the Trustee shall obtain a letter of an Independent certified public accountant of national reputation confirming the mathematical accuracy of the computations of the Trustee. In determining whether the Holders of the requisite Aggregate Outstanding Amount of any Class of Notes have given any direction or notice pursuant to Section 5.5(a), a Holder of any Class A Notes that is also a Holder of any Class B Notes, Class C Notes or Class D Notes, or any Affiliate of any such Holder of Class B Notes, Class C Notes or Class D Notes shall be counted as a Holder of each of such Classes of Notes for all purposes.

(e) Collateral may not be sold or liquidated pursuant to Section 5.5(a)(i) after the last date on which such sale or liquidation is permitted under Section 5.5(a)(i) with respect to a determination made pursuant thereto (such last permitted date being determined based upon the anticipated proceeds of such sale or liquidation, as described in Section 5.5(a)(i)), unless a new determination is made in accordance with such Section 5.5(a)(i) and the Collateral are sold or liquidated prior to the last sale date permitted in accordance with such new determination.

Section 5.6 Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any Proceeding relating thereto, and any such Proceeding instituted by the Trustee shall be brought in its own name as Trustee of an express trust, and any recovery of judgment, subject to the payment of the reasonable expenses, disbursements in compensation of the Trustee, each predecessor Trustee and its agents and attorneys in counsel, shall be applied as set forth in Section 5.7 hereof.

Section 5.7 Application of Money Collected. The application of any money collected by the Trustee pursuant to this Article V and any money that may then be held or thereafter received by the Trustee hereunder shall be applied subject to, and in accordance with, Section 11.1, Section 11.2 and Section 13.1.

Section 5.8 Limitation on Suits. No Holder of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or Trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given written notice to the Trustee of a continuing Event of Default;

(b) except as otherwise provided in Section 5.9, the Holders of at least 25% of the Aggregate Outstanding Amount of any Class of Notes have made a written request upon the Trustee to institute such proceedings in its own name as Trustee and have offered the Trustee indemnity reasonably satisfactory to it;

(c) such Holder or Holders have offered to the Trustee indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;

(d) the Trustee for 30 days after its receipt of such notice, request and offer of indemnity has failed to institute any such Proceeding; and

(e) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Supermajority of the Controlling Class;

it being understood and intended that no one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class, or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class. In addition, any action taken by any one or more Holders of Notes shall be subject to the restrictions of Sections 2.7(h) and 5.4(d).

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity pursuant to this Section from two or more groups of Holders of the Controlling Class, each representing less than a Supermajority or Majority, as applicable, the Trustee shall take the action requested by the Holders of the largest percentage of the Controlling Class, subject to Article VI hereof.

Section 5.9 Unconditional Rights of Noteholders to Receive Principal and Interest. (a) Notwithstanding any other provision in this Indenture (other than Section 2.7(h) or Section 5.4(d)), the Holders of any Class A Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest and Class A Commitment Fee on such Class A Note, as such principal and interest and commitment fee becomes due and payable in accordance with the Priority of Payments or Section 13.1 and, subject to the provisions of Section 5.8, to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

(b) Notwithstanding any other provision in this Indenture (other than Section 2.7(h) or Section 5.4(d)), the Holder of any Class B Note, Class C Note and Class D Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Class B Note, Class C Note and Class D Note, as the case may be, as such principal and interest become due and payable in accordance with Section 13.1 and the Priority of Payments. Holders of Class B Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Class A Note remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder. Holders of Class C Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Class A Note or Class B Note remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder. Holders of Class D Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Class A Note Class B Note or Class C Note remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Holder of Notes has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder of Notes, then and in every such case the Co-Issuers, the Trustee and the Holder of Notes shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holder of Notes shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to any Holder of Notes is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing by law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of Notes.

Section 5.13 Control by Holders of Notes. A Supermajority of (x) each of the Class A Notes, the Class B Notes, the Class C Notes and the Class D Notes, voting as separate Classes or (y) in the case of an Event of Default described in subclause 5.1(a) or (b) above, the Controlling Class will have the right to direct the Trustee in the conduct of any proceedings for any remedy available to the Trustee; provided, that:

(a) such direction shall not be in conflict with any rule of law or with this Indenture;

(b) the Trustee may take any other action deemed proper by it that is not inconsistent with such direction; provided, however, that, subject to Section 6.1, it need not take any action that it determines might involve it in liability;

(c) the Trustee shall have been provided with indemnity satisfactory to it; and

(d) any direction to the Trustee to undertake a sale of the Collateral shall be by the Holders of Notes secured thereby representing the percentage of the Aggregate Outstanding Amount of such Notes specified in Section 5.4 or 5.5, as applicable.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the money due has been obtained by the Trustee as provided in this Article V, a Supermajority of the Controlling Class may on behalf of the Holders of all the Notes waive any past Default and its consequences, except a Default:

(a) constituting a Payment Default (except any such default consisting of non-payment of amounts that have become due and payable solely by virtue of an acceleration that has been rescinded or defaults that have subsequently been remedied by the payment of principal and/or interest); or

(b) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the consent of the Holder of each Outstanding Note materially adversely affected thereby; or

(c) an Event of Default specified in Section 5.1(g) or 5.1(h).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give notice of any such waiver to the Credit Swap Counterparty and to each of the Rating Agencies.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Notes by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees,

against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder of Notes, or group of Holders of Notes, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder of Notes for the enforcement of the payment of the principal of or interest on any Class A Notes (or after the Class A Notes have been paid in full, any Class B Note) (or after the Class B Notes have been paid in full, any Class C Note) (or after the Class C Notes have been paid in full, any Class D Note) on or after the Stated Maturity expressed in such Note (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.17 Sale of Collateral. (a) The power to effect any sale of any portion of the Collateral pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more sales as to any portion of such Collateral remaining unsold, but shall continue unimpaired (subject to Section 5.5(e) in the case of sales pursuant to Section 5.5) until the entire Collateral shall have been sold or all amounts secured by the Collateral shall have been paid. The Trustee may upon notice to the Noteholders, and shall, upon direction of a Supermajority of the Controlling Class, from time to time postpone any sale by public announcement made at the time and place of such sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any sale; provided, that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such sale from the proceeds thereof notwithstanding the provisions of Section 6.7 hereof.

(b) The Trustee may bid for and acquire any portion of the Collateral in connection with a public sale thereof. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Collateral consists of Unregistered Securities, the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Supermajority of the Controlling Class, seek a no-action position from the SEC or any other relevant federal or state regulatory authorities, regarding the legality of a public or private sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Collateral in connection with a sale

thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney-in-fact of the Issuer to transfer and convey its interest in any portion of the Collateral in connection with a sale thereof, and to take all action necessary to effect such sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority to inquire into the satisfaction of any conditions precedent or see to the application of any monies.

Section 5.18 Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders of the Notes shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Collateral or upon any of the assets of the Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default known to the Trustee:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture (including those set forth in Exhibit N to this Indenture), and no implied covenants or obligations shall be read into this Indenture (or Exhibit N to this Indenture) against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, further, that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within fifteen (15) days after such notice from the Trustee, the Trustee shall so notify the Holders of Notes and the Shares Paying Agent.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Supermajority of the Controlling Class (or, as permitted under this Indenture, by the Issuer, including, without limitation, pursuant to Sections 7.9 and 10.9 hereof), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Co-Issuers or the Credit Swap Counterparty and/or a Majority (or such larger percentage as may be required by the terms hereof) of the Controlling Class or any other required Classes relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability or expenses in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk, liability or expenses is not reasonably assured to it unless such risk, liability or expenses relates to its ordinary services, including giving notices under Article V, under this Indenture.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Event of Default described in Section 5.1(d) through 5.1(i), or any Default described in Sections 5.1(e) through 5.1(i) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Collateral or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1 and Section 6.3.

Section 6.2 Notice of Default. Promptly (and in no event later than two Business Days) after the occurrence of any Default known to the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall transmit by mail to each of the Rating Agencies, for so long as any Notes are Outstanding, to the Credit Swap Counterparty, to the Shares Paying Agent and to all Holders of Notes, as their

names and addresses appear on the Note Register and, upon written request therefor in the form of Exhibit J attached hereto certifying that it is a holder of a beneficial interest in any Global Note, to such holder (or its designee), notice of all Defaults hereunder actually known to a Trust Officer of the Trustee, unless such Default shall have been cured or waived, in which case notice that a Default has occurred and that it has been cured or waived shall be promptly provided to the Credit Swap Counterparty and each Rating Agency. Notwithstanding the foregoing, the Trustee may withhold from Holders notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium, if any, or interest) if the Trustee determines that withholding notice is in the interest of the Holders.

Section 6.3 Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, including the Payment Date Report, reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate or (ii) be required to determine the value of any Collateral or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants, investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Noteholders pursuant to this Indenture, unless such Noteholders shall have offered to the Trustee security or indemnity satisfactory to it against all costs, expenses and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or documents, but the Trustee, in its

discretion, may and, upon the written direction of a Majority of the Controlling Class and the Credit Swap Counterparty, shall make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed and on reasonable prior notice to the Co-Issuers, to examine the books and records relating to the Notes and the Collateral and the premises of the Co-Issuers personally or by agent or attorney during the Co-Issuers' normal business hours; provided, that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory or administrative authority and (ii) to the extent that the Trustee, in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder; provided, further, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys, provided, that the Trustee shall not be responsible for any misconduct or negligence on the part of any agent appointed or attorney appointed, with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably and, after the occurrence and during the continuance of an Event of Default subject to Section 6.1(b) hereof, prudently believes to be authorized or within its rights or powers hereunder;

(i) the permissive rights of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty;

(j) the Trustee shall not be responsible for the accuracy of the books and records of, or for any acts or omissions of, the Depositary, any Transfer Agent (other than the Bank acting in that capacity), Securities Intermediary (other than the Bank acting in such capacity), Clearstream, Euroclear, any Calculation Agent (other than the Trustee itself acting in that capacity) or any Paying Agent (other than the Bank acting in that capacity);

(k) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, whether it or such Affiliate is acting as a subagent of the Trustee or for any third Person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder; and

(l) in the event that the Bank is also acting in the capacity of Paying Agent, Transfer Agent, Custodian, Calculation Agent or Securities Intermediary hereunder, the rights, protections, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities.

Section 6.4 Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon with respect to the Trustee, shall be taken as the statements of the Issuer and the Co-Issuer, as applicable, and the Trustee assumes no responsibility for their correctness. The Trustee makes

no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), of the Collateral or of the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers or the Proceeds thereof or any money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Notes. The Trustee, any Paying Agent, any Note Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers or any of their Affiliates, with the same rights it would have if it were not Trustee, Paying Agent, any Note Registrar or such other agent.

In order to comply with its duties under, and to the extent required by, the USA Patriot Act of 2001, the Trustee shall obtain and verify certain information and documentation from the other parties to this Indenture including, but not limited to, each such party's name, address and other identifying information.

Section 6.6 Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed upon with the Issuer and except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Trustee in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees (in accordance with the Priority of Payments hereunder):

(i) to pay the Trustee on the Closing Date reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a Trustee of an express trust) and thereafter the Trustee shall receive no further compensation for its services hereunder;

(ii) except as otherwise expressly provided herein, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture or in the enforcement of any provision hereof (including securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 5.17 or 10.10, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) and expenses related to the maintenance and administration of the Collateral;

(iii) to indemnify the Trustee and its officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense (including reasonable attorney's fees and expenses) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending themselves against any claim or

liability in connection with the exercise or performance of any of its powers or duties hereunder; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 hereof.

This subsection 6.7(a) shall survive the termination of this Indenture and the earlier removal or resignation of the Trustee.

(b) The Issuer may remit payment for such fees and expenses to the Trustee or, in the absence thereof, the Trustee may from time to time deduct payment of its fees and expenses hereunder from moneys on deposit in the Payment Account for the Notes pursuant to Section 11.1.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy against the Issuer for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year and one day (or, if longer, the applicable preference period) after the payment in full of all of the Notes issued under this Indenture.

(d) The amounts payable to the Trustee on any Payment Date pursuant to Section 6.7(a) (if any) or which may be deducted by the Trustee pursuant to Section 6.7(b) shall only be made in accordance with the Priority of Payments. For the avoidance of doubt, any amount payable to the Trustee pursuant to Section 6.7(a) and not paid on any Payment Date pursuant to this paragraph shall remain outstanding and shall be payable on the next Payment Date (subject to the limitations of this paragraph).

The fees payable to the Trustee shall be computed on the basis of the actual number of days elapsed in the applicable calculation period divided by 360, and fees applicable to periods shorter or longer than a calendar quarterly period shall be prorated based on the number of days within such period. The Trustee shall apply amounts pursuant to Section 5.7 and Section 11.1(a)(A) or (B) only to the extent that the payment thereof will not result in an Event of Default and the failure to pay such amounts to the Trustee will not, by itself, constitute an Event of Default. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder and hereby agrees not to cause the filing of a petition in bankruptcy against the Co-Issuers for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year and one day (or, if longer, the applicable preference period) after the payment in full of all Notes issued under this Indenture. No direction by a Majority of the Controlling Class shall affect the right of the Trustee to collect amounts owed to it under this Indenture.

If, on any date when a fee shall be payable to the Trustee pursuant to this Indenture, insufficient funds are available for the payment thereof, any portion of a fee not so paid shall be deferred and payable, together with compensatory interest thereon (at a rate not to exceed the federal funds rate), on such later date on which a fee shall be payable and sufficient funds are available therefor.

(e) The Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7 of this Indenture.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be a corporation, banking association or trust company organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$200,000,000 and a rating assigned by Moody's of at least "Baa1" (and, if rated "Baa1", not on credit watch for downgrade) and a rating assigned by S&P of at least "BBB" and having an office within the United States. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10. The indemnification in favor of the Trustee in Section 6.7 hereof shall survive any resignation or removal (to the extent of any indemnified liabilities, costs, expenses and other amounts arising or incurred prior to, or arising out of actions or omissions occurring prior to, such resignation or removal).

(b) The Trustee may resign at any time by giving 30 days' prior written notice thereof to the Co-Issuers, the Noteholders, the Shares Paying Agent, the Credit Swap Counterparty and each of the Rating Agencies.

(c) The Trustee may be removed at any time by Act of a Majority of the Notes voting together as a single class, or may be removed at any time when an Event of Default shall have occurred and be continuing, by Act of a Majority of the Controlling Class, delivered to the Trustee, the Credit Swap Counterparty and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by any Holder; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be

appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of himself or herself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) Upon (i) receiving any notice of resignation of the Trustee, (ii) any determination that the Trustee be removed, or (iii) any vacancy in the position of Trustee, then the Co-Issuers shall promptly appoint a successor Trustee or Trustees by written instrument, in duplicate, executed by an Authorized Officer of the Issuer or Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees and the Credit Swap Counterparty, provided, that such successor Trustee shall be appointed only upon the prior written consent of a Majority of the Controlling Class and Credit Swap Counterparty. If the Co-Issuers shall fail to appoint a successor Trustee within 30 days after such notice of resignation, determination of removal or the occurrence of a vacancy, a successor Trustee may be appointed by Act of a Majority of the Controlling Class and upon receipt of the Credit Swap Counterparty's consent. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 60 days after the giving of such notice of resignation, determination of removal or the occurrence of a vacancy, then the Trustee to be replaced, or any Noteholder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee. Notwithstanding the foregoing, at any time that an Event of Default shall have occurred and be continuing, a Majority of the Controlling Class shall have, in lieu of the Co-Issuers, the Co-Issuers' rights to appoint a successor Trustee, such rights to be exercised by notice delivered to the Issuer and the retiring Trustee. Any successor Trustee shall, forthwith upon its acceptance of such appointment in accordance with Section 6.10, become the successor Trustee and supersede any retiring Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first-class mail, postage prepaid, to each of the Rating Agencies, the Shares Paying Agent, the Credit Swap Counterparty and the Noteholders as their names and addresses appear in the Note Register. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail any such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

Section 6.10 Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers, the Credit Swap Counterparty or a Majority of the Controlling Class or the successor

Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder, subject nevertheless to its lien, if any, provided for in Section 6.7(d). Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee (which for purposes of this Section 6.11 shall be deemed to be the Trustee) shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12 Co Trustees and Separate Trustee. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Collateral may at the time be located, the Co-Issuers and the Trustee (which for purposes of this Section 6.12 shall be deemed to be the Trustee) shall have power to appoint a co-Trustee, with the power to file such proofs of claim and take such other actions pursuant to Section 5.4 and to make such claims and enforce such rights of action on behalf of the Holders of the Notes as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12. In addition, (a) a Majority of the Class A Notes shall have the power upon notice to the Trustee, S&P and the Issuer signed by them to appoint, one or more Persons to act as co-Trustee (herein, in the case of an appointment under clause (a), a “Class A Trustee”) jointly with the Trustee of all or any part of the Collateral, with the power to file such proofs of claim and take such other actions pursuant to Section 5.4 herein and to make such claims and enforce such rights of action on behalf of the Holders of the Notes as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12; provided, however, that in cases of appointment of a Class A Trustee, the Trustee (referred to herein as the “Controlling Class Trustee” in such case) shall have possession of the Collateral in accordance with this Indenture; (b) in cases of conflicts between the Class A Notes on the one hand and the Class B Notes on the other hand, as determined by a Majority of the Class B Notes, a Majority of the Class B Notes shall have the power upon notice to the Trustee, S&P and the Issuer signed by them to appoint, one or more Persons to act as co-Trustee (herein, in the case of an appointment under clause (b), a “Class B Trustee”) jointly with the Trustee of all or any part of the Collateral, with the power to file such proofs of claim and take such other actions pursuant to Section 5.4 herein and to make such claims and enforce such rights of action on behalf of the Holders of the Notes as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12;

provided, however, that in cases of appointment of a Class B Trustee, the Trustee (referred to herein as the “Controlling Class Trustee” in such case) shall have possession of the Collateral in accordance with this Indenture; or (c) in cases of conflicts between the Class A Notes and Class B Notes on the one hand and the Class C Notes on the other hand, as determined by a Majority of the Class C Notes, a Majority of the Class C Notes shall have the power upon notice to the Trustee, S&P and the Issuer signed by them to appoint, one or more Persons to act as co-Trustee (herein, in the case of an appointment under clause (c), a “Class C Trustee”), jointly with the Trustee of all or any part of the Collateral, with the power to file such proofs of claim and take such other actions pursuant to Section 5.4 herein and to make such claims and enforce such rights of action on behalf of the Holders of the Notes as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12; provided, however, that in cases of appointment of a Class C Trustee, the Trustee (referred to herein as the “Controlling Class Trustee” in such case) shall have possession of the Collateral in accordance with this Indenture; or (d) in cases of conflicts between the Class A Notes, Class B Notes and Class C Notes on the one hand and the Class D Notes on the other hand, as determined by a Majority of the Class D Notes, a Majority of the Class D Notes shall have the power upon notice to the Trustee, S&P and the Issuer signed by them to appoint, one or more Persons to act as co-Trustee (herein, in the case of an appointment under clause (d), a “Class D Trustee”), jointly with the Trustee of all or any part of the Collateral, with the power to file such proofs of claim and take such other actions pursuant to Section 5.4 herein and to make such claims and enforce such rights of action on behalf of the Holders of the Notes as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12; provided, however, that in cases of appointment of a Class D Trustee, the Trustee (referred to herein as the “Controlling Class Trustee” in such case) shall have possession of the Collateral in accordance with this Indenture.

The Co-Issuers shall (to the maximum extent permitted by law) join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-Trustee, Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee, as the case may be. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee or, in case an Event of Default has occurred and is continuing and a Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee is to be appointed, a Majority of the Holders of the Class A Notes, the Class B Notes, the Class C Notes or the Class D Notes, as applicable, shall have power to make such appointment. The Trustee shall provide S&P with notice of any such appointment.

Should any written instrument from the Co-Issuers be required by any co-Trustee or Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee so appointed for more fully confirming to such co-Trustee or Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay (but only from and to the extent of the Collateral, after payment in full of the amounts payable pursuant to clauses (i) through (xvi) of Section 11.1(a)(A)) for any reasonable fees and expenses in connection with such appointment.

Every co-Trustee or Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(i) the Notes shall be authenticated and delivered by, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by, the Trustee (or the Controlling Class Trustee, as the case may be);

(ii) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-Trustee or Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee shall be conferred or imposed upon and exercised or performed (A) by the Trustee or by the Trustee and such co-Trustee jointly in the case of the appointment of a co-Trustee and (B) by the Controlling Class Trustee in the case of the appointment of a Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee as shall be provided in the instrument appointing such co-Trustee or Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee, except to the extent that under any law of any jurisdiction in which any particular act is to be performed, the Controlling Class Trustee shall be incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations shall be exercised and performed by a co-Trustee;

(iii) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-Trustee (except a Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee) appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-Trustee (except a Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee) without the concurrence of the Co-Issuers. In the case of a Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee, a Majority of the Class A Notes, Class B Notes, Class C Notes or Class D Notes, respectively, shall have power to accept the resignation of or remove any such Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee. Upon the written request of a Majority of the Class A Notes, the Class B Notes, the Class C Notes or the Class D Notes, the Co-Issuers and the Trustee shall join with a Majority of such Notes in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-Trustee, Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee so resigned or removed may be appointed in the manner provided in this Section 6.12. On the date on which the Class A Notes have been paid in full, any Class A Trustee that has been appointed and is then serving pursuant to this Section 6.12 shall resign and the Trustee shall have the power to accept the resignation of, or to remove, such Class A Trustee, effective immediately, without the concurrence of the Co-Issuers or the Holders of the Class A Notes. On the date on which the Class B Notes have been paid in full, any Class B Trustee that has been appointed and is then serving pursuant to this Section 6.12 shall resign and the Trustee shall have the power to

accept the resignation of, or to remove, such Class B Trustee, effective immediately, without the concurrence of the Co-Issuers or the Holders of the Class B Notes. On the date on which the Class C Notes have been paid in full, any Class C Trustee that has been appointed and is then serving pursuant to this Section 6.12 shall resign and the Trustee shall have the power to accept the resignation of, or to remove, such Class C Trustee, effective immediately, without the concurrence of the Co-Issuers or the Holders of the Class C Notes. On the date on which the Class D Notes have been paid in full, any Class D Trustee that has been appointed and is then serving pursuant to this Section 6.12 shall resign and the Trustee shall have the power to accept the resignation of, or to remove, such Class D Trustee, effective immediately, without the concurrence of the Co-Issuers or the Holders of the Class D Notes;

(iv) no co-Trustee or Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee hereunder shall be personally liable by reason of any act or omission of the Trustee or any Controlling Class Trustee hereunder;

(v) the Trustee or the Controlling Class Trustee, as the case may be, shall not be liable by reason of any act or omission of a co-Trustee or Class A Trustee, Class B Trustee, Class C Trustee or Class D Trustee; and

(vi) except in the case of conflicts between Classes, any Act of Noteholders delivered to the Trustee shall be deemed to have been delivered to each co-Trustee and Class A Trustee, Class B Trustee, Class C Trustee and Class D Trustee. In the case of conflicts between Classes, any Act of Noteholders delivered to the Controlling Class Trustee shall be effective upon such delivery in accordance with this Indenture. The Controlling Class Trustee shall mail a copy thereof to any Class A Trustee, Class B Trustee, Class C Trustee and Class D Trustee appointed pursuant to this Section 6.12.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds.
In the event that in any month the Trustee shall not have received a payment with respect to any Pledged Underlying Asset on its Due Date, (a) the Trustee shall promptly notify the Issuer in writing and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if longer) after such notice such payment shall have been received by the Trustee, or the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(d)), shall have made provision for such payment reasonably satisfactory to the Trustee in accordance with Section 10.2(d), the Trustee shall request the issuer of such Pledged Underlying Asset, the trustee under the related Reference Instrument or paying agent designated by either of them, as the case may be, to make such payment as soon as practicable after such request but in no event later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Issuer shall reasonably direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In no event shall the Trustee be required to advance its own funds. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Underlying Asset received after the Due Date thereof to the extent

the Issuer previously made provisions for such payment reasonably satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Collateral.

Section 6.14 Representations and Warranties of the Trustee. The Trustee represents and warrants that: (a) the Trustee is a national banking association with trust powers, duly and validly existing under the laws of the United States of America, with corporate power and authority to execute, deliver and perform its obligations under this Indenture, and is duly eligible and qualified to act as Trustee under this Indenture; (b) this Indenture has been duly authorized, executed and delivered by the Trustee and constitutes the valid and binding obligation of the Trustee, enforceable against it in accordance with its terms except (i) as limited by bankruptcy, fraudulent conveyance, fraudulent transfer, insolvency, reorganization, liquidation, receivership, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and by general equitable principles, regardless of whether considered in a proceeding in equity or at law, and (ii) that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought; and (c) neither the execution or delivery by the Trustee of this Indenture nor performance by the Trustee of its obligations under this Indenture requires the consent or approval of, the giving notice to or the registration or filing with, any governmental authority or agency under any existing law of the State of New York governing the banking or trust powers of the Trustee; (d) there is no charge, investigation, action, suit or proceeding before or by any court pending or, to the best knowledge of the Trustee, threatened that, if determined adversely to the Trustee, would have a material adverse effect upon the performance by the Trustee of its duties under, or on the validity or enforceability of, this Indenture; and (e) the Trustee is not in breach or violation of or in default under any contract or agreement to which it is a party or by which it or any may be bound, or any applicable statute or any rule, regulation or order of any court, government agency or body having jurisdiction over the Trustee, the breach or violation of which or default under which would have a material adverse effect on the validity or enforceability of this Indenture or the performance by the Trustee of its duties hereunder.

Section 6.15 Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuances, transfers and exchanges under Sections 2.4, 2.5 and 2.6, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by those Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.15 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any paper or any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Co-Issuers. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers if the resigning or terminated Authenticating Agent was originally appointed at the request of the Issuer or Co-Issuer.

The Trustee agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense, subject to and in accordance with Section 11.1. The provisions of Sections 2.9, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.16 Fiduciary for Holders of Notes Only, Agent for other Secured Parties. With respect to the security interests created hereunder, the pledge of any item of Collateral to the Trustee is to the Trustee as representative of the Noteholders and agent for the other Secured Parties; in furtherance of the foregoing, the possession by the Trustee of any item of Collateral or other assets of the Issuer, the endorsement to or registration of any item of Collateral or other assets of the Issuer and the control by the Trustee (including control over Financial Assets held in the Issuer Accounts) are all undertaken by the Trustee in its capacity as representative of such Holders and agent for the other Secured Parties, and the Trustee shall have no fiduciary duty to the other Secured Parties; provided, that the foregoing shall not limit any of the express obligations of the Trustee under this Indenture.

Section 6.17 Withholding. If any amount is required to be deducted or withheld from any payment to any Noteholder, such amount shall reduce the amount otherwise distributable to such Noteholder. The Trustee is hereby authorized to withhold or deduct from amounts otherwise distributable to any Noteholder sufficient funds for the payment of any tax that is legally required to be withheld or deducted (but such authorization shall not prevent the Trustee from contesting any such tax in appropriate proceedings and legally withholding payment of such tax, pending the outcome of such proceedings). The amount of any withholding tax imposed with respect to any Noteholder shall be treated as Cash distributed to such Noteholder at the time it is deducted or withheld by the Issuer or the Trustee, as applicable, and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution, the Trustee may in its sole discretion withhold such amounts in accordance with this Section 6.17. If any Noteholder wishes to apply for a refund of any such withholding tax, the Trustee shall reasonably cooperate with such Noteholder in making such claim so long as such Noteholder agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Principal and Interest. The Co-Issuers (or in the case of Class D Notes only, the Issuer) will duly and punctually pay the principal of and interest on such Notes in accordance with the terms thereof and this Indenture.

Section 7.2 Compliance With Laws. The Co-Issuers will comply in all material respects with applicable laws, rules, regulations, writs, judgments, injunctions, decrees, awards and orders with respect to them, their business and their properties.

Section 7.3 Maintenance of Books and Records. The Co-Issuers shall maintain and implement administrative and operating procedures reasonably necessary in the performance of their obligations hereunder and the Issuer shall keep and maintain at all times, or cause to be kept and maintained at all times in its registered office in the Cayman Islands, all documents, books, records, accounts and other information as are required under the laws of the Cayman Islands.

Section 7.4 Maintenance of Office or Agency. The Co-Issuers hereby appoint the Trustee as a Paying Agent for the payment of principal and interest on the Notes and the Co-Issuers hereby appoint U.S. Bank National Association, Corporate Trust Services, One Federal Street, Boston, MA 02110, Attention: Airlie CDO I, Ltd., as the Co-Issuer's Agent where notices and demands to or upon the Co-Issuers in respect of the Notes or this Indenture may be delivered. Notes may be surrendered for registration of transfer or exchange.

The Issuer may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; provided, however, that the Issuer will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served and subject to any laws or regulations applicable thereto; provided, further, that no Paying Agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax; provided, further, that so long as any Notes are listed on the Irish Stock Exchange and such stock exchange shall so require, the Co-Issuers shall maintain a Paying Agent in Ireland. In the event that the Irish Paying Agent is replaced at any time during such period, notice of the appointment of any replacement will be given to the Company Announcements Office of the Irish Stock Exchange. The Co-Issuers shall at all times maintain a Note Register. The Co-Issuers shall give prompt written notice to the Trustee, each of the Rating Agencies and the Noteholders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Co-Issuers shall fail to maintain any such required office or agency in the Borough of Manhattan, The City of New York, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at and notices and demands may be served on the Co-Issuers, and Notes may be presented and surrendered for payment to the appropriate Paying

Agent at its designated office and the Co-Issuers hereby appoint the same as their agent to receive such respective presentations, surrenders, notices and demands.

Section 7.5 Money for Note Payments to be Held in Trust. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Co-Issuers.

When the Co-Issuers shall have a Paying Agent that is not also the Note Registrar, they shall furnish, or cause the Note Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Co-Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date or Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Co-Issuers shall promptly notify the Trustee of its action or failure so to act. Any moneys deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agents shall be as set forth in Section 7.4. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; provided, however, that such additional or successor Paying Agent must either (i) have a rating of at least "Aa2" or its equivalent by Moody's and at least "AA" by S&P, (ii) agree not to hold any funds pursuant to this Indenture overnight, or (iii) be an entity the appointment of which as Paying Agent will not, at that time, result in a downgrade, withdrawal or qualification of the ratings on the Notes. The Co-Issuers shall not appoint any Paying Agent (other than an initial Paying Agent) that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee (and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.5, that such Paying Agent will:

(A) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and Redemption Date among such Holders in the proportion specified in the applicable report or statement in accordance herewith, in each case to the extent permitted by applicable law;

(B) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(C) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment; and

(D) if such Paying Agent is not the Trustee, at any time during the continuance of any Event of Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with a Paying Agent and not previously returned that remains unclaimed for twenty Business Days shall be returned to the Trustee. Except as otherwise required by applicable law, any money deposited with the Trustee or any Paying Agent in trust for the payment of the principal of or interest on any Note and remaining unclaimed for two years after such principal or interest has become due and payable shall be paid to the Co-Issuers and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer or the Co-Issuer, and all liability of the Trustee or such Paying Agent with respect to such trust money (but only to the extent of the amounts so paid to the Co-Issuers) shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Co-Issuers, any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.6 Existence of Co-Issuers. (a) Each of the Issuer and the Co-Issuer shall (to the maximum extent permitted by law) take all reasonable steps to maintain its identity as a separate legal entity from that of its stockholders. Each of the Issuer and the Co-Issuer shall keep its principal place of business at the address specified in Section 14.3. Each of the Issuer and the Co-Issuer shall keep separate books and records and will not commingle its respective

funds with those of any other Person. The Issuer and the Co-Issuer shall keep in full force and effect their rights and franchises as a company incorporated under the laws of the Cayman Islands and a corporation organized under the laws of the State of Delaware, respectively, shall comply with the provisions of their respective organizational documents, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Collateral; provided, however, that, subject to Cayman Islands law, the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer and approved by the holder of the Issuer Ordinary Shares so long as (a) the Issuer determines that such change is not disadvantageous in any material respect to the Issuer or Holders of Notes or Preference Shares, (b) written notice of such change shall have been given by the Co-Issuers to the Trustee, the Holders, the Shares Paying Agent, the Credit Swap Counterparty and each of the Rating Agencies at least 30 Business Days prior to such change of jurisdiction and (c) on or prior to the 15th Business Day following such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including holding regular board of directors' and stockholders', or other similar, meetings) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries other than the Co-Issuer, (ii) the Co-Issuer shall not have any subsidiaries and (iii) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors), (B) engage in any transaction with any shareholder (other than the issuance of the Preference Shares) that would constitute a conflict of interest (provided, that the Administration Agreement and Collateral Administration Agreement shall not be deemed to be such a transaction that would constitute a conflict of interest) or (C) pay dividends other than in accordance with the provisions of this Indenture.

Section 7.7 Protection of Collateral. (a) The Issuer shall execute and deliver from time to time all such supplements and amendments hereto and all such financing statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Secured Parties hereunder and to:

- (i) Grant more effectively all or any portion of the Collateral;
- (ii) maintain or preserve the lien (and the priority thereof) of this Indenture or to carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture;

(iv) enforce any of the Pledged Underlying Assets or other instruments or property included in the Collateral;

(v) preserve and defend title to the Collateral and the rights therein of the Trustee and the Secured Parties in the Collateral against the claims of all Persons and parties; or

(vi) pay or cause to be paid any and all taxes levied or assessed upon either Co-Issuer upon or in respect of all or any part of the Collateral and timely file all tax returns and information statements as required, and (y) if required to prevent the withholding or imposition of United States income tax, deliver or cause to be delivered a United States Internal Revenue Service Form W-8BEN or successor applicable form, to each issuer, counterparty or paying agent with respect to (as applicable) an item included in the Collateral at the time such item included in the Collateral is purchased or entered into and thereafter prior to the expiration or obsolescence of such form.

The Issuer hereby designates the Trustee as its agent and attorney-in-fact to execute any financing statement, continuation statement or other instrument required pursuant to this Section 7.7 provided that such appointment shall not impose upon the Trustee any of the obligations of the Issuer under this Section 7.7. The Trustee may, from time to time, and shall, at the written direction of the Issuer, execute, and the Issuer shall cause to be filed financing statements and continuation statements (it being understood that the Trustee shall be entitled to rely upon an Opinion of Counsel, including without limitation an Opinion of Counsel delivered in accordance with Sections 3.1(c) and 7.8, as to the need to file such financing statements and continuation statements, the dates by which such filings are required to be made and the jurisdictions in which such filings are required to be made).

(b) The Trustee shall not (i) except in accordance with Section 10.8(b), (c) or (d), as applicable, remove any portion of the Collateral that consists of Cash or is evidenced by an instrument, certificate or other writing (A) from the jurisdiction in which it was held at the date the most recent Opinion of Counsel was delivered pursuant to Section 7.8 hereof (or from the jurisdiction in which it was held as described in the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(c), if no Opinion of Counsel has yet been delivered pursuant to Section 7.8 hereof) or (B) from the possession of the Person who held it on such date or (ii) cause or permit ownership or the pledge of any portion of the Collateral that consists of book-entry securities to be recorded on the books of a Person (A) located in a different jurisdiction from the jurisdiction in which such ownership or pledge was recorded at such date or (B) other than the Person on whose books such ownership or pledge was recorded at such date, unless the Trustee shall have first received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property will continue to be maintained after giving effect to such action or actions.

Section 7.8 Opinions as to Collateral. On or before the Payment Date in December of each calendar year, commencing in December 2007, the Issuer shall furnish or cause to be delivered to the Trustee, the Credit Swap Counterparty and each of the Rating Agencies, an Opinion of Counsel stating that, in the opinion of such counsel, as of the date of

such opinion, the lien and security interest created by this Indenture with respect to the Collateral remains in effect and that no further action (other than as specified in such opinion) needs to be taken (under then current law) to ensure the continued effectiveness and perfection of such lien over the next year.

Section 7.9 Performance of Obligations. (a) If an Event of Default or a Default shall have occurred, the Co-Issuers shall not take any action, and will use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any Reference Instrument.

(b) The Co-Issuers may contract with other Persons, including the Trustee and the Collateral Administrator, for the performance of actions and obligations to be performed by the Co-Issuers hereunder by such Persons. Notwithstanding any such arrangement, the Co-Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Co-Issuers; and the Co-Issuers will punctually perform, and use their best efforts to cause such Persons to perform all of their obligations and agreements.

(c) The Co-Issuers agree to comply in all material respects with all requirements applicable to them set forth in any Opinion of Counsel obtained pursuant to any provision of this Indenture including satisfaction of any event identified in any Opinion of Counsel as a prerequisite for the obtaining or maintaining by the Trustee of a perfected security interest in any Underlying Asset, Eligible Investment or other Collateral that is of first priority, free of any adverse claim or the legal equivalent thereof, as applicable.

Section 7.10 Negative Covenants. (a) The Issuer will not:

(i) sell, transfer, assign, participate, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (by security interest, lien (statutory or otherwise), preference, priority or other security agreement or preferential arrangement of any kind or nature whatsoever or otherwise) (or permit such to occur or suffer such to exist), any part of the Collateral, except as expressly permitted by this Indenture;

(ii) claim any credit on, or make any deduction from, the principal, interest or other amounts payable in respect of the Notes (other than amounts withheld in accordance with the Code or any applicable laws of the Cayman Islands) or assert any claim against any present or future Noteholder by reason of the payment of any taxes levied or assessed upon any part of the Collateral;

(iii) incur or assume or guarantee any indebtedness or any contingent obligations, other than the Notes, this Indenture and the other agreements and transactions expressly contemplated hereby and thereby;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated,

subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes, except as may be expressly permitted hereby, (B) permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (including any preference, priority or other security agreement or preferential arrangement of any kind or nature whatsoever or otherwise, other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden the Collateral, or any part thereof, any interest therein or the Proceeds thereof except as may be expressly permitted hereby, or (C) take any action that would cause the lien of this Indenture not to constitute a valid perfected security interest in the Collateral that is of first priority, free of any adverse claim or the legal equivalent thereof, as applicable, except as may be expressly permitted hereby (or in connection with a disposition of Collateral required hereby);

(v) make or incur any capital expenditures, except as reasonably required to perform its functions in accordance with the terms of this Indenture;

(viii) maintain any bank accounts other than the Issuer Accounts and the Issuer's bank account in the Cayman Islands;

(ix) (A) change its name without first delivering to the Trustee notice thereof and an Opinion of Counsel that such name change will not adversely affect the Trustee's lien or the interest hereunder of the Secured Parties or the Trustee or (B) conduct business under an assumed name;

(x) have any subsidiaries other than the Co-Issuer and any subsidiaries necessitated by a change of jurisdiction pursuant to Section 7.6;

(xi) permit the transfer of any of its ordinary shares to a U.S. Person or a U.S. Resident;

(xiv) issue and sell additional Preference Shares;

(xv) enter into any agreements unless such agreements contain “non-petition” and “limited recourse” provisions, except that the Issuer may enter into any agreements involving the purchase and sale of the Underlying Asset having customary purchase or sale terms and documented with customary loan trading documentation not containing such provisions (provided that, for the avoidance of doubt, any synthetic securities entered into by the Issuer must contain such provisions);

(xvi) amend the “limited recourse” or “non-petition” provisions in any agreement to which the Issuer is a party without obtaining a Rating Agency Confirmation with respect to such amendment or enter into any waiver in respect of any of the foregoing agreements without providing prior written notice to each Rating Agency, the Credit Swap Counterparty and the Trustee;

(ii) (A) incur, assume or guarantee or become directly or indirectly liable with respect to any indebtedness or any contingent obligations (including swap agreements, cap agreements, reimbursement obligations, repurchase obligations or the like), other than pursuant to the Notes, this Indenture and the other agreements and transactions expressly contemplated hereby and thereby, (B) issue any additional securities or (C) issue any additional shares of stock;

Section 7.11 Statement as to Compliance. On or before five (5) Business Days after the Payment Date in March of each year beginning in March 2008, the Issuer shall deliver to the Trustee (to be forwarded to each of the Rating Agencies) an Officer's Certificate stating, as to each signer thereof, that having made reasonable inquiries of the Credit Swap Calculation Agent, to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied. Within two (2) Business Days of the Issuer obtaining actual knowledge of the occurrence of a Default under this Indenture, the Issuer shall deliver to the Managers, the Credit Swap Counterparty and the Trustee (to be forwarded to the Rating Agencies), notice of such Default.

Section 7.12 Co-Issuers May Not Consolidate. The Co-Issuers shall not consolidate or merge with or into any other Person or convey or transfer their properties and assets substantially as an entirety to any Person.

Section 7.13 [Reserved.]

Section 7.14 No Other Business. The Issuer shall not engage in any business or activity other than issuing and selling the Notes pursuant to this Indenture, issuing and selling the Preference Shares pursuant to the Issuer Charter, entering into the Shares Paying Agency Agreement, the Administration Agreement, the Class A Note Purchase Agreement, the Class B Note Subscription Agreements, the Class C Note Subscription Agreements, the Class D Note Subscription Agreement(s)(if any), the Purchase Agreement, the Placement Agreement, the Securities Account Control Agreement and the Credit Swap Agreement and acquiring, owning, holding, selling, pledging, contracting for the management of and otherwise dealing with the Underlying Asset and other Collateral in connection therewith, entering into any financing arrangement with respect to Closing Date Underlying Asset and such other activities which are

necessary, required or advisable to accomplish the foregoing, provided, however, that the Issuer shall be permitted to enter into any additional agreements other than agreements incidental to this Indenture not expressly prohibited by Section 7.10(a) and to enter into any amendment, modification, or waiver of existing agreements or such additional agreements, in each case without the consent of any one or more Classes of Holders, the Credit Swap Counterparty and Rating Agency Confirmation; provided, that the Issuer determines that such amendment, modification or waiver would not, upon or after becoming effective, materially adversely affect the rights or interests of such Class or Classes of Holders. In addition to the foregoing, the Issuer and the Credit Swap Counterparty may at any time amend, modify or waive provisions of the Credit Swap Agreement, such existing agreements and such additional agreements upon receipt of Rating Agency Confirmation from the Rating Agencies with respect to any amendments, modifications or waivers. The Co-Issuer shall not engage in any business or activity other than issuing and selling the Notes pursuant to this Indenture and such other activities which are necessary, required or advisable to accomplish the foregoing. The Issuer and the Co-Issuer will not amend their Memorandum and Articles of Association or Certificate of Incorporation, respectively, without Rating Agency Confirmation and the prior written consent of the Credit Swap Counterparty and a Supermajority of the Controlling Class, a Supermajority of the Class B Notes if such amendment would result in the rating of the Class A Notes or Class B Notes being reduced or withdrawn, a Supermajority of the Class C Notes if such amendment would result in the rating of any of the Notes being reduced or withdrawn and a Supermajority of the Class D Notes if such amendment would result in the rating of any of the Notes being reduced or withdrawn, and will not otherwise amend their Memorandum and Articles of Association or Certificate of Incorporation, respectively, without the consent of any one or more Classes of Noteholders unless (i) the Issuer determines that such amendment would not, upon or after becoming effective, materially adversely affect the rights or interests of such Class or Classes of Noteholders, (ii) the Issuer gives ten (10) days' prior written notice to the Noteholders of such amendment, and (iii) with respect to any such Class of Notes, a Majority of such Class do not provide written notice to the Issuer that, notwithstanding the determination of the Issuer, the Persons providing notice have reasonably determined that such amendment would, upon or after becoming effective, materially adversely affect such Class (the failure of any such Majority to provide such notice to the Issuer within ten (10) days of receipt of notice of such amendment from the Issuer being conclusively deemed to constitute hereunder consent to and approval of such amendment).

Section 7.15 RESERVED.

Section 7.16 Confirmation of Rating; Annual Rating Review. So long as any of the Notes remain Outstanding, on or before the Payment Date in March, in each year commencing in March 2008, the Co-Issuers shall obtain and pay for an annual review of the rating of such Notes from each of the Rating Agencies and request updates on any estimated ratings of Underlying Asset assigned pursuant to the definition of Moody's Rating and clause (e) of the definition of S&P Rating. Such estimated ratings shall not be disclosed by the Co-Issuers to any third party other than the Trustee, it being understood that the Trustee may provide such estimated ratings to the Collateral Administrator or Credit Swap Counterparty and the Issuer's accountants, in each case, in their capacity as the agent of the Issuer, subject to the Trustee

receiving the undertaking of such parties that they shall treat such estimated ratings confidentially and not distribute any such estimated ratings to any third party without the express written consent of Moody's. The Co-Issuers shall promptly notify the Credit Swap Counterparty and the Trustee in writing (which shall promptly notify the Noteholders) if at any time the rating of any of such Classes of Notes has been, or it is known by the Co-Issuers that such a rating will be, changed or withdrawn.

Section 7.17 Reporting. At any time when either of the Co-Issuers is not subject to Section 13 or 15(d) of the Exchange Act and is not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder of or a holder of a beneficial interest in, a Note, the Co-Issuers (or in the case of Class D Notes only, the Issuer) shall promptly furnish or cause to be furnished Rule 144A Information to such Holder or beneficial holder, to a prospective purchaser of such Note designated by such Holder or beneficial holder, to another designee of such Holder or beneficial holder or to the Trustee for delivery to such Holder or beneficial holder or a prospective purchaser designated by such Holder or beneficial holder or such other designee of such beneficial holder, as the case may be, in order to permit compliance by such Holder or beneficial holder with Rule 144A in connection with the resale of such Note by such Holder or beneficial holder.

Section 7.18 Calculation Agent. (a) The Co-Issuers hereby agree that for so long as any of the Notes remain Outstanding there will at all times be a calculation agent appointed to calculate LIBOR in respect of each Interest Period in accordance with the terms of Schedule C hereto (the "Calculation Agent"). The Calculation Agent appointed by the Co-Issuers must be a leading bank engaged in transactions in Eurodollar deposits in the international Eurodollar market which bank does not control, is not controlled by and is not under common control with, the Co-Issuers or any of their respective Affiliates and which bank, or Affiliate of such bank, has an established place of business in London, England. The Calculation Agent may be removed by the Co-Issuers at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Co-Issuers, or if the Calculation Agent fails to determine any of the information required to be communicated, as described in subsection (b), in respect of any Interest Period, the Co-Issuers will promptly appoint the London or Ireland office of another leading bank meeting the qualifications set forth above to act as Calculation Agent. The Calculation Agent may not resign its duties without a successor having been duly appointed. The Co-Issuers have initially appointed the Trustee as Calculation Agent for purposes of determining LIBOR for each Interest Period. For so long as any of the Notes are listed on the Irish Stock Exchange and the rules of such exchange so require, the Issuer will publish notice of the appointment, termination or change in the office of such Calculation Agent to the Company Announcements Office.

(b) The Calculation Agent shall be required to agree that, as soon as practicable after 11:00 a.m., London time, on each LIBOR Determination Date (as defined in Schedule C hereto), but in no event later than 11:00 a.m., London time, on the Business Day immediately following such LIBOR Determination Date, the Calculation Agent will calculate the interest rate applicable to each Class of Notes for the following Interest Period, and will as soon as practicable but in no event later than 11:00 a.m., London time, on the day following such LIBOR Determination Date, communicate such rates, and the amount of interest payable on the

next Payment Date in respect of each Class of Notes, with a principal amount of \$1,000 (rounded to the nearest cent, with half a cent being rounded upwards), to the Co-Issuers, the Credit Swap Counterparty, the Trustee, Euroclear, Clearstream, the Managers, DTC and each Paying Agent. For so long as any of the Notes are listed on the Irish Stock Exchange and the rules of such Exchange so require, such information will be given to the Company Announcements Office as soon as practicable, but in no event later than the fourth Business Day following such LIBOR Determination Date. In the absence of manifest error, the LIBOR Determination by the Calculation Agent shall be binding upon all parties.

(c) The Calculation Agent shall be required to specify to the Co-Issuers the quotations upon which each Note Interest Rate is based, and in any event the Calculation Agent shall notify the Co-Issuers before 7:00 p.m. (New York City time) on each LIBOR Determination Date that either: (i) it has determined or is in the process of determining each of the Note Interest Rates and the amount of interest payable in respect of each Class of Notes for the related Interest Period or (ii) it has not determined and is not in the process of determining each of the Note Interest Rates and the amount of interest payable in respect of each Class of Notes for the related Interest Period, together with its reasons therefor.

Section 7.19 Certain Tax Matters. (a) If required to prevent the withholding or imposition of United States income tax, the Issuer shall deliver or cause to be delivered a United States Internal Revenue Service Form W-8BEN or successor applicable form, to each issuer, counterparty or paying agent with respect to any Underlying Asset at the time such Underlying Asset is purchased or entered into and thereafter prior to the expiration or obsolescence of such form.

(b) The Issuer shall not file, or cause to be filed, any income or franchise tax return in the United States or any state of the United States unless it shall have obtained advice from Weil, Gotshal & Manges LLP or an opinion of other nationally recognized U.S. tax counsel experienced in such matters prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return.

(c) Notwithstanding anything to the contrary contained in this Indenture, all persons may disclose to any and all persons, without limitation of any kind, the U.S. federal, state and local tax treatment of the Securities and the Issuer, any fact that may be relevant to understanding the U.S. federal, state and local tax treatment of the Securities and the Issuer, and all materials of any kind (including opinions or other tax analyses) relating to such U.S. federal, state and local tax treatment and that may be relevant to understanding such tax treatment.

(d) The Issuer and each Holder of, and each holder of a beneficial interest in, Notes agree to treat such Notes as indebtedness solely of the Issuer for U.S. federal, state and local income tax purposes and further agree not to take any action inconsistent with such treatment.

(e) The Issuer agrees not to elect to be treated as other than a corporation for U.S. federal income tax purposes.

Section 7.20 RESERVED.

Section 7.21 CUSIP Numbers. The Issuer shall (i) request of S&P, and shall cooperate with S&P to ensure that all CUSIP numbers identifying the Notes shall have a “fixed field” attached thereto that contains “3c7” and “144A” indicators and (ii) take steps to cause the underwriters to require that all “confirms” of trades of the Securities contain CUSIP numbers with such “fixed field” identifiers.

Section 7.22 Bloomberg and other Third-Party Vendor Screens. The Issuer shall cause the Bloomberg screen or screens containing information about the Securities to include the following language: (i) the “Note Box” on the bottom of “Security Display” page describing the Securities shall state: “Placed Under 144A/3(c)(7),” (ii) the “Security Display” page shall have the flashing red indicator “See Other Available Information,” and (iii) the indicator shall link to the “Additional Security Information” page, which shall state that the securities “are being offered in reliance on the exemption from registration under Rule 144A of the Securities Act of 1933, as amended (the “Securities Act”) to Persons who are both (x) qualified institutional buyers (as defined in Rule 144A under the Securities Act) and (y) qualified purchasers (as defined under Section 3(c)(7) under the Investment Company Act of 1940).” The Issuer shall require that any other third-party vendor screens containing information about the Securities include substantially similar language to clauses (i) through (iii) above. For so long as the Rule 144A Global Notes are registered in the name of DTC or its nominee, the Co-Issuers (or in the case of Class D Notes only, the Issuer) will instruct DTC to take these or similar steps with respect to the Rule 144A Global Notes: (i) the DTC 20-character security descriptor and 48-character additional descriptor will indicate with marker “3c7” that sales are limited to QIBs and Qualified Purchasers; (ii) where the DTC deliver order ticket sent to purchasers by DTC after settlement is physical, will have the 20-character security descriptor printed on it, and where the DTC deliver order ticket is electronic, it will have a “3c7” indicator and a related user manual for participants, which will contain a description of the relevant restriction; and (iii) DTC will send an “Important Notice” outlining the 3(c)(7) restrictions applicable to the Rule 144A Global Notes to all DTC participants in connection with the initial offering of Notes by the Co-Issuers (or in the case of Class D Notes only, the Issuer).

ARTICLE VIII

SUPPLEMENTAL INDENTURES

Section 8.1 Supplemental Indentures without Consent of Holders. Without the consent of the Noteholders, the Portfolio Manager or the Holders of the Preference Shares but only with the prior written consent of the Credit Swap Counterparty, the Co-Issuers, with respect to the Notes, and the Issuer, with respect to the Preference Shares, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form reasonably satisfactory to the Trustee (x) if such supplemental indenture would have no material adverse effect on any of the Holders of the Notes or the Preference Shares (as evidenced by an Opinion of Counsel, which may be based on an Officers’ Certificate of the Issuer or Co-Issuers, as applicable regarding the material adverse affect of such supplemental indenture on any Holder of the Notes or the Preference Shares), or (y) for any of the following purposes:

(a) to evidence the succession of another Person to the Issuer or the Co-Issuer, and the assumption by any such successor Person of the covenants of the Issuer or the Co-Issuer contained herein and in the Notes;

(b) to add to the covenants of the Co-Issuers or the Trustee, for the benefit of the Holders of the Notes, or to surrender any right or power herein conferred upon the Issuer or the Co-Issuer;

(c) to convey, transfer, assign, mortgage or pledge any additional property to or with the Trustee, or add to the conditions, limitations or restrictions on the authorized amount, terms and purposes of the issue, authentication and delivery of the Notes;

(d) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee and to add to or change any of the provisions of this Indenture as shall be necessary to facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 6.9, 6.10 or 6.12 hereof;

(e) to correct or amplify the description of any property at any time subject to the lien of this Indenture, or to correct, amplify or otherwise improve any pledge, assignment or conveyance to the Trustee of any property subject or required to be subjected to the lien of this Indenture (including any and all actions necessary or desirable as a result of changes in law or regulations), or to cause any additional property to be subject to the lien of this Indenture;

(f) to prevent the Issuer, the Noteholders, the Preference Shareholders or the Trustee from being subject to withholding or other taxes, fees or assessments or to prevent the Issuer from being treated as engaged in a United States trade or business for U.S. federal income tax purposes or otherwise subject to U.S. federal, state, local or foreign income or franchise tax on a net income tax basis; provided that such action will not cause the Noteholders to experience any material change to the timing, character or source of the income from the Notes and will not be considered a significant modification resulting in an exchange for purposes of section 1.1001-3 of the U.S. Treasury regulations;

(g) to enter into any additional agreements not expressly prohibited by this Indenture as well as any amendment, modification or waiver if the Issuer determines that such amendment, modification or waiver would not, upon or after becoming effective, materially and adversely affect the rights or interests of Holders of any Class of Notes or the Holders of the Preference Shares;

(h) to modify the restrictions on and procedures for resales and other transfers of the Notes to reflect any changes in applicable law or regulation (or the interpretation thereof) or to enable the Co-Issuers to rely upon any less restrictive exemption from registration under the Securities Act or the Investment Company Act or to remove restrictions on resale and transfer to the extent not required thereunder;

(i) to correct any defect or ambiguity or clarify any provision in this Indenture or resolve any inconsistency between the provisions of the Offering Memorandum and this Indenture;

(j) to accommodate the settlement of the Notes in book entry form through the facilities of DTC, Euroclear or Clearstream or otherwise;

(k) to make amendments required pursuant to applicable law; or

(l) to authorize the appointment of any listing agent, Transfer Agent, Paying Agent or additional registrar for any Class of Notes required or advisable in connection with the listing of any Class of Notes (other than the Class A Notes, the Class B Notes or the Class C Notes) on the Irish Stock Exchange or any other stock exchange, and otherwise to amend this Indenture to incorporate any changes required or requested by any governmental authority, stock exchange authority, listing agent, Transfer Agent, Paying Agent or additional registrar for any Class of Notes in connection therewith.

Notwithstanding the foregoing, the Co-Issuers and the Trustee may also enter into supplemental indentures without obtaining the consent of the Noteholders, the Credit Swap Counterparty, the Portfolio Manager or any other party in order to conform the Indenture to any amendments, modifications or supplements to the Class A Note Purchase Agreement with respect to the posting of collateral and other arrangements to be made in the event of the downgrade of any Class A Noteholder, subject in each case to the consent of a majority of the Preference Shares and receipt by the Issuer of a Rating Agency Confirmation.

The Trustee shall not enter into any such supplemental indenture unless the Trustee has received an Opinion of Counsel from Weil, Gotshal & Manges LLP or another nationally recognized U.S. tax counsel experienced in such matters that (i) the modification will not cause the Noteholders to experience any material change to the timing, character or source of the income from the Notes and will not be considered a significant modification resulting in an exchange for purposes of section 1.1001-3 of the U.S. Treasury regulations, and (ii) the proposed supplemental indenture will not cause the Issuer to be treated as engaged in a U.S. trade or business or otherwise subject to U.S. federal income tax on a net income tax basis.

The Trustee is hereby authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

Not later than 15 Business Days prior to the execution of any proposed supplemental indenture pursuant to this Section 8.1, the Trustee, at the expense of the Co-Issuers, shall, for so long as any Class of Notes are Outstanding and rated by the Rating Agencies, mail to each of the Rating Agencies, a copy of such proposed supplemental indenture. No such proposed supplemental indenture may be executed without obtaining a Rating Agency Confirmation from S&P with respect to such supplemental indenture.

Not later than 10 Business Days prior to the execution of any proposed supplemental indenture pursuant to this Section 8.1, the Trustee, at the expense of the Co-Issuers, shall mail to each Noteholder and each Preference Shareholder, the Portfolio Manager, the Credit Swap Counterparty and the Shares Paying Agent a copy of any proposed supplemental indenture and written notice reciting in substance the following provisions: unless within 10 Business Days after such mailing the Trustee shall have received written notice from Holders representing a Majority of a Class or from any Preference Shareholder or the Credit Swap Counterparty stating that such Holders or the Credit Swap Counterparty, as the case may be, reasonably consider their interests to be materially adversely affected by the proposed supplemental indenture, the Holders of any Notes or Preference Shares or the or the Credit Swap Counterparty, as applicable, will be deemed to not be materially adversely affected by any supplemental indenture and any such determination shall be conclusive upon the Holders of all Notes or Preference Shares, and the Credit Swap Counterparty whether theretofore or thereafter authenticated and delivered; the Trustee shall not be liable for any determination that such persons shall not be materially adversely affected by the proposed supplemental indenture and shall be entitled to conclusively rely upon an Opinion of Counsel delivered to the Trustee as described in Sections 8.2 and 8.3 hereof.

So long as any of the Notes are listed on the Irish Stock Exchange, the Trustee shall notify the Irish Stock Exchange of any supplemental indenture adopted pursuant to this Section 8.1.

Section 8.2 Supplemental Indentures with Consent of Holders. With the consent of the Holders of not less than a Majority of each Class of Notes materially and adversely affected thereby and the consent of the Credit Swap Counterparty, the Trustee and the Co-Issuers may enter into a supplemental indenture to add provisions to, or change in any manner or eliminate any provisions of, this Indenture or modify in any manner the rights of the Holders of the Notes of such Class, provided, that pursuant to the Preference Share Documents, the Issuer has agreed that it will not enter into any supplemental indenture that materially and adversely affects the Holders of the Preference Shares without the consent of a Majority of the Holders of the Preference Shares. The Trustee may exclusively rely on an Opinion of Counsel (which opinion may be based on an Officer's Certificate of the Co-Issuers, as applicable, regarding the material adverse affect of such supplemental indenture on any Holders of the Notes or Preference Shares) as to whether or not any Class of Securities would be materially and adversely affected by such change. Such determination shall be conclusive and binding on all present and future Holders of the Securities.

Notwithstanding the foregoing, the Trustee may not enter into any supplemental indenture without the written consent of the Credit Swap Counterparty and the Holders of each Outstanding Note of each Class materially and adversely affected thereby and the Issuer may not enter into any such supplemental indenture without the consent of the Holders of each Outstanding Preference Share materially and adversely affected thereby if such supplemental indenture:

(a) changes the Stated Maturity of or the due date of any installment of interest on any Note the date on which any dividend or any final distribution on the Preference

Shares is payable, reduces the principal amount of any Note or the rate of interest thereon, or the rate at which interest accrues or the manner in which deferred interest accrues, or the redemption price with respect thereto, or changes the earliest date on which any Note may be redeemed, changes the provisions of this Indenture relating to the application of proceeds of any Collateral to the payment of principal of or interest on the Note or to the payment of dividends or any final distribution on the Preference Shares or change any place where, or the coin or currency in which, any Note or the principal thereof or interest thereon is payable or where the payment of dividends or any final distribution on the Preference Shares is payable, or impairs the right to institute suit for the enforcement of any such payment on any Note on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date);

(b) (1) reduces the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class whose consent is required for the authorization of any supplemental indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults thereunder or their consequences or (2) reduces the percentage of the Preference Shares the Holders of which are required to consent to the authorization of any such supplemental indenture or for any waiver of compliance with the provisions of this Indenture of which such waiver is permitted by the Holders of the Preference Shares or any other action under this Indenture that requires the consent of the Holders of the Preference Shares;

(c) impairs or adversely affects the Collateral except as otherwise permitted in this Indenture;

(d) permits the creation of any lien ranking prior to or on parity with the lien of this Indenture with respect to any part of the Collateral or terminates the lien of this Indenture on any property at any time subject hereto or deprive any Secured Party of the security afforded by the lien of this Indenture;

(e) reduces the percentage of the Aggregate Outstanding Amount, the consent of the Holders of which is required to request that the Trustee preserve the Collateral or to rescind the Trustee's election to preserve the Collateral pursuant to Section 5.5 or to sell or liquidate the Collateral pursuant to Section 5.4 or 5.5;

(f) modifies any of the provisions of this Section 8.2, except to increase the percentage of Outstanding Notes or Preference Shares whose Holders' consent is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Note or Preference Share adversely affected thereby;

(g) modifies the Priority of Payments;

(h) modifies any of the provisions of this Indenture or the Preference Share Documents in such a manner as to affect the calculation of the amount of any payment of interest or principal due on any Note or any amount payable to the Shares Paying Agent for payment to the Holders of the Preference Shares on any Payment Date or on the Preference Share Redemption Date, or to affect the right of the Holders of Notes to the benefit of any provisions

for the redemption of such Notes contained in this Indenture or to affect the rights of the Holders of the Preference Shares to the benefit of any provisions for the redemption of the Preference Shares contained in the Shares Paying Agency Agreement or to affect the rights of the Secured Parties to the benefit of any provisions for the redemption of such Notes contained herein, or changes the extent to which any such payments are received by;

(i) amends any provision of this Indenture or any other agreement entered into by the Issuer with respect to the transactions contemplated hereby relating to the institution of proceedings for the Issuer or the Co-Issuer to be adjudicated as bankrupt or insolvent, or the consent of the Issuer or the Co-Issuer to the institution of bankruptcy or insolvency proceedings against it, or the filing with respect to the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization, arrangement, moratorium or liquidation proceedings, or other proceedings under the Bankruptcy Code or any similar laws, or the consent of the Issuer or the Co-Issuer to the filing of any such petition or the appointment of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer or any substantial part of its property, respectively; or

(j) amends any provision of this Indenture or any other agreement entered into by the Issuer with respect to the transactions contemplated hereby that provides that the obligations of the Co-Issuers or the Issuer, as the case may be, are limited recourse obligations of the Co-Issuers or the Issuer, respectively, payable solely from the Collateral in accordance with the terms of this Indenture.

Not later than 10 Business Days prior to the execution of any proposed supplemental indenture pursuant to this Section 8.2, the Trustee, at the expense of the Co-Issuers, shall, for so long as the Notes are Outstanding and rated by the Rating Agencies, mail to each of the Rating Agencies, the Credit Swap Counterparty, the Portfolio Manager, the Noteholders and the Shares Paying Agent (for distribution to the Preference Shareholders) a copy of such proposed supplemental indenture. Unless the Trustee receives consent of the Holders of 100% of the Aggregate Outstanding Amount of Notes of each Class whose rating would be materially adversely affected, the Trustee shall receive a Rating Agency Confirmation regarding the rating of each Class of Notes prior to entering into any supplemental indenture.

It shall not be necessary for any Act of Noteholders or Holders of Preference Shares under this Section 8.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

If (i) each holder of a Class of Notes or each holder of Preference Share is required to consent to the execution of a supplemental indenture, (ii) any entity certifies in writing to the Trustee and the Issuer that it is prohibited from delivering such consent (the Trustee and Issuer shall be fully protected in relying on such certification), (iii) all other holders of such Class of Notes or all other holders of Preference Shares (as applicable) consent to the execution of such supplemental indenture, and (iv) such entity indicates to the Trustee and the Issuer that it does not object to the execution of such supplemental indenture, then for purposes of this Indenture such entity shall be deemed to have consented to the execution of such supplemental indenture.

Notice of any such supplemental indenture adopted hereunder will be provided to each Rating Agency, the Credit Swap Counterparty, the Portfolio Manager, the Irish Stock Exchange (for so long as any Notes are listed thereon), the Trustee and the Holders of the Securities (not less than ten (10) days prior to the effectiveness thereof). Promptly after the execution by the Co-Issuers, the Class A Note Agent and the Trustee of any supplemental indenture pursuant to this Section 8.2, the Trustee, at the expense of the Co-Issuers, shall mail to the Holders of the Notes, the Credit Swap Counterparty, the Portfolio Manager, the Irish Stock Exchange, the Shares Paying Agent and, so long as the Notes are Outstanding and rated by the Rating Agencies, each of the Rating Agencies a copy thereof. Any failure of the Trustee to publish or mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 8.3 Execution of Supplemental Indentures. In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby, the Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3 hereof) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution and delivery of such supplemental indenture is in compliance with this Indenture and that all conditions precedent thereto have been satisfied. Any such Opinion of Counsel may be based on an Officer's Certificate of the Issuer or the Co-Issuer, as applicable, regarding the material adverse affect of such supplemental indenture on any Holder of the Notes or the Preference Shares. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. Notwithstanding the foregoing, the Trustee may not enter into any supplemental indenture pursuant to this Article VIII without the prior written consent of the Credit Swap Counterparty, if the Credit Swap Counterparty has notified the Trustee upon receipt of a copy of the proposed supplemental indenture that the proposed amendment would have a material adverse effect on the Credit Swap Counterparty. Such consent, if granted, shall be evidenced by a written consent of the Credit Swap Counterparty delivered to the Trustee no fewer than ten (10) Business Days following delivery of the supplemental indenture to the Credit Swap Counterparty.

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder and every Holder of Preference Shares shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Trustee shall, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Co-Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Trustee and the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Co-Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

Section 8.6 Effect on the Portfolio Manager. Unless the Portfolio Manager has been given prior written notice of such supplemental indenture or amendment and has consented thereto in writing, no supplemental indenture or amendment may (a) affect the obligations or rights of the Portfolio Manager including, without limitation, modifying the restrictions on and procedures for changing the Reference Portfolio or (b) affect the amount or priority of any fees or other amounts payable to the Portfolio Manager under the Portfolio Management Agreement and this Indenture.

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1 Optional Redemption. (a) On any Payment Date, (i) the Notes shall be redeemable in whole but not in part upon the occurrence of a Withholding Tax Event if the Issuer is so notified in writing by the Shares Paying Agent upon receipt by the Shares Paying Agent of written consent or written direction of a Majority of the P-1 Preference Shares pursuant to the Shares Paying Agency Agreement, and (ii) occurring on or after the June 2009 Payment Date, the Notes shall be redeemable in whole but not in part by the Co-Issuers if so directed by the Shares Paying Agent, at least 30 Business Days (or such later date as agreed upon by the Trustee and the Credit Swap Counterparty) prior to the scheduled Redemption Date, subject to the Credit Swap Agreement having been transferred or terminated and all payments having been made to the Credit Swap Counterparty (including, without limitation, any termination payment that is owed or will be owed to the Credit Swap Counterparty or any payment that is owed or will be owed to a transferee of the Credit Swap Agreement, in each case, upon a termination or transfer of the Credit Swap Agreement), upon written direction of a Majority of the P-1 Preference Shares pursuant to the Shares Paying Agency Agreement. For the avoidance of doubt, (i) only the Holders of P-1 Preference Shares shall be able to direct the Issuer to redeem the Notes in connection with an optional redemption pursuant to this Article IX and (ii) the P-2 Preference Shares shall have no voting rights. Amounts on deposit in the Preference Share Distribution Account will not be available to effect an optional redemption (although such amounts will continue to be payable to the Holders of the Preference Shares, as permitted by Cayman Islands law). Notwithstanding the foregoing, payments of the applicable Redemption Price shall only be made in accordance with the Priority of Payments.

(b) The Notes shall not be redeemed pursuant to Section 9.1(a) unless:

(i) at least seven Business Days before the scheduled Redemption Date, the Issuer or the Credit Swap Calculation Agent, acting on behalf of the Issuer, shall have furnished to the Trustee evidence, in form reasonably satisfactory to the Trustee, that the Issuer, has entered into a binding agreement or agreements (including a confirmation of sale) with a financial institution or institutions whose short-term unsecured debt obligations have a credit rating of "P-1" or at least "Aa3" from Moody's and at least "A-1" from S&P to purchase or, in the case of the Credit Swap Agreement, terminate, not later than the Business Day immediately preceding the scheduled Redemption Date, in immediately available funds, all or part of the Underlying Asset at a price at least equal to an amount sufficient, together with the proceeds from the Eligible Investments maturing

on or prior to the scheduled Redemption Date and (without duplication) any Cash to be applied to such redemption and (without duplication) the aggregate amount of the expected proceeds from the termination of the Underlying Asset and sale of the Eligible Investments not later than the Business Day immediately preceding the scheduled Redemption Date with respect to which the Issuer or the Credit Swap Calculation Agent, acting on behalf of the Issuer, has provided the certification to the Trustee described in clause (ii) below, to pay all administrative and other fees and expenses payable under the Priority of Payments prior to the payment in full of the Notes (including fees and expenses incurred by the Trustee in connection with such sale of the Underlying Asset and Eligible Investments), to pay all amounts owed to the Credit Swap Counterparty (including, without limitation, any termination payment that is owed or will be owed to the Credit Swap Counterparty or any payments that is owed or will be owed to a transferee of the Credit Swap Agreement, in each case, upon a termination or transfer of the Credit Swap Agreement) and to redeem such Notes on the scheduled Redemption Date at the applicable Redemption Price (the aggregate amount required to make all such payments and to effect such redemption, the "Total Redemption Amount"); or

(ii) at least ten Business Days prior to the scheduled Redemption Date and prior to selling any Underlying Asset and/or Eligible Investments, the Issuer shall have certified to the Trustee, the Credit Swap Counterparty and to each of the Rating Agencies that the expected proceeds from such sale (calculated as provided in the next succeeding sentence) together with any other amounts available to be used for such optional redemption will be delivered to the Trustee not later than the Business Day immediately preceding the scheduled Redemption Date, in immediately available funds, and will equal or exceed the Total Redemption Amount.

The Trustee may request a quotation from the Credit Swap Counterparty for the price paid by or to the Issuer upon termination of the Credit Swap Agreement and may solicit quotations from potential transferees of the Credit Swap Agreement. Any amount paid by the Issuer will be expressed as a negative number and any amount to be paid to the Issuer will be expressed as a positive number.

(c) In connection with an optional redemption pursuant to Section 9.1(a), the Trustee, acting on behalf of the Issuer and upon receipt of a notice referred to in Section 9.2, shall notify the Issuer and the Credit Swap Counterparty of such optional redemption and the Issuer, shall direct the Trustee in writing to terminate or transfer to another party, and the Trustee shall terminate or transfer to another party in the manner directed by the Issuer in writing, the Credit Swap Agreement and shall notify the Trustee of such optional redemption in accordance with Section 9.2 and upon any such sale the Trustee shall release such Underlying Asset pursuant to Section 10.8.

(d) The Issuer shall set the Redemption Date and the Record Date with respect to such Redemption Date and give notice thereof to the Issuer and the Trustee pursuant to Section 9.2. Installments of interest and principal due on or prior to a Redemption Date which shall not have been paid or duly provided for shall be payable to the Holders of the Notes as of the relevant Record Dates. Upon receipt of the direction of the Holders of the applicable

percentage of P-1 Preference Shares with respect to the redemption of the Notes pursuant to Section 9.1(a), the Co-Issuers shall deliver an Issuer Order to the Trustee directing the Trustee to make the payment to the Paying Agent of the applicable Redemption Price of all of the Notes to be redeemed from funds in the Issuer Accounts in accordance with the Priority of Payments. The Issuer shall deposit, or cause to be deposited, the funds required for an optional redemption in the Payment Account on or before the Business Day prior to the Redemption Date.

Section 9.2 Notice to Trustee of Optional Redemption. In the event of any redemption pursuant to Section 9.1, the Issuer shall, at least 30 days (but not more than 90 days) prior to the Redemption Date (unless the Trustee shall agree to a shorter notice period), notify the Trustee and the Trustee shall notify the Credit Swap Counterparty and each Rating Agency of such Redemption Date, the applicable Record Date, the principal amount of Notes to be redeemed on such Redemption Date and the Redemption Price of such Notes in accordance with Section 9.1.

Section 9.3 Notice of Optional Redemption or Maturity by the Co-Issuers. Notice of redemption pursuant to Section 9.1 or the Maturity of any Class of Notes shall be given by the Trustee by first-class mail, postage prepaid, mailed not less than ten (10) Business Days prior to the applicable Redemption Date or Maturity to each Rating Agency, to the Credit Swap Counterparty and to each Holder of Notes to be redeemed pursuant to Section 9.1, at such Holder's address in the Note Register.

All notices of redemption shall state:

- (a) the applicable Redemption Date and Record Date with respect thereto (which shall be a date after the date on which such notice is deemed to be given pursuant to Section 14.4);
- (b) the Redemption Price for each Class of Notes;
- (c) that all the Notes of the relevant Class are being paid in full and that interest on such Notes shall cease to accrue on the date specified in the notice;
- (d) the place or places where such Notes to be redeemed, are to be surrendered for payment of the Redemption Price which shall be the office or agency of the Issuer to be maintained as provided in Section 7.4; and
- (e) the latest possible date upon which such notice of redemption may be withdrawn.

The Co-Issuers shall have the option to withdraw the notice of redemption on or prior to the fourth Business Day prior to the scheduled Redemption Date by written notice to the Trustee, the Rating Agencies, the Credit Swap Counterparty and (in the case of a simultaneous redemption of the Preference Shares) the Shares Paying Agent only if (i) the Issuer shall be unable to deliver such sale agreement or agreements or certifications, as the case may be, in the form required under Section 9.1 of this Indenture or (ii) the Issuer receives written direction from

a Majority of the P-1 Preference Shares to withdraw the notice of redemption; provided, that the Issuer shall not permit the Credit Swap Agreement to be terminated until such period for withdrawal has expired. Notice of any such withdrawal shall be given by the Trustee to each Holder of Notes to be redeemed at such Holder's address appearing in the Note Register by overnight courier or if the address provided in the Note Register is insufficient for much purpose, by first-class mail), sent not later than the third Business Day prior to the scheduled Redemption Date. In addition, if and for so long as any Class of Notes is listed on the Irish Stock Exchange, the Trustee will send notice of any withdrawal of such notice to the Company Announcements Office not less than the 3rd Business Day prior to such Redemption Date.

Notice of redemption shall be given by the Co-Issuers or, at the Co-Issuers' request, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of Notes selected for redemption shall not impair or affect the validity of the redemption of any other Notes.

Section 9.4 Notes Payable on Redemption Date. Notice of redemption having been given as aforesaid, the Notes so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless a default is made in the payment of the Redemption Price) such Notes (or the portion thereof to be redeemed) shall cease to bear interest. Upon final payment on a Note to be redeemed, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; provided, however, that if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Note, then, in the absence of written notice to the Co-Issuers and the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

If any Note called for optional redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Note Interest Rate for each successive Interest Period the Note remains Outstanding.

Section 9.5 Certain Other Redemptions. On any Payment Date on which the Coverage Tests were not met on the immediately preceding Determination Date, principal payments of the Notes will be made as set forth in Section 11.1. The Redemption Price for each Note in any redemption of the Notes pursuant to this Section 9.5 will be equal to the Aggregate Outstanding Amount of such Note plus accrued interest thereon (including any Defaulted Interest and interest on Defaulted Interest or Deferred Interest, as applicable).

Any and all funds at any time on deposit in, or otherwise to the credit of, the Contingent Class A Funding Account shall be held in trust by the Trustee for the benefit of the Secured Parties. Funds on deposit in, or otherwise to the credit of, the Contingent Class A Funding Account will be invested in Eligible Investments at the written direction of the related Class A Noteholder pending the application of such funds to cover draws on the applicable unfunded Class A Commitments. All interest and other income from such investments shall be deposited in the Principal Collection Account. Draw to a related sub account of the Contingent Class A Funding Account all in accordance with the Class A Note Purchase Agreement. For so long as the conditions which caused a Downgrade Draw are in existence, interest shall accrue on the funded portion of the Class A Notes (if such funding is a result of a Downgrade Draw) in an amount equal to the amount of earning on the Eligible Investments which is held in the related sub account of the Contingent Class A Funding Account in connection with a Downgrade Draw plus 0.26%; provided, however, that interest shall accrue on the portion of the Class A Notes that were funded other than as a result of the Downgrade Draw in an amount equal to LIBOR plus 0.26%. Any Class A Notes that remain Outstanding during the Interest Period commencing on the Maturity Date and ending on the Deferred Maturity Date shall accrue interest on the funded portion of the Class A Notes in an amount equal to the lesser of (a) actual earnings on the Eligible Investments in the Maturity Date Account (net of fees and expenses of the Co-Issuers that are senior to the interest payments of the Notes in accordance with the Priority of Payments) multiplied by a fraction, the numerator of which is the outstanding funded portion of the Class A Notes and the denominator of which is the aggregate outstanding amount of all Classes of Notes and (b) the interest amount on the funded Class A Notes accrued at a rate of LIBOR. Funds shall be withdrawn and applied from the Contingent Class A Funding Account as provided in Section 10.4(f) below. Any funds deposited by a Class A Noteholder to the Contingent Class A Funding Account will be released to the Class A Noteholder upon the earliest to occur of (i) the assignment by the Class A Noteholder of its Class A Commitments to one or more eligible assignees and (ii) the date on which the Class A Noteholder or the related Guarantor or Funding Entity, if any, satisfies the Rating Criteria, but only to the extent that such funds are not required to be applied pursuant to Section 10.4(f) below.

Amounts on deposit from time to time in the Class A CDS Reserve Account will be invested in the Specific Investment Instrument. Interest earnings on amounts on deposit in the Class A CDS Reserve Account will constitute Interest Proceeds and will be withdrawn and deposited into the Interest Collection Account. Deposits to the Class A CDS Reserve Account will permanently reduce the Class A Commitments by the amount of such

deposit. The amounts on deposit in the Class A CDS Reserve Account shall be withdrawn and applied as required under Section 10.4(h) below. On the Maturity Date, all remaining amounts (after any withdrawals provided for Section 10.4(i) below) in the Class A CDS Reserve Account shall be transferred to the Payment Account for application as Principal Proceeds.

(c) The Trustee shall establish a single, segregated trust account in the name “Airlie CDO I, Ltd.,” which shall be designated as the Credit Swap Issuer Account which shall be held by the Custodian in trust for the benefit of the Trustee for the benefit of the Secured Parties and over which the Trustee shall have exclusive control and sole right of withdrawal in accordance with the Credit Swap Agreement. At all times, the Credit Swap Issuer Account shall remain at an institution with a long-term unsecured debt rating of at least “Baa1” by Moody’s and “BBB” by S&P and with combined capital and surplus in excess of \$200,000,000. The Credit Swap Posted Amount posted by the Credit Swap Counterparty shall be deposited into this account and any withdrawals from or deposits to this account shall be made in accordance with the Credit Swap Agreement.

(d) (i) The Trustee shall, upon delivery of an Issuer Order, establish at the Custodian a single, segregated trust account in the name “Airlie CDO I, Ltd.,” which shall be designated as the Specific Investment Proceeds Account which shall be held by the Custodian in trust for the benefit of the Trustee for the benefit of the Secured Parties and over which the Trustee shall have exclusive control and sole right of withdrawal. At all times, the Specific Investment Proceeds Account shall remain at an institution with a long-term unsecured debt rating of at least “Baa1” by Moody’s and “BBB” by S&P and with combined capital and surplus in excess of \$200,000,000. The Trustee shall make withdrawals at any time to make payments due to the Credit Swap Counterparty under the Credit Swap Agreement.

(ii) Upon the occurrence of a Credit Event with respect to a Reference Entity (as determined and notified to the Trustee by the Portfolio Manager or the Credit Swap Calculation Agent), first, the excess or residual proceeds of the Specific Investment Instrument held in the Specific Investment Proceeds Account that are not invested in the Specific Investment Instrument shall be used to pay the Credit Swap Counterparty, second, the Specific Investment Instrument shall be liquidated in an amount equal to an amount sufficient to generate proceeds up to an amount equal to the remainder of the Cash Settlement Amount for such Credit Event (as determined and reported by the Credit Swap Calculation Agent and rounded to the nearest \$1) and such Cash Settlement Amount shall be paid to the Credit Swap Counterparty when due (regardless of whether such date is a Payment Date) and third, if the amounts so generated in the foregoing first and second clauses are insufficient to pay such Cash Settlement Amount in full to the Credit Swap Counterparty then withdrawals from the accounts and draw downs on the Class A Notes, as applicable, shall be made in accordance with Section 10.4(f) to the extent necessary to pay such Cash Settlement Amount in full to the Credit Swap Counterparty and such Cash Settlement Amount shall be paid to the Credit Swap Counterparty when due (regardless of whether such date is a Payment Date). On the next Payment Date, on or following the payment of the Cash Settlement Amount in full to the Credit Swap Counterparty, the undrawn Class A Commitments shall be reduced by an amount equal to the Recovery Amount on the next Payment Date; provided, that to the extent that the undrawn Class A

Commitments are reduced to zero, the Specific Investment Proceeds Account and the Specific Investment Instrument shall be liquidated in an amount equal to the Reference Entity Calculation Amount (minus any portion of the Recovery Amount used to reduce such undrawn Class A Commitments to zero) for the Relevant Reference Entity (and, for the avoidance of doubt, not in the amount indicated in the prior sentence), the Cash Settlement Amount shall be paid to the Credit Swap Counterparty when due (regardless of whether such date is a Payment Date) and the Recovery Amount (minus any portion of the Recovery Amount used to reduce such undrawn Class A Commitments to zero) shall be transferred to the Payment Account for application on the next Payment Date as Principal Proceeds; provided, further, that for purposes of this Section 10(d), Class A Commitments that are drawn as a result of a Downgrade Draw shall be deemed undrawn; provided, further, that to the extent that any undrawn Class A Commitments that are being reduced have previously been funded as a result of a Downgrade Draw, the amount of such reduction shall be withdrawn from the applicable sub-account of the Contingent Class A Funding Account and paid to the holder of the Class A Notes to which such undrawn Class A Commitments are related. Upon the occurrence of the Maturity Date, the Specific Investment Instrument shall be liquidated and its proceeds (together with any other proceeds on the Specific Investment Proceeds Account) shall be transferred to the Maturity Account to the extent needed to fund the Maturity Date Amount, if any, and thereafter to the Payment Account for application as Principal Proceeds.

(iii) On any Business Day during the Reinvestment Period, the Portfolio Manager may, at its sole discretion, direct any amount up to but not exceeding the aggregate amount of Removal Fees received by the Issuer to be reinvested in the Specific Investment Instrument in order to enable the Issuer at any time during the Reinvestment Period (at the direction of the Portfolio Manager) to increase the aggregate Reference Entity Calculation Amount by adding Reference Entities and/or increasing the Reference Entity Calculation Amount of Reference Entities currently present in the Reference Portfolio; if Removal Fees are received by the Issuer, pending such direction, the Trustee shall (pursuant to the direction of the Portfolio Manager) invest such Removal Fees in Eligible Investments selected by the Portfolio Manager.

(iv) If the Issuer is required to pay a Removal Fee to the Credit Swap Counterparty, first, the excess or residual proceeds of the Specific Investment Instrument held in the Specific Investment Proceeds Account that are not invested in the Specific Investment Instrument shall be used to pay such Removal Fee to the Credit Swap Counterparty and second, the Specific Investment Instrument shall be liquidated in an amount equal to an amount sufficient to generate proceeds up to an amount equal to such Removal Fee (rounded to the nearest \$1) and such amount shall be paid to the Credit Swap Counterparty when due.

(v) Upon the occurrence of the Maturity Date, the Specific Investment Instrument shall be liquidated and its proceeds (together with any other proceeds on the Specific Investment Proceeds Account but, for the avoidance of doubt, after application required under clause (ii) above) shall be transferred to the Maturity Account to the extent

needed to fund the Maturity Date Amount, if any, and thereafter to the Payment Account for application as Principal Proceeds.

(vi) The Trustee shall be entitled to receive and rely upon notices and directions from the Credit Swap Calculation Agent, Credit Swap Counterparty and/or the Portfolio Manager, as applicable, with respect to matters arising under and amounts due and payable under the Credit Swap Agreement, from time to time, for all purposes of this Section 10.4(d).

(e) The Trustee shall, upon delivery of an Issuer Order, establish at the Custodian a single, segregated trust account in the name "Airlie CDO I, Ltd.," which shall be designated as the Maturity Date Account which shall be held by the Custodian in trust for the benefit of the Trustee for the benefit of the Secured Parties and over which the Trustee shall have exclusive control and sole right of withdrawal. At all times, the Maturity Date Account shall remain at an institution with a long-term unsecured debt rating of at least "Baa1" by Moody's and "BBB" by S&P and with combined capital and surplus in excess of \$200,000,000. Funds on deposit in, or otherwise to the credit of, the Maturity Date Account will be invested in Eligible Investments at the written direction of the Credit Swap Calculation Agent. The Maturity Date Amount shall be deposited on the first Payment Date on or after the Maturity Date pursuant to Section 11.1(a)(B)(i). Such Maturity Date Amount shall be taken from Principal Proceeds (including proceeds of the liquidation of the Specific Investment Instrument), and, to the extent that Principal Proceeds are not sufficient to make deposits into the Maturity Date Account, the Issuer will make withdrawals or draw downs, as applicable, as provided in Section 10.4(f), in each case to the extent necessary to fund the Maturity Date Account with the Maturity Date Amount and deposit the proceeds of such Principal Proceeds, withdrawals and/or draw downs in the Maturity Date Account. Withdrawals from the Maturity Date Account shall be made to make payments pursuant to Section 11.1(a)(C) and Section 11.1(a)(D) as applicable.

(f) To the extent that the Specific Investment Instrument has been fully liquidated and its proceeds have been utilized and payments are required to be made to the Credit Swap Counterparty or to fund the Maturity Date Account with the Maturity Date Amount, withdrawals from the following accounts and draw downs on the Class A Notes, as applicable, shall be made in the following order: first (i) the Class A CDS Reserve Account and second (ii) the Class A Notes (up to the undrawn amount of the Class A Commitments), in each case, until no funds remain in such account or up to the undrawn amount of the related Class A Commitments, as applicable, and solely to the extent necessary to pay the Credit Swap Counterparty, or to fund the Maturity Date Account with the Maturity Date Amount; provided that to the extent any of the Class A Notes are drawn down as a result of a Downgrade Draw, and draw downs are to be made on any such Note, the amount of such draw down shall be withdrawn from the related sub-accounts of the Contingent Class A Funding Account.

(g) On any Payment Date, the Portfolio Manager, at its sole discretion, may direct any amount, up to but not exceeding the Availability Amount on such Payment Date (such amount, the "Special Amortization Amount"), to be applied in the following manner (and order of priority): first, the undrawn Class A Commitments shall be reduced in accordance with the size of the Class A Commitments, second, once the undrawn Class A Commitments are reduced

to zero, the Specific Investment Proceeds Account and the Specific Investment Instrument shall be liquidated in an amount equal to the Special Amortization Amount (minus any portion of the Special Amortization Amount used to reduce such undrawn Class A Commitments to zero) and such amount shall be transferred to the Payment Account for application on the next Payment Date as Principal Proceeds; provided, further, that for purposes of this Section 10(g), Class A Commitments that are drawn as a result of a Downgrade Draw shall be deemed undrawn; provided, further, that to the extent that any undrawn Class A Commitments that are being reduced have previously been funded as a result of a Downgrade Draw, the amount of such reduction shall be withdrawn from the applicable sub-account of the Contingent Class A Funding Account and paid to the holder of the Class A Notes to which such undrawn Class A Commitments are related.

Trust Accounts. All Monies held by, or deposited with, the Trustee in the Collection Accounts or the Payment Account pursuant to the provisions of this Indenture and not invested in the Underlying Asset or Eligible Investments as herein provided, shall be deposited with the trust department of a financial institution with a combined capital and surplus of at least \$200,000,000, to be held in trust for the benefit of the Secured Parties, and whose long-term rating is at least “Baa1” by Moody’s and at least “BBB” by S&P, provided, that any successor to such financial institution with which Monies are deposited by the Trustee shall have a long-term rating of at least “Baa1” by Moody’s and at least “BBB” by S&P (unless a Rating Agency Confirmation has been obtained with respect to any financial institution whose ratings are lower), and to the extent Monies deposited in a trust account exceed amounts insured by the Bank Insurance Fund or Savings Association Insurance Fund administered by the Federal Deposit Insurance Corporation, or any agencies succeeding to the insurance functions thereof, and are not fully collateralized by direct obligations of the United States of America, such excess shall be invested in Eligible Investments as directed by the Issuer.

ARTICLE XIII

NOTEHOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Co-Issuers and the Holders of the Class B Notes agree for the benefit of the Holders of the Class A Notes that the rights of the Holders of the Class B Notes to payment by the Co-Issuers and in and to the Collateral, including to any payment from the Proceeds of Collateral, shall be subordinate and junior to the Class A Notes, to the extent and in the manner set forth in this Indenture including as set forth in Section 11.1 and hereinafter provided. If any Event of Default (other than an Event of Default arising pursuant to Section 5.1(d)) has occurred and has not been cured or waived and acceleration occurs in accordance with Article V or if a Payment Default has occurred and has not been cured or waived including as a result of an Event of Default specified in Section 5.1(g) or (h), principal of and interest on and commitment fee with respect to, as applicable, the Class A Notes shall be paid in full in Cash before any further payment or distribution is made on account of the Class B Notes. The Holders of the Class B Notes agree, for the benefit of the Holders of the Class A Notes, not to cause the filing of a petition in bankruptcy against the Issuer or the Co-Issuer for failure to pay to them amounts due under the Class B Notes or hereunder prior to the date which is one year and one day (or, if longer, the applicable preference period) after the payment in full of principal of and interest (if any) on the Class A Notes.

(b) Anything in this Indenture or the Notes to the contrary notwithstanding, the Co-Issuers and the Holders of the Class C Notes agree for the benefit of the Holders of the Class A Notes and Class B Notes that the rights of the Holders of the Class C Notes to payment by the Co-Issuers and in and to the Collateral including any payment from the Proceeds of Collateral, shall be subordinate and junior to the Class A Notes and Class B Notes, to the extent and in the manner set forth in this Indenture including as set forth in Section 11.1 and hereinafter provided. If any Event of Default (other than an Event of Default arising pursuant to Section 5.1(d)) has occurred and has not been cured or waived and acceleration occurs in accordance with Article V or if a Payment Default has occurred and has not been cured or waived including as a result of an Event of Default specified in Section 5.1(g) or (h), principal of and interest on and commitment fee with respect to, as applicable, the Class A Notes and Class B Notes shall be paid in full in Cash before any further payment or distribution is made on account of the Class C Notes. The Holders of the Class C Notes agree, for the benefit of the Holders of the Class A Notes and Class B Notes, not to cause the filing of a petition in bankruptcy against the Issuer or the Co-Issuer for failure to pay to them amounts due under the Class C Notes or hereunder prior to the date which is one year and one day (or, if longer, the applicable preference period) after the payment in full of principal of and interest (if any) on the Class A Notes and Class B Notes.

(c) Anything in this Indenture or the Notes to the contrary notwithstanding, the Issuer and the Holders of the Class D Notes agree for the benefit of the Holders of the Class A Notes, Class B Notes and Class C Notes that the rights of the Holders of the Class D Notes to payment by the Issuer and in and to the Collateral, including any payment from Proceeds of Collateral, shall be subordinate and junior to the Class A Notes, Class B Notes and Class C Notes, to the extent and in the manner set forth in this Indenture including as set forth in Section

11.1 and hereinafter provided. If any Event of Default (other than an Event of Default arising pursuant to Section 5.1(d)) has occurred and has not been cured or waived and acceleration occurs in accordance with Article V or if a Payment Default has occurred and has not been cured or waived including as a result of an Event of Default specified in Section 5.1(g) or (h), principal of and interest on and commitment fee (if any) with respect to, as applicable, the Class A Notes, Class B Notes and Class C Notes shall be paid in full in Cash before any further payment or distribution is made on account of the Class D Notes. The Holders of the Class D Notes agree, for the benefit of the Holders of the Class A Notes, Class B Notes and Class C Notes, not to cause the filing of a petition in bankruptcy against the Issuer or the Co-Issuer for failure to pay to them amounts due under the Class D Notes or hereunder prior to the date which is one year and one day (or, if longer, the applicable preference period) after the payment in full of principal of and interest on the Class A Notes, Class B Notes and Class C Notes.

(d) In the event that notwithstanding the provisions of this Indenture, any Holder of any Subordinate Interests shall have received any payment or distribution in respect of such Subordinate Interests contrary to the provisions of this Indenture, then, unless and until any of (v) the Class A Notes, (w) the Class B Notes, (x) the Class C Notes or (y) the Class D Notes, as the case may be, shall have been paid in full in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Noteholders, in accordance with this Indenture; provided, however, that, if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Collateral and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(e) The Issuer agrees with all Holders of Notes that the Issuer shall not demand, accept, or receive any payment or distribution in respect of such Subordinate Interests in violation of the provisions of this Indenture including this Section 13.1. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of Subordinate Interests.

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Noteholder under this Indenture, subject to the terms and conditions of this Indenture, including Section 5.9, a Noteholder or Noteholders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Noteholder, the Co-Issuers, or any other Person, except for any liability to which such Noteholder may be subject to the extent the same results from such Noteholder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate of an Authorized Officer of the Issuer or the Co-Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Authorized Officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Authorized Officer of the Issuer or the Co-Issuer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate of, or representations by, the Issuer, the Co-Issuer, or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer or such other Person, unless such Authorized Officer of the Issuer or the Co-Issuer or such counsel knows that the certificate or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate of, or representations by, an Authorized Officer of the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Issuer or the Co-Issuer, unless such counsel knows that the certificate or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of the Issuer or the Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to the Issuer's or the Co-Issuer's rights to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2 Acts of Noteholders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders of Notes or Preference Shares may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders or Holders of Preference Shares in person or by an agent duly appointed in writing, and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are

delivered to the Trustee (which instrument or instruments may be delivered through the Shares Paying Agent, in the case of the Holders of the Preference Shares), and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Noteholders or Holders of Preference Shares signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount and registered numbers of Notes held by any Person, and the date of his holding the same, shall be proved by the Note Register and the number of Preference Shares and registered numbers of Preference Shares shall be proved by consultation with the Shares Paying Agent with respect to the information contained on the Share Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes or Preference Shares shall bind the Holder (and any transferee thereof) of such Note or Preference Share and of every Note or Preference Share issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, or the Co-Issuers in reliance thereon, whether or not notation of such action is made upon such Note or Preference Share.

Section 14.3 Notices. Except as otherwise expressly provided herein, any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other documents provided or permitted by this Indenture to be made upon, given or furnished to, or filed with any of the parties indicated below shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to and mailed, by certified mail, return receipt requested, hand delivered, sent by overnight courier service guaranteeing next day delivery or by telecopy in legible form at the following addresses:

Notwithstanding any provision to the contrary contained herein or in any agreement or instrument related hereto, any report, statement or other information required to be provided by the Trustee may be provided by providing access to the Trustee's website containing such information.

Section 14.4 Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of Notes or the Shares Paying Agent (for delivery to the Holders of the Preference Shares) of any event,

(a) such notice shall be sufficiently given to Holders of Notes or the Shares Paying Agent if in writing and mailed, first-class postage prepaid, to each Holder of a Note and the Shares Paying Agent affected by such event, at the address of such Holder as it appears in the Note Register or at the address of the Shares Paying Agent supplied by the Shares Paying Agent to the Trustee, not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(b) such notice shall be in the English language.

Such notices will be deemed to have been given on the date of such mailing.

The Trustee will deliver to the Holders of the Notes any information or notice requested to be so delivered by at least 25% of the Holders of any Class of Notes and will deliver to the Shares Paying Agent any information or notice which the Shares Paying Agent certifies was requested to be so delivered by at least 25% of the Holders of the Preference Shares.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder of a Note or the Shares Paying Agent shall affect the sufficiency of such notice with respect to other Holders of Notes or Preference Shares. In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification to Holders of Notes or the Shares Paying Agent

as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders or the Shares Paying Agent for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders or the Shares Paying Agent shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

If and for so long as any Class of Notes is listed on the Irish Stock Exchange and the rules of such exchange so require, notices to the Holders thereof shall also be given to the Company Announcements Office.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6 Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7 Severability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14.8 Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person (other than the Shares Paying Agent and the Holders of the Preference Shares, who shall be express third party beneficiaries of this Indenture), other than the parties hereto and their successors hereunder, the Credit Swap Counterparty and the Noteholders any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9 Governing Law. THIS INDENTURE AND EACH NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

Section 14.10 Submission to Jurisdiction. THE CO-ISSUERS AND THE TRUSTEE HEREBY IRREVOCABLY SUBMIT TO THE NON-EXCLUSIVE JURISDICTION OF ANY FEDERAL OR NEW YORK STATE COURT SITTING IN THE BOROUGH OF MANHATTAN IN THE CITY OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THE NOTES OR THIS INDENTURE, AND THE CO-ISSUERS AND THE TRUSTEE HEREBY IRREVOCABLY AGREE THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH FEDERAL OR NEW YORK STATE COURT. THE CO-ISSUERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVE, TO THE FULLEST EXTENT THAT THEY MAY LEGALLY DO SO, THE DEFENSE OF AN INCONVENIENT FORUM

THE CO-ISSUERS AND THE TRUSTEE AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

Section 14.11 Counterparts. This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

Section 14.12 Waiver of Jury Trial. THE TRUSTEE, THE NOTEHOLDERS AND EACH ISSUER HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHTS THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH, THIS INDENTURE, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN) OR ACTIONS OF THE PARTIES HERETO. EACH OF THE CO-ISSUERS, THE TRUSTEE, AND THE NOTEHOLDERS ACKNOWLEDGES AND AGREES THAT IT HAS RECEIVED FULL AND SUFFICIENT CONSIDERATION FOR THIS PROVISION AND THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR SUCH PARTIES ENTERING INTO THIS INDENTURE.

Section 14.13 Limited Recourse. Notwithstanding anything in this Indenture to the contrary, all amounts owed by the Issuer on, under or in respect of its obligations and liabilities under this Indenture shall be recoverable only from and to the extent of the Collateral in accordance with Section 11.1 hereof and upon final realization of the Proceeds in accordance with Section 11.1 hereof, the Issuer shall have no further liability and all claims in respect of any amounts owed but still unpaid shall be extinguished. This Section 14.13 shall survive the termination of this Indenture for any reason.

Section 14.14 Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, inter alia, the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any action to enforce, or bring any action or proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other of the Co-Issuers. In particular, neither of the Co-Issuers shall be entitled to or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or shall have any claim in respect of any assets of the other of the Co-Issuers.

Section 14.15 Deferral and Waiver of Portfolio Management Fees. (a) If there are insufficient funds to pay the Senior Management Fee in full on any Payment Date, the amount due and unpaid shall be deferred without interest and shall be payable on such later Payment Date on which funds are available therefor, in accordance with the Priority of Payments. If there

are insufficient funds to pay the Subordinated Management Fee in full on any Payment Date, the lesser of (x) the amount of the Subordinated Management Fee for which there are insufficient funds to pay on such Payment Date and (y) an amount equal to 0.05% per annum of the Aggregate Outstanding Reference Entity Calculation Amount shall be deferred without interest and shall be payable on such later Payment Date on which funds are available therefor, in accordance with the Priority of Payments.

(b) The Portfolio Manager may elect in its sole discretion to defer payment of all or a portion of the Portfolio Management Fees on any Payment Date by providing written notice thereof to the Trustee of such election at least five Business Days prior to such Payment Date. The Portfolio Manager may elect to receive payment of all or any portion of the Deferred Portfolio Management Fee in accordance with the Priority of Payments on any Payment Date by providing notice to the Trustee of such election and the amount of such fees to be paid at least five Business Days preceding such Payment Date, provided that the payment of Deferred Portfolio Management Fee will not cause an Event of Default to occur (in which case the payment of the Deferred Portfolio Management Fee would be deferred to the next Payment Date on which (i) the Portfolio Manager elects to receive payment and (ii) such payment would not cause an Event of Default to occur). For the avoidance of doubt, any or all of the Subordinated Management Fee may be deferred under this clause (b) and such deferral is not subject to the limitation contained in clause (a) above.

(c) Without limitation of clause (b) above, the Portfolio Manager may in its sole discretion also elect to waive payment of all or a portion of the Portfolio Management Fees (including any Deferred Portfolio Management Fees) that are due and payable in accordance with the Priority of Payments on any Payment Date by providing written notice to the Trustee of such election at least five Business Days prior to such Payment Date. If the Portfolio Manager waives all or a portion of the Portfolio Management Fees (including any Deferred Portfolio Management Fees) that are due and payable in accordance with the Priority of Payments on any Payment Date, the Interest Proceeds that would otherwise have been applied to pay such amounts shall be applied as Principal Proceeds in accordance with the Priority of Payments on such Payment Date.

Exhibit B

(Credit Default Swap Agreement)

(Multicurrency-Cross Border)

International Swap Dealers Association, Inc.

MASTER AGREEMENT

dated as of January 18, 2007

**LEHMAN BROTHERS
SPECIAL FINANCING INC.**

and

AIRLIE CDO I, LTD.

have entered and/or anticipate entering into one or more transactions (each a Transaction) that are or will be governed by this Master Agreement, which includes the schedule (the Schedule), and the documents and other confirming evidence (each a Confirmation) exchanged between the parties confirming those Transactions.

Accordingly, the parties agree as follows:

1. Interpretation

- (a) **Definitions.** The terms defined in Section 14 and in the Schedule will have the meanings therein specified for the purpose of this Master Agreement.
- (b) **Inconsistency.** In the event of any inconsistency between the provisions of the Schedule and the other provisions of this Master Agreement, the Schedule will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Master Agreement (including the Schedule), such Confirmation will prevail for the purposes of the relevant Transaction.
- (c) **Single Agreement.** All Transactions are entered into in reliance on the fact that this Master Agreement and all Confirmations form a single agreement between the parties (collectively referred to as this Agreement), and the parties would not otherwise enter into any Transactions.

2. Obligations

(a) General Conditions.

(i) Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.

(ii) Payments under this Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to this Agreement, in freely transferable funds and in the manner customary for payments in the required currency. Where settlement is by delivery (that is, other than by payment), such delivery will be made for receipt on the due date in the manner customary for the relevant obligation unless otherwise specified in the relevant Confirmation or elsewhere in this Agreement.

(iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or Potential Event of Default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other applicable condition precedent specified in this Agreement.

(b) **Change of Account.** Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the scheduled date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) **Netting.** If on any date amounts would otherwise be payable:—

- (i) in the same currency; and
- (ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by whom the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount will be determined in respect of all amounts payable on the same date in the same currency in respect of such Transactions, regardless of whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or a Confirmation by specifying that subparagraph (ii) above will not apply to the Transactions identified as being subject to the election, together with the starting date (in which case subparagraph (ii) above will not, or will cease to, apply to such Transactions from such date). This election may be made separately for different groups of Transactions and will apply separately to each pairing of Offices through which the parties make and receive payments or deliveries.

(d) **Deduction or Withholding for Tax.**

(i) **Gross-Up.** All payments under this Agreement will be made without any deduction or withholding for or on account of any Tax unless such deduction or withholding is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect. If a party is so required to deduct or withhold, then that party ("X") will:—

- (1) promptly notify the other party ("Y") of such requirement;
- (2) pay to the relevant authorities the full amount required to be deducted or withheld (including the full amount required to be deducted or withheld from any additional amount paid by X to Y under this Section 2(d)) promptly upon the earlier of determining that such deduction or withholding is required or receiving notice that such amount has been assessed against Y;
- (3) promptly forward to Y an official receipt (or a certified copy), or other documentation reasonably acceptable to Y, evidencing such payment to such authorities; and
- (4) if such Tax is an Indemnifiable Tax, pay to Y, in addition to the payment to which Y is otherwise entitled under this Agreement, such additional amount as is necessary to ensure that the net amount actually received by Y (free and clear of Indemnifiable Taxes, whether assessed against X or Y) will equal the full amount Y would have received had no such deduction or withholding been required. However, X will not be required to pay any additional amount to Y to the extent that it would not be required to be paid but for:—

(A) the failure by Y to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d); or

(B) the failure of a representation made by Y pursuant to Section 3(f) to be accurate and true unless such failure would not have occurred but for (I) any action taken by a taxing authority, or brought in a court of competent jurisdiction, on or after the date on which a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (II) a Change in Tax Law.

(ii) **Liability.** If: —

- (1) X is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding in respect of which X would not be required to pay an additional amount to Y under Section 2(d)(i)(4);
- (2) X does not so deduct or withhold; and
- (3) a liability resulting from such Tax is assessed directly against X,

then, except to the extent Y has satisfied or then satisfies the liability resulting from such Tax, Y will promptly pay to X the amount of such liability (including any related liability for interest, but including any related liability for penalties only if Y has failed to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d)).

(e) **Default Interest; Other Amounts.** Prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party that defaults in the performance of any payment obligation will, to the extent permitted by law and subject to Section 6(c), be required to pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as such overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment, at the Default Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed. If, prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party defaults in the performance of any obligation required to be settled by delivery, it will compensate the other party on demand if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

3. **Representations**

Each party represents to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into and, in the case of the representations in Section 3(f), at all times until the termination of this Agreement) that:—

(a) **Basic Representations.**

- (i) **Status.** It is duly organised and validly existing under the laws of the jurisdiction of its organisation or incorporation and, if relevant under such laws, in good standing;
- (ii) **Powers.** It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support Document to which it is a party and has taken all necessary action to authorise such execution, delivery and performance;
- (iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;
- (iv) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and
- (v) **Obligations Binding.** Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(b) ***Absence of Certain Events.*** No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.

(c) ***Absence of Litigation.*** There is not pending or, to its knowledge, threatened against it or any of its Affiliates any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.

(d) ***Accuracy of Specified Information.*** All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.

4. **Agreements**

(a) ***Furnish Specified Information.*** It will deliver to the other party or, in certain cases under subparagraph (iii) below, to such government or taxing authority as the other party reasonably directs:—

(i) any forms, documents or certificates relating to taxation specified in the Schedule or any Confirmation;

(ii) any other documents specified in the Schedule or any Confirmation; and

(iii) upon reasonable demand by such other party, any form or document that may be required or reasonably requested in writing in order to allow such other party or its Credit Support Provider to make a payment under this Agreement or any applicable Credit Support Document without any deduction or withholding for or on account of any Tax or with such deduction or withholding at a reduced rate (so long as the completion, execution or submission of such form or document would not materially prejudice the legal or commercial position of the party in receipt of such demand), with any such form or document to be accurate and completed in a manner reasonably satisfactory to such other party and to be executed and to be delivered with any reasonably required certification,

in each case by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) ***Maintain Authorisations.*** It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) ***Comply with Laws.*** It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

(d) ***Tax Agreement.*** It will give notice of any failure of a representation made by it under Section 3(f) to be accurate and true promptly upon learning of such failure.

(e) ***Payment of Stamp Tax.*** Subject to Section 11, it will pay any Stamp Tax levied or imposed upon it or in respect of its execution or performance of this Agreement by a jurisdiction in which it is incorporated,

organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting for the purpose of this Agreement is located (“Stamp Tax Jurisdiction”) and will indemnify the other party against any Stamp Tax levied or imposed upon the other party or in respect of the other party’s execution or performance of this Agreement by any such Stamp Tax Jurisdiction which is not also a Stamp Tax Jurisdiction with respect to the other party.

5. Events of Default and Termination Events

(a) **Events of Default.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes an event of default (an “Event of Default”) with respect to such party:—

(i) **Failure to Pay or Deliver.** Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 2(e) required to be made by it if such failure is not remedied on or before the third Local Business Day after notice of such failure is given to the party;

(ii) **Breach of Agreement.** Failure by the party to comply with or perform any agreement or obligation (other than an obligation to make any payment under this Agreement or delivery under Section 2(a)(i) or 2(e) or to give notice of a Termination Event or any agreement or obligation under Section 4(a)(i), 4(a)(iii) or 4(d)) to be complied with or performed by the party in accordance with this Agreement if such failure is not remedied on or before the thirtieth day after notice of such failure is given to the party;

(iii) **Credit Support Default.**

(1) Failure by the party or any Credit Support Provider of such party to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document if such failure is continuing after any applicable grace period has elapsed;

(2) the expiration or termination of such Credit Support Document or the failing or ceasing of such Credit Support Document to be in full force and effect for the purpose of this Agreement (in either case other than in accordance with its terms) prior to the satisfaction of all obligations of such party under each Transaction to which such Credit Support Document relates without the written consent of the other party; or

(3) the party or such Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Credit Support Document;

(iv) **Misrepresentation.** A representation (other than a representation under Section 3(e) or (f)) made or repeated or deemed to have been made or repeated by the party or any Credit Support Provider of such party in this Agreement or any Credit Support Document proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated;

(v) **Default under Specified Transaction.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party (1) defaults under a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, there occurs a liquidation of, an acceleration of obligations under, or an early termination of, that Specified Transaction, (2) defaults, after giving effect to any applicable notice requirement or grace period, in making any payment or delivery due on the last payment, delivery or exchange date of, or any payment on early termination of, a Specified Transaction (or such default continues for at least three Local Business Days if there is no applicable notice requirement or grace period) or (3) disaffirms, disclaims, repudiates or rejects, in whole or in part, a Specified Transaction (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(vi) **Cross Default.** If “Cross Default” is specified in the Schedule as applying to the party, the occurrence or existence of (1) a default, event of default or other similar condition or event (however

described) in respect of such party, any Credit Support Provider of such party or any applicable Specified Entity of such party under one or more agreements or instruments relating to Specified Indebtedness of any of them (individually or collectively) in an aggregate amount of not less than the applicable Threshold Amount (as specified in the Schedule) which has resulted in such Specified Indebtedness becoming, or becoming capable at such time of being declared, due and payable under such agreements or instruments, before it would otherwise have been due and payable or (2) a default by such party, such Credit Support Provider or such Specified Entity (individually or collectively) in making one or more payments on the due date thereof in an aggregate amount of not less than the applicable Threshold Amount under such agreements or instruments (after giving effect to any applicable notice requirement or grace period);

(vii) **Bankruptcy.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party: —

(1) is dissolved (other than pursuant to a consolidation, amalgamation or merger); (2) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due; (3) makes a general assignment, arrangement or composition with or for the benefit of its creditors; (4) institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation, and, in the case of any such proceeding or petition instituted or presented against it, such proceeding or petition (A) results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation or (B) is not dismissed, discharged, stayed or restrained in each case within 30 days of the institution or presentation thereof; (5) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (6) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets; (7) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within 30 days thereafter; (8) causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of the events specified in clauses (1) to (7) (inclusive); or (9) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts; or

(viii) **Merger Without Assumption.** The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and, at the time of such consolidation, amalgamation, merger or transfer: —

(1) the resulting, surviving or transferee entity fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party by operation of law or pursuant to an agreement reasonably satisfactory to the other party to this Agreement; or

(2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving or transferee entity of its obligations under this Agreement.

(b) **Termination Events.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below constitutes an Illegality if the event is specified in (i) below, a Tax Event if the event is specified in (ii) below or a Tax Event Upon Merger if the event is specified in (iii) below, and, if specified to be applicable, a Credit Event

Upon Merger if the event is specified pursuant to (iv) below or an Additional Termination Event if the event is specified pursuant to (v) below:—

(i) **Illegality.** Due to the adoption of, or any change in, any applicable law after the date on which a Transaction is entered into, or due to the promulgation of, or any change in, the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law after such date, it becomes unlawful (other than as a result of a breach by the party of Section 4(b)) for such party (which will be the Affected Party): —

(1) to perform any absolute or contingent obligation to make a payment or delivery or to receive a payment or delivery in respect of such Transaction or to comply with any other material provision of this Agreement relating to such Transaction; or

(2) to perform, or for any Credit Support Provider of such party to perform, any contingent or other obligation which the party (or such Credit Support Provider) has under any Credit Support Document relating to such Transaction;

(ii) **Tax Event.** Due to (x) any action taken by a taxing authority, or brought in a court of competent jurisdiction, on or after the date on which a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (y) a Change in Tax Law, the party (which will be the Affected Party) will, or there is a substantial likelihood that it will, on the next succeeding Scheduled Payment Date (1) be required to pay to the other party an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) or (2) receive a payment from which an amount is required to be deducted or withheld for or on account of a Tax (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) and no additional amount is required to be paid in respect of such Tax under Section 2(d)(i)(4) (other than by reason of Section 2(d)(i)(4)(A) or (B));

(iii) **Tax Event Upon Merger.** The party (the “Burdened Party”) on the next succeeding Scheduled Payment Date will either (1) be required to pay an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) or (2) receive a payment from which an amount has been deducted or withheld for or on account of any Indemnifiable Tax in respect of which the other party is not required to pay an additional amount (other than by reason of Section 2(d)(i)(4)(A) or (B)), in either case as a result of a party consolidating or amalgamating with, or merging with or into, or transferring all or substantially all its assets to, another entity (which will be the Affected Party) where such action does not constitute an event described in Section 5(a)(viii);

(iv) **Credit Event Upon Merger.** If “Credit Event Upon Merger” is specified in the Schedule as applying to the party, such party (“X”), any Credit Support Provider of X or any applicable Specified Entity of X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and such action does not constitute an event described in Section 5(a)(viii) but the creditworthiness of the resulting, surviving or transferee entity is materially weaker than that of X, such Credit Support Provider or such Specified Entity, as the case may be, immediately prior to such action (and, in such event, X or its successor or transferee, as appropriate, will be the Affected Party); or

(v) **Additional Termination Event.** If any “Additional Termination Event” is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties shall be as specified for such Additional Termination Event in the Schedule or such Confirmation).

(c) **Event of Default and Illegality.** If an event or circumstance which would otherwise constitute or give rise to an Event of Default also constitutes an Illegality, it will be treated as an Illegality and will not constitute an Event of Default.

6. Early Termination

(a) **Right to Terminate Following Event of Default.** If at any time an Event of Default with respect to a party (the “Defaulting Party”) has occurred and is then continuing, the other party (the “Non-defaulting Party”) may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, “Automatic Early Termination” is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(1), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

(b) **Right to Terminate Following Termination Event.**

(i) **Notice.** If a Termination Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction and will also give such other information about that Termination Event as the other party may reasonably require.

(ii) **Transfer to Avoid Termination Event.** If either an Illegality under Section 5(b)(i)(1) or a Tax Event occurs and there is only one Affected Party, or if a Tax Event Upon Merger occurs and the Burdened Party is the Affected Party, the Affected Party will, as a condition to its right to designate an Early Termination Date under Section 6(b)(iv), use all reasonable efforts (which will not require such party to incur a loss, excluding immaterial, incidental expenses) to transfer within 20 days after it gives notice under Section 6(b)(i) all its rights and obligations under this Agreement in respect of the Affected Transactions to another of its Offices or Affiliates so that such Termination Event ceases to exist.

If the Affected Party is not able to make such a transfer it will give notice to the other party to that effect within such 20 day period, whereupon the other party may effect such a transfer within 30 days after the notice is given under Section 6(b)(i).

Any such transfer by a party under this Section 6(b)(ii) will be subject to and conditional upon the prior written consent of the other party, which consent will not be withheld if such other party’s policies in effect at such time would permit it to enter into transactions with the transferee on the terms proposed.

(iii) **Two Affected Parties.** If an Illegality under Section 5(b)(i)(1) or a Tax Event occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice thereof is given under Section 6(b)(i) on action to avoid that Termination Event.

(iv) **Right to Terminate.** If: —

(1) a transfer under Section 6(b)(ii) or an agreement under Section 6(b)(iii), as the case may be, has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(2) an Illegality under Section 5(b)(i)(2), a Credit Event Upon Merger or an Additional Termination Event occurs, or a Tax Event Upon Merger occurs and the Burdened Party is not the Affected Party,

either party in the case of an Illegality, the Burdened Party in the case of a Tax Event Upon Merger, any Affected Party in the case of a Tax Event or an Additional Termination Event if there is more than one Affected Party, or the party which is not the Affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, by not more than 20 days notice to the other party and provided that the relevant Termination Event is then

continuing, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

(c) ***Effect of Designation.***

(i) If notice designating an Early Termination Date is given under Section 6(a) or (b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 2(e) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date shall be determined pursuant to Section 6(e).

(d) ***Calculations.***

(i) ***Statement.*** On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to the other party a statement (1) showing, in reasonable detail, such calculations (including all relevant quotations and specifying any amount payable under Section 6(e)) and (2) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation obtained in determining a Market Quotation, the records of the party obtaining such quotation will be conclusive evidence of the existence and accuracy of such quotation.

(ii) ***Payment Date.*** An amount calculated as being due in respect of any Early Termination Date under Section 6(e) will be payable on the day that notice of the amount payable is effective (in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default) and on the day which is two Local Business Days after the day on which notice of the amount payable is effective (in the case of an Early Termination Date which is designated as a result of a Termination Event). Such amount will be paid together with (to the extent permitted under applicable law) interest thereon (before as well as after judgment) in the Termination Currency, from (and including) the relevant Early Termination Date to (but excluding) the date such amount is paid, at the Applicable Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed.

(e) ***Payments on Early Termination.*** If an Early Termination Date occurs, the following provisions shall apply based on the parties' election in the Schedule of a payment measure, either "Market Quotation" or "Loss", and a payment method, either the "First Method" or the "Second Method". If the parties fail to designate a payment measure or payment method in the Schedule, it will be deemed that "Market Quotation" or the "Second Method", as the case may be, shall apply. The amount, if any, payable in respect of an Early Termination Date and determined pursuant to this Section will be subject to any Set-off.

(i) ***Events of Default.*** If the Early Termination Date results from an Event of Default: —

(1) ***First Method and Market Quotation.*** If the First Method and Market Quotation apply, the Defaulting Party will pay to the Non-defaulting Party the excess, if a positive number, of (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party over (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party.

(2) ***First Method and Loss.*** If the First Method and Loss apply, the Defaulting Party will pay to the Non-defaulting Party, if a positive number, the Non-defaulting Party's Loss in respect of this Agreement.

(3) ***Second Method and Market Quotation.*** If the Second Method and Market Quotation apply, an amount will be payable equal to (A) the sum of the Settlement Amount (determined by the

Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party less (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(4) *Second Method and Loss*. If the Second Method and Loss apply, an amount will be payable equal to the Non-defaulting Party's Loss in respect of this Agreement. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(ii) **Termination Events**. If the Early Termination Date results from a Termination Event: —

(1) *One Affected Party*. If there is one Affected Party, the amount payable will be determined in accordance with Section 6(e)(i)(3), if Market Quotation applies, or Section 6(e)(i)(4), if Loss applies, except that, in either case, references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and the party which is not the Affected Party, respectively, and, if Loss applies and fewer than all the Transactions are being terminated, Loss shall be calculated in respect of all Terminated Transactions.

(2) *Two Affected Parties*. If there are two Affected Parties: —

(A) if Market Quotation applies, each party will determine a Settlement Amount in respect of the Terminated Transactions, and an amount will be payable equal to (I) the sum of (a) one-half of the difference between the Settlement Amount of the party with the higher Settlement Amount ("X") and the Settlement Amount of the party with the lower Settlement Amount ("Y") and (b) the Termination Currency Equivalent of the Unpaid Amounts owing to X less (II) the Termination Currency Equivalent of the Unpaid Amounts owing to Y; and

(B) if Loss applies, each party will determine its Loss in respect of this Agreement (or, if fewer than all the Transactions are being terminated, in respect of all Terminated Transactions) and an amount will be payable equal to one-half of the difference between the Loss of the party with the higher Loss ("X") and the Loss of the party with the lower Loss ("Y").

If the amount payable is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of that amount to Y.

(iii) **Adjustment for Bankruptcy**. In circumstances where an Early Termination Date occurs because "Automatic Early Termination" applies in respect of a party, the amount determined under this Section 6(e) will be subject to such adjustments as are appropriate and permitted by law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) **Pre-Estimate**. The parties agree that if Market Quotation applies an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks and except as otherwise provided in this Agreement neither party will be entitled to recover any additional damages as a consequence of such losses.

7. Transfer

Subject to Section 6(b)(ii), neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that: —

- (a) a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all its assets to, another entity (but without prejudice to any other right or remedy under this Agreement); and
- (b) a party may make such a transfer of all or any part of its interest in any amount payable to it from a Defaulting Party under Section 6(e).

Any purported transfer that is not in compliance with this Section will be void.

8. Contractual Currency

(a) **Payment in the Contractual Currency.** Each payment under this Agreement will be made in the relevant currency specified in this Agreement for that payment (the “Contractual Currency”). To the extent permitted by applicable law, any obligation to make payments under this Agreement in the Contractual Currency will not be discharged or satisfied by any tender in any currency other than the Contractual Currency, except to the extent such tender results in the actual receipt by the party to which payment is owed, acting in a reasonable manner and in good faith in converting the currency so tendered into the Contractual Currency, of the full amount in the Contractual Currency of all amounts payable in respect of this Agreement. If for any reason the amount in the Contractual Currency so received falls short of the amount in the Contractual Currency payable in respect of this Agreement, the party required to make the payment will, to the extent permitted by applicable law, immediately pay such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall. If for any reason the amount in the Contractual Currency so received exceeds the amount in the Contractual Currency payable in respect of this Agreement, the party receiving the payment will refund promptly the amount of such excess.

(b) **Judgments.** To the extent permitted by applicable law, if any judgment or order expressed in a currency other than the Contractual Currency is rendered (i) for the payment of any amount owing in respect of this Agreement, (ii) for the payment of any amount relating to any early termination in respect of this Agreement or (iii) in respect of a judgment or order of another court for the payment of any amount described in (i) or (ii) above, the party seeking recovery, after recovery in full of the aggregate amount to which such party is entitled pursuant to the judgment or order, will be entitled to receive immediately from the other party the amount of any shortfall of the Contractual Currency received by such party as a consequence of sums paid in such other currency and will refund promptly to the other party any excess of the Contractual Currency received by such party as a consequence of sums paid in such other currency if such shortfall or such excess arises or results from any variation between the rate of exchange at which the Contractual Currency is converted into the currency of the judgment or order for the purposes of such judgment or order and the rate of exchange at which such party is able, acting in a reasonable manner and in good faith in converting the currency received into the Contractual Currency, to purchase the Contractual Currency with the amount of the currency of the judgment or order actually received by such party. The term “rate of exchange” includes, without limitation, any premiums and costs of exchange payable in connection with the purchase of or conversion into the Contractual Currency.

(c) **Separate Indemnities.** To the extent permitted by applicable law, these indemnities constitute separate and independent obligations from the other obligations in this Agreement, will be enforceable as separate and independent causes of action, will apply notwithstanding any indulgence granted by the party to which any payment is owed and will not be affected by judgment being obtained or claim or proof being made for any other sums payable in respect of this Agreement.

(d) **Evidence of Loss.** For the purpose of this Section 8, it will be sufficient for a party to demonstrate that it would have suffered a loss had an actual exchange or purchase been made.

9. Miscellaneous

- (a) **Entire Agreement.** This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter and supersedes all oral communication and prior writings with respect thereto.
- (b) **Amendments.** No amendment, modification or waiver in respect of this Agreement will be effective unless in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or electronic messages on an electronic messaging system.
- (c) **Survival of Obligations.** Without prejudice to Sections 2(a)(iii) and 6(c)(ii), the obligations of the parties under this Agreement will survive the termination of any Transaction.
- (d) **Remedies Cumulative.** Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.
- (e) **Counterparts and Confirmations.**
- (i) This Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original.
 - (ii) The parties intend that they are legally bound by the terms of each Transaction from the moment they agree to those terms (whether orally or otherwise). A Confirmation shall be entered into as soon as practicable and may be executed and delivered in counterparts (including by facsimile transmission) or be created by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system, which in each case will be sufficient for all purposes to evidence a binding supplement to this Agreement. The parties will specify therein or through another effective means that any such counterpart, telex or electronic message constitutes a Confirmation.
- (f) **No Waiver of Rights.** A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege.
- (g) **Headings.** The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

10. Offices; Multibranch Parties

- (a) If Section 10(a) is specified in the Schedule as applying, each party that enters into a Transaction through an Office other than its head or home office represents to the other party that, notwithstanding the place of booking office or jurisdiction of incorporation or organisation of such party, the obligations of such party are the same as if it had entered into the Transaction through its head or home office. This representation will be deemed to be repeated by such party on each date on which a Transaction is entered into.
- (b) Neither party may change the Office through which it makes and receives payments or deliveries for the purpose of a Transaction without the prior written consent of the other party.
- (c) If a party is specified as a Multibranch Party in the Schedule, such Multibranch Party may make and receive payments or deliveries under any Transaction through any Office listed in the Schedule, and the Office through which it makes and receives payments or deliveries with respect to a Transaction will be specified in the relevant Confirmation.

A Defaulting Party will, on demand, indemnify and hold harmless the other party for and against all reasonable out-of-pocket expenses, including legal fees and Stamp Tax, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or any Credit Support Document

to which the Defaulting Party is a party or by reason of the early termination of any Transaction, including, but not limited to, costs of collection.

12. Notices

(a) **Effectiveness.** Any notice or other communication in respect of this Agreement may be given in any manner set forth below (except that a notice or other communication under Section 5 or 6 may not be given by facsimile transmission or electronic messaging system) to the address or number or in accordance with the electronic messaging system details provided (see the Schedule) and will be deemed effective as indicated:—

- (i) if in writing and delivered in person or by courier, on the date it is delivered;
- (ii) if sent by telex, on the date the recipient's answerback is received;
- (iii) if sent by facsimile transmission, on the date that transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);

- (v) if sent by electronic messaging system, on the date that electronic message is received,

unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Local Business Day.

(b) **Change of Addresses.** Either party may by notice to the other change the address, telex or facsimile number or electronic messaging system details at which notices or other communications are to be given to it.

13. Governing Law and Jurisdiction

(a) **Governing Law.** This Agreement will be governed by and construed in accordance with the law specified in the Schedule.

(b) **Jurisdiction.** With respect to any suit, action or proceedings relating to this Agreement ("Proceedings"), each party irrevocably:—

- (i) submits to the jurisdiction of the English courts, if this Agreement is expressed to be governed by English law, or to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City, if this Agreement is expressed to be governed by the laws of the State of New York; and
- (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party.

Nothing in this Agreement precludes either party from bringing Proceedings in any other jurisdiction (outside, if this Agreement is expressed to be governed by English law, the Contracting States, as defined in Section 1(3) of the Civil Jurisdiction and Judgments Act 1982 or any modification, extension or re-enactment thereof for the time being in force) nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

(c) **Service of Process.** Each party irrevocably appoints the Process Agent (if any) specified opposite its name in the Schedule to receive, for it and on its behalf, service of process in any Proceedings. If for any

reason any party's Process Agent is unable to act as such, such party will promptly notify the other party and within 30 days appoint a substitute process agent acceptable to the other party. The parties irrevocably consent to service of process given in the manner provided for notices in Section 12. Nothing in this Agreement will affect the right of either party to serve process in any other manner permitted by law.

(d) **Waiver of Immunities.** Each party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.

“Indemnifiable Tax” means any Tax other than a Tax that would not be imposed in respect of a payment under this Agreement but for a present or former connection between the jurisdiction of the government or taxation authority imposing such Tax and the recipient of such payment or a person related to such recipient (including, without limitation, a connection arising from such recipient or related person being or having been a citizen or resident of such jurisdiction, or being or having been organised, present or engaged in a trade or business in such jurisdiction, or having or having had a permanent establishment or fixed place of business in such jurisdiction, but excluding a connection arising solely from such recipient or related person having executed, delivered, performed its obligations or received a payment under, or enforced, this Agreement or a Credit Support Document).

“law” includes any treaty, law, rule or regulation (as modified, in the case of tax matters, by the practice of any relevant governmental revenue authority) and **“lawful”** and **“unlawful”** will be construed accordingly.

“Local Business Day” means, subject to the Schedule, a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) (a) in relation to any obligation under Section 2(a)(i), in the place(s) specified in the relevant Confirmation or, if not so specified, as otherwise agreed by the parties in writing or determined pursuant to provisions contained, or incorporated by reference, in this Agreement, (b) in relation to any other payment, in the place where the relevant account is located and, if different, in the principal financial centre, if any, of the currency of such payment, (c) in relation to any notice or other communication, including notice contemplated under Section 5(a)(i), in the city specified in the address for notice provided by the recipient and, in the case of a notice contemplated by Section 2(b), in the place where the relevant new account is to be located and (d) in relation to Section 5(a)(v)(2), in the relevant locations for performance with respect to such Specified Transaction.

“Loss” means, with respect to this Agreement or one or more Terminated Transactions, as the case may be, and a party, the Termination Currency Equivalent of an amount that party reasonably determines in good faith to be its total losses and costs (or gain, in which case expressed as a negative number) in connection with this Agreement or that Terminated Transaction or group of Terminated Transactions, as the case may be, including any loss of bargain, cost of funding or, at the election of such party but without duplication, loss or cost incurred as a result of its terminating, liquidating, obtaining or reestablishing any hedge or related trading position (or any gain resulting from any of them). Loss includes losses and costs (or gains) in respect of any payment or delivery required to have been made (assuming satisfaction of each applicable condition precedent) on or before the relevant Early Termination Date and not made, except, so as to avoid duplication, if Section 6(e)(i)(1) or (3) or 6(e)(ii)(2)(A) applies. Loss does not include a party’s legal fees and out-of-pocket expenses referred to under Section 11. A party will determine its Loss as of the relevant Early Termination Date, or, if that is not reasonably practicable, as of the earliest date thereafter as is reasonably practicable. A party may (but need not) determine its Loss by reference to quotations of relevant rates or prices from one or more leading dealers in the relevant markets.

“Market Quotation” means, with respect to one or more Terminated Transactions and a party making the determination, an amount determined on the basis of quotations from Reference Market-makers. Each quotation will be for an amount, if any, that would be paid to such party (expressed as a negative number) or by such party (expressed as a positive number) in consideration of an agreement between such party (taking into account any existing Credit Support Document with respect to the obligations of such party) and the quoting Reference Market-maker to enter into a transaction (the “Replacement Transaction”) that would have the effect of preserving for such party the economic equivalent of any payment or delivery (whether the underlying obligation was absolute or contingent and assuming the satisfaction of each applicable condition precedent) by the parties under Section 2(a)(i) in respect of such Terminated Transaction or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have

been required after that date. For this purpose, Unpaid Amounts in respect of the Terminated Transaction or group of Terminated Transactions are to be excluded but, without limitation, any payment or delivery that would, but for the relevant Early Termination Date, have been required (assuming satisfaction of each applicable condition precedent) after that Early Termination Date is to be included. The Replacement Transaction would be subject to such documentation as such party and the Reference Market-maker may, in good faith, agree. The party making the determination (or its agent) will request each Reference Market-maker to provide its quotation to the extent reasonably practicable as of the same day and time (without regard to different time zones) on or as soon as reasonably practicable after the relevant Early Termination Date. The day and time as of which those quotations are to be obtained will be selected in good faith by the party obliged to make a determination under Section 6(e), and, if each party is so obliged, after consultation with the other. If more than three quotations are provided, the Market Quotation will be the arithmetic mean of the quotations, without regard to the quotations having the highest and lowest values. If exactly three such quotations are provided, the Market Quotation will be the quotation remaining after disregarding the highest and lowest quotations. For this purpose, if more than one quotation has the same highest value or lowest value, then one of such quotations shall be disregarded. If fewer than three quotations are provided, it will be deemed that the Market Quotation in respect of such Terminated Transaction or group of Terminated Transactions cannot be determined.

“Non-default Rate” means a rate per annum equal to the cost (without proof or evidence of any actual cost) to the Non-defaulting Party (as certified by it) if it were to fund the relevant amount.

“Relevant Jurisdiction” means, with respect to a party, the jurisdictions (a) in which the party is incorporated, organised, managed and controlled or considered to have its seat, (b) where an Office through which the party is acting for purposes of this Agreement is located, (c) in which the party executes this Agreement and (d) in relation to any payment, from or through which such payment is made.

“Scheduled Payment Date” means a date on which a payment or delivery is to be made under Section 2(a)(i) with respect to a Transaction.

“Set-off” means set-off, offset, combination of accounts, right of retention or withholding or similar right or requirement to which the payer of an amount under Section 6 is entitled or subject (whether arising under this Agreement, another contract, applicable law or otherwise) that is exercised by, or imposed on, such payer.

“Settlement Amount” means, with respect to a party and any Early Termination Date, the sum of: —

(a) the Termination Currency Equivalent of the Market Quotations (whether positive or negative) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation is determined; and

(b) such party’s Loss (whether positive or negative and without reference to any Unpaid Amounts) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation cannot be determined or would not (in the reasonable belief of the party making the determination) produce a commercially reasonable result.

“Specified Entity” has the meanings specified in the Schedule.

“Specified Transaction” means, subject to the Schedule, (a) any transaction (including an agreement with respect thereto) now existing or hereafter entered into between one party to this Agreement (or any Credit Support Provider of such party or any applicable Specified Entity of such party) and the other party to this Agreement (or any Credit Support Provider of such other party or any applicable Specified Entity of such other party) which is a rate swap transaction, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction (including any option with respect to any of these transactions), (b) any combination of these transactions and (c) any other transaction identified as a Specified Transaction in this Agreement or the relevant confirmation.

“Stamp Tax” means any stamp, registration, documentation or similar tax.

“Tax” means any present or future tax, levy, impost, duty, charge, assessment or fee of any nature (including interest, penalties and additions thereto) that is imposed by any government or other taxing authority in respect of any payment under this Agreement other than a stamp, registration, documentation or similar tax.

“Tax Event” has the meaning specified in Section 5(b).

“Tax Event Upon Merger” has the meaning specified in Section 5(b).

“Terminated Transactions” means with respect to any Early Termination Date (a) if resulting from a Termination Event, all Affected Transactions and (b) if resulting from an Event of Default, all Transactions (in either case) in effect immediately before the effectiveness of the notice designating that Early Termination Date (or, if “Automatic Early Termination” applies, immediately before that Early Termination Date).

“Termination Currency” has the meaning specified in the Schedule.

“Termination Currency Equivalent” means, in respect of any amount denominated in the Termination Currency, such Termination Currency amount and, in respect of any amount denominated in a currency other than the Termination Currency (the “Other Currency”), the amount in the Termination Currency determined by the party making the relevant determination as being required to purchase such amount of such Other Currency as at the relevant Early Termination Date, or, if the relevant Market Quotation or Loss (as the case may be), is determined as of a later date, that later date, with the Termination Currency at the rate equal to the spot exchange rate of the foreign exchange agent (selected as provided below) for the purchase of such Other Currency with the Termination Currency at or about 11:00 a.m. (in the city in which such foreign exchange agent is located) on such date as would be customary for the determination of such a rate for the purchase of such Other Currency for value on the relevant Early Termination Date or that later date. The foreign exchange agent will, if only one party is obliged to make a determination under Section 6(e), be selected in good faith by that party and otherwise will be agreed by the parties.

“Termination Event” means an Illegality, a Tax Event or a Tax Event Upon Merger or, if specified to be applicable, a Credit Event Upon Merger or an Additional Termination Event.

“Termination Rate” means a rate per annum equal to the arithmetic mean of the cost (without proof or evidence of any actual cost) to each party (as certified by such party) if it were to fund or of funding such amounts.

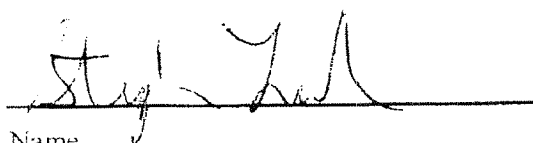

“Unpaid Amounts” owing to any party means, with respect to an Early Termination Date, the aggregate of (a) in respect of all Terminated Transactions, the amounts that became payable (or that would have become payable but for Section 2(a)(iii)) to such party under Section 2(a)(i) on or prior to such Early Termination Date and which remain unpaid as at such Early Termination Date and (b) in respect of each Terminated Transaction, for each obligation under Section 2(a)(i) which was (or would have been but for Section 2(a)(iii)) required to be settled by delivery to such party on or prior to such Early Termination Date and which has not been so settled as at such Early Termination Date, an amount equal to the fair market

value of that which was (or would have been) required to be delivered as of the originally scheduled date for delivery, in each case together with (to the extent permitted under applicable law) interest, in the currency of such amounts, from (and including) the date such amounts or obligations were or would have been required to have been paid or performed to (but excluding) such Early Termination Date, at the Applicable Rate. The fair market value of any obligation referred to in clause (b) above shall be reasonably determined by the party obliged to make the determination under Section 6(e) or, if each party is so obliged, it shall be the average of the Termination Currency Equivalents of the fair market values reasonably determined by both parties.

(a) **Confirmation.** Each Confirmation supplements, forms part of, and will be read and construed as one with the Agreement. A form of Confirmation is set forth as Exhibit A hereto.

(b) **Representations.** Section 3 is hereby amended by adding the following additional subsections:

(i) **No Agency.** It is entering into this Agreement, each Transaction, and any other documentation relating to this Agreement or any Transaction as principal (and not as agent or in any other capacity, fiduciary or otherwise).

(ii) **Eligible Contract Participant.** It is an "eligible contract participant" as that term is defined in the Commodity Exchange Act, as amended.

(iii) **No Reliance.** It is acting for its own account, and it has made its own independent decisions to enter into that Transaction and as to whether that Transaction is appropriate or proper for it based upon its own judgment and upon advice from such advisers as it has deemed necessary. It is not relying on any communication (written or oral) of the other party as investment advice or as a recommendation to enter into that Transaction; it being understood that information and explanations related to the terms and conditions of a Transaction shall not be considered investment advice or a recommendation to enter into that Transaction. No communications (written or oral) received from the other party shall be deemed to be an assurance or guarantee as to the expected results of that Transaction.

(iv) **Assessment and Understanding.** It is capable of assessing the merits of and understanding (on its own behalf or through independent professional advice), and understands and accepts, the terms, conditions and risks of that Transaction. It is also capable of assuming, and assumes, the risks of that Transaction.

- (v) **Status of Parties.** The other party is not acting as a fiduciary for or an adviser to it in respect of that Transaction.
- (c) **No Bankruptcy Petition.** Party A irrevocably and unconditionally agrees that it will not, for a period of one year and one day following the payment in full of all the Notes issued pursuant to the Indenture, invoke or cause Party B to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or involuntary) against Party B under any bankruptcy, reorganization arrangement, insolvency, moratorium, liquidation or similar law or proceeding or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of Party B or any substantial part of its property or ordering the winding-up or liquidation of the affairs of Party B; provided that this provision shall not restrict or prohibit Party A from joining any other person, including, without limitation, the Trustee, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings already commenced or other analogous proceedings already commenced under applicable laws.
- (d) **Transfer.** Section 7 is hereby amended by: (i) adding the words “(which consent may not be unreasonably withheld)” after the words “consent” on the second line thereof, (ii) adding the words “(and notice of the transferee to)” after the word “of” on the third line thereof, and (iii) adding the words “(subject to providing written notice of the transferee to the other party)” after the word “transfer” on the fourth and seventh line thereof. No transfer or assignment by Party A or Party B of its rights and obligations hereunder may be made if such transfer or assignment would have a materially adverse effect on the rights or interests of the Noteholders, unless a Rating Agency Confirmation is received with respect to such transfer. Notwithstanding anything to the contrary in Section 7 of this Agreement, Party A may assign its rights and obligations under this Agreement, in whole and not in part, to any Affiliate of Holdings effective upon delivery to Party B of the guarantee by Holdings, in favor of Party B, of the obligations of such Affiliate such guarantee to be substantially the same as the guarantee of the obligations of the transferor then in effect (in which case the parties will provide notice to the Rating Agencies).
- (e) **Amendments to Section 9 of this Agreement.** Section 9(b) of this Agreement is hereby amended by adding the following after the word “system” in the last line thereof:
- “; provided, however, notwithstanding anything to the contrary in Section 9(b) of this Agreement, that no amendment, modification or waiver in respect of this Agreement will be effective if such amendment, modification or waiver would have a materially adverse effect on the rights or interests of the Noteholders, unless the Rating Agencies shall receive prior written notice of all such amendments, modifications or waivers; provided, further, that each such amendment, modification or waiver shall require, prior to its effectiveness, a Rating Agency Confirmation with respect to such amendments, modifications or waivers.
- (f) **Definitions.** Reference is made to the 2000 ISDA Definitions (the “ISDA Definitions”) published by the International Swaps and Derivatives Association, Inc., which are hereby incorporated by reference. For these purposes, all references in the ISDA Definitions to a “Business Day” shall be deemed references to a Local Business Day under this Agreement. In the event of any inconsistency between the provisions of this Agreement and the ISDA Definitions the provisions of this Agreement shall prevail. Any definitions included or incorporated by reference in a Confirmation shall prevail over the provisions of this Agreement, and the ISDA Definitions, for the purpose of the relevant Transaction.
- (g) **Waiver of Trial By Jury.** Insofar as is permitted by law, each party irrevocably waives any and all rights to trial by jury in any legal proceeding in connection with this Agreement or any Transaction, and acknowledges that this waiver is a material inducement to the other party’s entering into this Agreement and each Transaction hereunder.

- (h) **Indenture.** Without providing ten (10) days' prior written notice to Party A and obtaining the prior written consent of Party A, Party B will not enter into any indenture supplemental to the Indenture or any other instrument that would amend, modify or change the Indenture, if such supplemental indenture, amendment, modification or change would, in Party A's reasonable judgment, have a materially adverse effect on the interests of Party A hereunder or under the Indenture. Party B will furnish to Party A a copy of each proposed and each executed supplemental indenture to the Indenture and copies of any related Rating Agency Confirmation in accordance with the terms of the Indenture.
- (i) **Limited Recourse.** Notwithstanding anything in this Agreement or any Confirmation hereunder to the contrary, all amounts, payable or expressed to be payable by Party B on, under or in respect of its obligations and liabilities under this Agreement and any Confirmation hereunder shall be recoverable only from and to the extent of sums in respect of, or calculated by reference to, the Collateral that are received by Party B pursuant to the terms and conditions thereof and the proceeds of any realization of enforcement of any Collateral, subject in any case to the Priority of Payments set out in the Indenture. Upon final realization of such sums and proceeds, neither Party A nor any person acting on its behalf shall be entitled to take any further steps against Party B to recover any sums due but still unpaid and all claims in respect of such sums due but still unpaid shall be extinguished. No recourse shall be had for the payment of any amounts owing in respect of this Agreement against any officer, director, employee, stockholder, preference shareholder or incorporator of Party B.
- (j) **No Gross Up.** Notwithstanding anything to the contrary in the Agreement, including Section 2(d) of the Master Agreement, no Tax shall be an Indemnifiable Tax with respect to payments made by Party A and therefore Party A shall have no obligation to pay an additional amount otherwise required under Section 2(d)(i)(4) of the Master Agreement.
- (k) **Excise Tax Resulting From Change in Law.** All references in Section 2(d) to deduction or withholding for or on account of any Tax shall include the payment of any excise tax, including any excise tax imposed on Party A as a result of a Change in Tax Law, in respect of payments under this Agreement. For avoidance of doubt, in the event that any excise tax is imposed on Party A as a result of a Change in Tax Law, any payment to which Party B is otherwise entitled under this Agreement shall be reduced by the amount of the excise tax and the excise tax shall not be an Indemnifiable Tax.

"Change in Tax Law" means the enactment, promulgation, execution or ratification of, or any change in or amendment to, any law, treaty, rule or regulation (or in the application or interpretation of any law, treaty, rule or regulation whether by official or informal means) that occurs on or after the date on which this Transaction is entered into."
- (l) **Notices.** For the purposes of subsections (iii) and (v) of Section 12(a), the date of receipt shall be presumed to be the date sent if sent on a Local Business Day or, if not sent on a Local Business Day, the date of receipt shall be presumed to be the first Local Business Day following the date sent.
- (m) **Service of Process.** The penultimate sentence of Section 13(c) shall be amended by adding the following language at the end thereof: "if permitted in the jurisdiction where the proceedings are initiated and in the jurisdiction where service is to be made."
- (n) **Accuracy of Specified Information.** Section 3(d) is hereby amended by adding in the third line thereof after the word "respect" and before the period the words "or, in the case of audited or unaudited financial statements or balance sheets, a fair presentation of the financial condition of the relevant person".

- (o) **Non-Confidential.** Notwithstanding anything to the contrary contained in this Agreement, all persons may disclose to any and all persons, without limitations of any kind, the U.S. federal, state or local tax treatment of any Transaction, any fact that may be relevant to understanding the U.S. federal, state or local tax treatment of any Transaction, and all materials of any kind (including opinions or other tax analyses) relating to such U.S. federal, state or local tax treatment and that may be relevant to understanding such U.S. federal, state or local tax treatment, other than the name of the parties or any other person named herein, or information that would permit identification of the parties or such other persons, and any pricing terms or other nonpublic business or financial information that is unrelated to the U.S. federal, state or local tax treatment of the Transaction to the taxpayer and is not relevant to understanding the U.S. federal, state or local tax treatment of the Transaction to the taxpayer.
- (p) **Additional Representations of Party B.** Party B represents to Party A in accordance with Section 3 of the Agreement (which representations will be deemed to be repeated by Party B at all times until termination of this Agreement) that:
 - (i) **Approved Credit Swap Counterparty.** Party A is a Credit Swap Counterparty under the Indenture.
 - (ii) **Secured Party.** Party A is a Secured Party under the Indenture.
 - (iii) **Constitutional Documents.** Party B is in compliance, in all material respects, with its constitutional documents (including, but not limited to, the Indenture, as amended from time-to-time, and any and all resolutions, investment policies, guidelines, procedures or restrictions), and each Transaction contemplated hereunder is and will be an authorized and permitted transaction thereunder.
 - (iv) **Third-Party Beneficiary.** Party A shall be an express third-party beneficiary of the Indenture.
 - (v) **Compliance with Laws.** Party B is in compliance, in all respects, with all applicable laws, rules, regulations, interpretations, guidelines, procedures, and policies of applicable regulatory authorities affecting Party B, this Agreement, the Transactions, or the performance of Party B's obligations hereunder.
 - (vi) **Arms'-Length Transaction.** Party B acknowledges and agrees that Party A has had and will have no involvement in and, accordingly Party A accepts no responsibility for: (i) the selection of any person performing services for or acting on behalf of Party B; (ii) the selection of Party A as the Credit Default Swap Counterparty; (iii) the terms of the Notes; (iv) the preparation of or passing on the disclosure and other information contained in any offering circular or similar document for the Notes, the Indenture, or any other agreements or documents used by Party B or any other party in connection with the marketing and sale of the Notes; (v) the ongoing operations and administration of Party B, including the furnishing of any information to Party B which is not specifically required under this Agreement; or (vi) any other aspect of Party B's existence.
- (q) **No Violation or Conflict Representation.** Section 3(a)(iii) is hereby amended by inserting in the second line thereof after the words "constitutional documents" and before the words " , any order or judgment" the phrase "(including, but not limited to, the Indenture, as amended, and any and all resolutions, investment policies, guidelines, procedures or restrictions)"; provided that such amendment shall be applicable only with respect to the Representations of Party B.
- (r) **Severability.** If any term, provision, covenant or condition of this Agreement, or the application thereof to any party or circumstance, shall be held to be invalid or unenforceable (in whole or in

part) for any reason, the remaining terms, provisions, covenants and conditions hereof shall continue in full force and effect as if this Agreement had been executed with the invalid or unenforceable portion eliminated, so long as this Agreement as so modified continues to express, without material change, the original intentions of the parties as to the subject matter of this Agreement and the deletion of such portion of this Agreement will not substantially impair the respective benefits or expectations of the parties to this Agreement; provided, however, that this severability provision shall not be applicable if any provision of Section 2, 5, 6 or 13 (or any definition or provision in Section 14 to the extent it relates to, or is used in or connection with any such Section) shall be held to be invalid or unenforceable.

- (s) **General Conditions.** Section 2(a)(iii) is hereby amended by (X) inserting in the third line thereof after the words “and is continuing, (2)” and before the words “the condition precedent” the following phrase “the condition precedent that no Additional Termination Event has occurred and is continuing with respect to which the other party is an Affected Party and with respect to which all outstanding Transactions are Affected Transactions, (3)” and (Y) delete the symbol “(3)” before the words “each other applicable condition” and substitute the symbol “(4)” in lieu thereof.
- (t) **Collateral Requirement.** On the date of this Agreement, the aggregate of amounts available through the Specific Investment Instrument, the Specific Investment Proceeds Account, the Class A CDS Reserve Account and the undrawn Class A Commitments is sufficient to cover the aggregate notional amount of all synthetic securities for which Party A is the Credit Default Swap Counterparty. For purposes of this Part 5(t), the amounts available through the Specific Investment Instrument, the Specific Investment Proceeds Account and the Class A CDS Reserve Account shall be deemed to be the par value of each account.

RE: Credit Derivative Transaction

The purpose of this letter (this "Confirmation") is to confirm the terms and conditions of the Credit Derivative Transaction entered into between Lehman Brothers Special Financing Inc. ("Party A") and Airlie CDO I, Ltd. ("Party B") on the Trade Date specified below (the "Transaction"). This Confirmation constitutes a "Confirmation" as referred to in the ISDA Master Agreement specified below.

1. The definitions and provisions contained in the 2003 ISDA Credit Derivatives Definitions, as supplemented by the May 2003 Supplement to the 2003 ISDA Credit Derivatives Definitions and the Additional Provisions for Physically Settled Default Swaps -- Monoline Insurer as Reference Entity (published on January 21, 2005) (collectively, the "**Credit Derivatives Definitions**"), each as published by the International Swaps and Derivatives Association, Inc., are incorporated into this Confirmation. In the event of any inconsistency between the Credit Derivatives Definitions and this Confirmation, this Confirmation will govern. Capitalized terms used herein but not otherwise defined herein or in the Credit Derivatives Definitions shall have the meanings ascribed to such terms in the Indenture.
2. This Confirmation supplements, forms a part of, and is subject to, the 1992 ISDA Master Agreement (Multicurrency – Cross Border) dated as of January 18, 2007, as amended and supplemented from time to time (the "**Agreement**"), between Party A and Party B. All provisions contained in the Agreement govern this Confirmation except as expressly modified below.
3. Party A will enter into the Transaction and exercise its rights and perform its obligations hereunder solely on its own behalf and not as agent, fiduciary or in any other capacity on behalf of Party B, the holders of the Notes or any other person.
4. Party A may or may not have a credit exposure to any Reference Entity and may or may not have exposure to any Reference Obligation(s) or the Benchmark Obligation designated by Party A in respect of any Reference Entity.
5. The parties agree and acknowledge that the Transaction to which this Confirmation relates contemplates more than one Reference Entity and multiple Credit Event Notices, and that, accordingly, there may be more than one Credit Event and more than one Cash Settlement Amount, and that the Credit Derivatives Definitions (and in particular the provisions which modify and relate to the "**Termination Date**") should, for the purposes of this Confirmation, be interpreted accordingly.
6. Exhibit N to the Indenture, as it may be modified from time to time in accordance with the Indenture, is hereby incorporated into this Confirmation.

The terms of the particular Transaction to which this Confirmation relates are as follows:

General Terms:

Termination Date: The earliest to occur of the (i) Optional Redemption Date (if applicable), the (ii) Early Termination Date (if applicable) and (iii) the Scheduled Termination Date; *provided, that*, if the Contingency Amount with respect to any Class of Notes is greater than zero on the Scheduled Termination Date, the Termination Date shall be the Deferred Maturity Date.

Section 1.7 of the Credit Derivatives Definitions shall not apply in respect of this Transaction.

Notice Delivery Period: Notwithstanding anything to the contrary contained in the Credit Derivatives Definitions, the Notice Delivery Period means the period from and including the Effective Date to and including the date that is fourteen (14) calendar days after the later of (i) the earlier of (x) the Scheduled Termination Date and (y) the Reference Maturity for the Reference Entity to which the Credit Event Notice relates or (ii) the Grace Period Extension Date if the Reference Entity is one for which Grace Period Extension is specified as applicable in the Non-Loan Credit Default Swap matrix or the Loan Credit Default Swap matrix each as attached hereto as Annex A (the “**Non-Loan Credit Event Matrix**” or the “**Loan Credit Event Matrix**” and together, the “**Credit Event Matrix**”). For the avoidance of doubt, if a Credit Event Notice is delivered specifying the occurrence of a Credit Event that has occurred after the Scheduled Termination Date, such Credit Event Notice must only specify a Credit Event due to a Failure to Pay and with respect to which a Potential Failure to Pay has occurred on or prior to the Scheduled Termination Date.

Solely in the case of a Reference Entity with a Reference Maturity earlier than the Scheduled Termination Date, for purposes of Section 1.11 of the Credit Derivatives Definitions, all references to the Scheduled Termination Date shall be deemed references to the Reference Maturity of such Reference Entity and the last sentence of Section 1.11 shall only be applicable with respect to that Reference Entity.

Optional Redemption Date: The Payment Date on which the Notes are scheduled to be redeemed in accordance with Section 9.1 of the Indenture.

Party A and Party B hereby agree that if this Transaction is terminated as a result of an on an Optional Redemption, such Optional Redemption Date shall be treated as an Early Termination Date and termination payments shall be owed by either Party A or Party B in accordance with Section 6(e) of the Agreement.

Floating Rate Payer: Party B (“**Seller**”)

Fixed Rate Payer: Party A (“**Buyer**”)

Business Day Convention: Following (which, subject to Sections 1.4 and 1.6 of the Credit Derivatives Definitions, shall apply to any date referred to in this Confirmation that falls on a day that is not a Business Day).
Reference Entity: Each entity specified in the reference registry attached hereto as Annex B (the “**Reference Registry**”); *provided, however*, that any Successor to a Reference Entity shall be identified pursuant to Section 2.2 of the Credit Derivatives Definitions, as modified herein.

Party A shall be responsible for maintaining the Reference Registry. The Reference Registry shall contain, as to each Reference Entity, the following information:

- (i) the name of such Reference Entity;
- (ii) the Reference Entity Calculation Amount;
- (iii) the Reference Spread applicable to such Reference Entity;
- (iv) whether Restructuring applies with respect to such Reference Entity;
- (v) the jurisdiction applicable to such Reference Entity;
- (vi) the Benchmark Obligation (if any) applicable to the Reference Entity;
- (vii) the coupon/spread of the Benchmark Obligation (if any) with respect to the Reference Entity; and
- (viii) the maturity date of the Benchmark Obligation (if any) with respect to the Reference Entity;
- (ix) the Moody’s CDOROM™ Recovery Rate Mean applicable to such Reference Entity;
- (xii) the Reference Maturity of each Reference Entity
- (xiii) whether it is a Loan Credit Default Swap Reference Entity;
- (xiv) if it is a Loan Credit Default Swap Reference Entity, the Designated Priority and if Secured List is not applicable the words “Secured List not applicable” or similar indication will appear in the column entitled Loan Credit Default Swap Reference Entity; and
- (xv) the Fixed Recovery Rate, if applicable (if not applicable, the words “not applicable” or similar indication will appear in the column entitled Fixed Recovery Rate).

The information contained in the Reference Registry has been obtained by Party A from the following third party sources: Bloomberg, the website maintained by the Securities and Exchange Commission and the websites maintained by S&P or Moody’s. While the information obtained from such sources is believed to be accurate, neither Party A nor any of its affiliates makes any representation or warranty, expressed or implied, regarding the adequacy, correctness or completeness of the information obtained from such sources. If any of the information received from such sources is incorrect, (i) the corresponding information in the Reference Registry will likewise be incorrect, and (ii)

the Reference Registry shall be amended (or deemed amended) to reflect the correct information. Under no such circumstance shall Party A be required to remove (i) the relevant Reference Entity from the Reference Portfolio, or (ii) the relevant Benchmark Obligation from the Reference Registry. Neither Party A nor any of its affiliates shall be liable to Party B, any holder of Notes or any other Person for any losses, costs, expenses or potential lost profits resulting from or related to any such incorrect information obtained from such sources.

Reference Spread:

With respect to each Reference Entity, the percentage, expressed to two (2) decimal places, specified opposite such Reference Entity in the Reference Registry.

Reference Entity

Calculation Amount:

With respect to each Reference Entity, the amount, expressed in U.S. dollars, specified as such in the Reference Registry on the relevant date of determination.

The Reference Entity Calculation Amount for any Reference Entity as to which an Event Determination Date has occurred shall be zero on the day immediately following such date and thereafter; except as provided herein with respect to a Restructuring Credit Event (if applicable) in respect of which the Exercise Amount is less than the then Reference Entity Calculation Amount for such Reference Entity (after taking into account any previous Exercise Amounts in relation to such Reference Entity) in which case the Reference Entity Calculation Amount shall be reduced by the Exercise Amount.

The Reference Entity Calculation Amount for any Reference Entity that is the subject of a Change to the Reference Portfolio shall be zero in the case of a Removal of a Reference Entity and in the case of a removal by the Credit Swap Counterparty, the decreased amount in the case of a Reduction of a Reference Entity, the increased amount in the case of an Increase of a Reference Entity or the amount specified in the Credit Swap Counterparty Response Notice in the case of an Addition of a Reference Entity, in each case, on the date specified as the Effective Date of such Change to the Reference Portfolio by the Credit Swap Counterparty in the applicable Credit Swap Counterparty Response Notice and thereafter; provided, however, that if a Credit Event occurs in the interim between the delivery of the Issuer Acceptance Notice and the Effective Date of a removal or reduction, there will be no such removal or reduction and the Reference Entity Calculation Amount shall remain unchanged. For the avoidance of doubt, removal by the Credit Swap Counterparty will impact the Availability Amount in the same manner as a Removal of a Reference Entity by the Portfolio Manager.

For the avoidance of doubt, on and after the Reference Maturity for a Reference Entity, the Reference Entity Calculation Amount for such Reference Entity shall be zero.

Reference Portfolio:

All of the Reference Entities included in the Reference Registry on the relevant date of determination.

Reference Obligation(s):

In respect of each Reference Entity for which a Credit Event Notice has been delivered, Party A must deliver a separate notice to Party B (with a copy to the Trustee) (each, a “**Reference Obligation Identification Notice**”). Each Reference Obligation Identification Notice must identify either (i) the obligation, if any, specified for such Reference Entity in the Reference Registry (the “**Benchmark Obligation**”) or (ii) an obligation or obligations of such Reference Entity, which satisfies the Reference

Obligation Category and the Reference Obligation Characteristics at the time of designation (each, a “**Reference Obligation**”) and the Reference Obligation Notional Amount. In respect of each Reference Entity, the Portfolio Manager and the Credit Swap Counterparty will use their best efforts to designate the market standard reference obligation or a “Mark-it Partners Reference Obligation” as the Benchmark Obligation. For purposes of this Confirmation, Benchmark Obligations may include obligations issued by an affiliate of a Reference Entity included in the Reference Portfolio.

Party A must deliver each Reference Obligation Identification Notice no later than the New York Business Day immediately preceding the relevant Valuation Date.

Each Reference Obligation Identification Notice must contain a description of each applicable Reference Obligation and its Reference Obligation Notional Amount that is sufficient for purposes of determining the Final Price of such Reference Obligation pursuant to the provisions contained herein.

A Reference Obligation that satisfies the Reference Obligation Category and the Reference Obligation Characteristics at the time of designation will continue to be an eligible Reference Obligation even if it does not fall into the Reference Obligation Category or lacks any or all Reference Obligation Characteristics at any time thereafter.

The provisions of Section 2.2(d) and Section 2.30 of the Credit Derivatives Definitions shall not apply to a Reference Obligation (other than a Benchmark Obligation designated by Party A).

References to Reference Obligation in Section 2.2(d) and Section 2.30 of the Credit Derivatives Definitions shall mean Benchmark Obligation under the relevant provisions.

Subject to the proceeding two sentences, Sections 2.30(a) and (b) of the Credit Derivatives Definitions are restated as follows with respect to Loan Credit Default Swap Reference Entities:

“(a) (i) If the then-current Reference Obligation was designated as such due to its appearance on a Relevant Secured List and the Relevant Secured List is withdrawn by the Secured List Publisher, then, upon the request of Buyer or Seller or upon the effective delivery of a Credit Event Notice, the Calculation Agent shall promptly notify the parties by the delivery of a notice (which shall be subject to the requirements regarding notices set forth in Section 1.10 of the Credit Derivatives Definitions) (a “**Search Notice**”) that it has commenced a search for a Loan to replace the then-current Reference Obligation and shall (after consultation with the parties) identify such a Loan.

(ii) If the then-current Reference Obligation was not designated as such due to its appearance on a Relevant Secured List, then upon the request of Buyer or Seller or upon the effective delivery of a Credit Event Notice, if (A) such Reference Obligation is repaid in whole, or, in the case of a Reference Obligation that is a revolving loan, the relevant commitment is terminated in whole and any funded commitment is repaid in whole, (B) in the opinion of the Calculation Agent (I) the aggregate unfunded and funded commitments due under such Reference Obligation have been materially reduced by redemption or otherwise (other than due to any scheduled redemption, amortization or prepayments), (II) such Reference Obligation is an Underlying

Obligation with a Qualifying Guarantee of a Reference Entity and, other than due to the existence or occurrence of a Credit Event, the Qualifying Guarantee is no longer a valid and binding obligation of such Reference Entity enforceable in accordance with its terms or (III) for any other reason, other than due to the existence or occurrence of a Credit Event, such Reference Obligation is no longer an obligation of a Reference Entity, or (C) in the opinion of the Calculation Agent, such Reference Obligation fails on such day to satisfy the Syndicated Secured characteristic, then the Calculation Agent shall promptly notify the parties by the delivery of a Search Notice that it has commenced a search for a Loan to replace the then-current Reference Obligation and shall (after consultation with the parties) identify such a Loan.

(b) Any Substitute Reference Obligation shall be a Loan that (i) in the opinion of the Calculation Agent, satisfies the Syndicated Secured characteristic as of the day on which it is identified as a Substitute Reference Obligation and (ii) is a Loan of the Reference Entity (either directly or as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the Confirmation, as provider of a Qualifying Guarantee). Promptly upon identifying a Loan as a Substitute Reference Obligation (the **"Proposed Substitute Reference Obligation"**), the Calculation Agent shall notify the parties by the delivery of a notice (which shall be subject to the requirements regarding notices set forth in Section 1.10 of the Credit Derivatives Definitions) (an "Identification Notice") and such identification shall be binding upon the parties as to the Syndicated Secured characteristic absent manifest or obvious error."

If Secured List is not applicable and a Benchmark Obligation is specified in the Reference Registry for such Loan Credit Default Swap Reference Entity, then Sections 2.30(a)(ii) and (b) of the Credit Derivatives Definitions as modified above shall apply to such Benchmark Obligation, *provided* that if there is Relevant Secured List published on such day that the Calculation Agent has commenced a search to identify a Loan to replace the then-current Benchmark Obligation pursuant to Section 2.30(a)(ii) of the Credit Derivatives Definitions as modified above, the Calculation Agent shall identify a Loan of the Designated Priority specified on such Relevant Secured List.

If two (2) or more Full Quotations for the related Reference Obligation are not available from Independent Dealers on the 15th New York Business Day following the Valuation Date, then the Calculation Agent

must select an Independent Dealer to determine the Independently Estimated Price within five (5) New York Business Days after such day. The Independently Estimated Price must be determined by such Independent Dealer within ten (10) New York Business Days after such day.

Modifications to the Reference
Portfolio by the Portfolio
Manager on behalf of Party
B

On behalf of Party B, the Portfolio Manager, with the consent of Party A and subject to the limitations and procedures set forth in Exhibit N to the Indenture, as it may be modified from time to time in accordance with the Indenture, may: (i) remove any Reference Entity, with respect to which no Credit Event has occurred, from the Reference Portfolio (“Removal of a Reference Entity”), (ii) increase the Reference Entity Calculation Amount for any Reference Entity (“Increase of a Reference Entity”), (iii) reduce the Reference Entity Calculation Amount for any Reference Entity with respect to which no Credit Event has occurred (“Reduction of a Reference Entity”) and (iv) add a Reference Entity to the Reference Portfolio (“Addition of Reference Entity” and, together

with Removal of a Reference Entity, Reduction of a Reference Entity and Increase of a Reference Entity, a “Change to the Reference Portfolio”).

Modifications to the Reference
Portfolio by Party A

Party A may elect to remove any Loan Credit Default Swap Reference Entity for which no Credit Event has occurred, if, for 30 Business Days, there is no Obligation of such Reference Entity that both (i) is a Loan and (ii) satisfies the Syndicated Secured characteristic, in each case as determined by the Calculation Agent (a “Reference Entity Removal Event”). No termination payments shall under Section 6(e) or otherwise be owed in respect to such removal. For the avoidance of doubt, upon the removal of any Reference Entity, such entity will cease to be a Reference Entity and the Reference Entity Calculation Amount for such entity will be zero.

“Syndicated Secured” means any obligation, including any contingent obligation to pay or repay borrowed money resulting from the funding of an unfunded commitment, (i) that arises under a syndicated loan agreement and (ii) that, on the relevant day, trades as a loan of the Designated Priority under the then-current trading practices in the primary or secondary loan market, as the case may be, which will be determined without regard to (A) the value of the collateral pool securing such obligation, (B) whether or not such obligation is Subordinated to any other obligation of the Reference Entity or (C) any lien which is or may be granted on all or any portion of the collateral pool securing such obligation in a proceeding arising under Title 11 of the United States Code or any similar insolvency proceeding, or any adequate protection that is or may be granted for the lien in favor of holders of such obligation in such a proceeding *provided, however*, that an obligation that Party A designates as a Reference Obligation will satisfy clause (ii) of this definition if such loan trades as a loan of a priority higher than the Designated Priority (with “first lien loan” representing the highest priority) under the then-current trading practices in the primary or secondary loan market, as the case may be. In the event that a Reference Entity provides a Qualifying Guarantee in respect of an obligation, only the Underlying Obligation must satisfy clause (i) of the definition of Syndicated Secured and the Qualifying Guarantee together with the Underlying Obligation must satisfy clause (ii) of the Syndicated Secured characteristic, in each case on the relevant date, in order for such Qualifying Guarantee to be an Obligation as to which the Syndicated Secured characteristic is satisfied.

The relevant day for determining whether the Syndicated Secured characteristic is satisfied is (i) in the case of Section 2.30 of the Credit Derivatives Definitions (as modified herein), on the date the then-current Obligation is evaluated or the proposed Substitute Reference Obligation is identified, as applicable, (ii) for the purpose of determining whether a Loan is a Reference Obligation, notwithstanding Section 2.20 of the Credit Derivatives Definitions, on the date that it is designated by Party A as a Reference Obligation or, if Secured List is applicable, on the Event Determination Date, and (iii) in the case of Section 2.2(f) of the Credit Derivatives Definitions (as modified herein), immediately prior to the effective date of the relevant Succession Event (each such date, a “Succession Date”).

Notwithstanding Section 2.2(f) of the Credit Derivatives Definitions, with respect to all Reference Entities that are Loan Credit Default Swap

Reference Entities, "Relevant Obligations" shall mean all Obligations of the Reference Entity constituting Loans that satisfy the Syndicated Secured characteristic (including any contingent obligation to pay or repay borrowed money resulting from the funding of an unfunded commitment in respect thereof) outstanding immediately prior to the date of the potential Succession Event, which shall be determined by the Calculation Agent. The determination by the Calculation Agent that such Obligations satisfy the Syndicated Secured characteristic shall be binding upon all parties absent manifest or obvious error.

Modifications to Definition of
Not Subordinated:

In respect of this Transaction, Section 2.19(b)(i)(A) of the Credit Derivatives Definitions shall be amended by the insertion of (a) the words "of the relevant Reference Entity" immediately after the words "most senior Reference Obligation" in the second line thereof; (b) the words "with respect to such Reference Entity" immediately after the words "Reference Obligation is specified" in the third line thereof; and (c) the word "relevant" immediately before the words "Reference Entity" in the fifth line thereof.

If (A) a Benchmark Obligation is specified in the Reference Registry, (B) a Credit Event occurs with respect to a Reference Entity, and (C) the Reference Obligation(s) identified by Party A in the applicable Reference Obligation Identification Notice is not the Benchmark Obligation of such Reference Entity, Section 2.19(b)(i)(A) of the Credit Derivatives Definitions shall be further amended by deleting the words "the most senior Reference Obligation" in the second line thereof and replacing such words with "the Benchmark Obligation of the relevant Reference Entity".

Modifications to Certain
Defined Terms
and Provisions Related
to Determinations in respect
of Restructuring:

In respect of this Transaction, Section 3.9 of the Credit Derivatives Definitions shall be deleted in its entirety and replaced by the following language: "Upon the occurrence of a Restructuring Credit Event with respect to a Reference Entity during the Term of the Credit Derivative Transaction:

- (a) the Notifying Party may deliver multiple Credit Event Notices with respect to such Reference Entity, each such Credit Event Notice setting forth the amount of the Reference Entity Calculation Amount for such Reference Entity to which such Credit Event Notice applies (the "Exercise Amount");
- (b) if the Notifying Party has delivered a Credit Event Notice that specifies an Exercise Amount that is less than the then Reference Entity Calculation Amount for such Reference Entity (after taking into account any previous Exercise Amounts in relation to such Reference Entity), upon satisfaction of the Conditions to Settlement with respect to the Credit Event specified in such Credit Event Notice, settlement will occur in accordance with the applicable Settlement Method as if the Reference Entity Calculation

Amount were the Exercise Amount with respect to such Reference Entity, and upon satisfaction of such Conditions to Settlement, without prejudice to the foregoing provisions of this paragraph, the Reference Entity Calculation Amount will be an amount equal to the Reference Entity Calculation Amount outstanding prior to such Credit Event Notice minus the Exercise Amount to which the current Credit Event Notice relates;

- (c) the Exercise Amount in connection with any Credit Event Notice describing a Credit Event in relation to a Reference Entity other than a Restructuring must be equal to the then outstanding Reference Entity Calculation Amount for such Reference Entity (and not a portion thereof); and
- (d) the Exercise Amount in connection with a Credit Event Notice describing a Restructuring must be in the amount that is at least 1,000,000 units of the Settlement Currency or an integral multiple thereof or the entire then outstanding Notional Amount with respect to such Reference Entity and must not exceed the then Reference Entity Calculation Amount for such Reference Entity.”

LEHMAN BROTHERS

ANNEX C

Additional Terms

(a) **Additional Agreements.** Each party agrees as set out below for so long as either party has or may have any obligation under this Transaction:

- (i) The Seller acknowledges and agrees that this Transaction constitutes a credit default swap transaction and, accordingly, the Buyer may, following the occurrence of a Credit Event in respect of a Reference Entity and subject to the terms specified herein, demand and receive payment in full of the appropriate Cash Settlement Amount on the date such amount shall be payable without being required to make any prior demand or to take prior proceedings against the relevant Reference Entity or any other person which is a surety for or which has granted the Buyer any form of credit protection or credit insurance or entered into any credit default swap or similar transaction with the Buyer in respect of such Reference Entity. The Buyer shall be under no obligation to account to the Seller or to any of its affiliates for any payment or sums, if any, recovered from a Reference Entity or any third party.
- (ii) Each party, the Calculation Agent and their respective affiliates may, whether by virtue of the types of relationships described herein or otherwise, at the date hereof or at any time hereafter, be in possession of information in relation to any Reference Entity that is or may be material in the context of this Transaction and that may or may not be publicly available or known to the aforementioned persons. Apart from the obligations of the Calculation Agent set out in this Confirmation, this Transaction does not create any obligation on the part of any such person or its affiliates to disclose to the other party any such relationship or information (whether or not confidential).
- (iii) The parties agree that, in entering into this Transaction, neither the Buyer nor the Seller intends to enter into a contract of surety, guarantee, insurance, assurance or indemnity, and the parties' obligations hereunder are not conditional or dependent upon or subject to the Buyer having any title, ownership or interest (whether legal, equitable or economic) in any Reference Entity.
- (iv) The parties shall be obliged to perform this Transaction without regard to whether the Buyer or any affiliate of the Buyer has any credit exposure in respect of a Reference Entity. Neither the Buyer nor any of its affiliates need suffer any loss or provide evidence of any loss as a result of the occurrence of a Credit Event, and the payments to be made by the Seller under this Transaction are not conditional on the Buyer (or any of its affiliates) sustaining or being exposed to a risk of loss.
- (v) The Seller acquires no rights, either direct or indirect or by way of subrogation, against any Reference Entity or in respect of any Reference Obligation thereof as a result of entering into or performing its obligations under this Transaction.

(b) The Calculation Agent.

- (1) The Calculation Agent shall be responsible for:
 - (i) Determining a successor as Calculation Agent (if necessary) after agreement with the Seller;
 - (ii) Determining a Successor to any Reference Entity in accordance with the Definitions;
 - (iii) Obtaining Full Quotations in accordance with the Confirmation;
 - (iv) Selecting Dealers where required in accordance with the Confirmation;

- (v) Determining Credit Swap Posted Amount, Realized Principal Losses, Periodic Realized Principal Losses, Cash Settlement Amounts and Final Prices;
 - (vi) Determining any Adjustment Amount, any Adjustment Reference Entity, any relevant Deferred Maturity Date, the Contingency Amount, the Contingency Cash Settlement Amount, any relevant Redemption Date, any Redemption Price and Total Redemption Amount; and
 - (vii) To the extent not provided for by sub-paragraphs (i) to (vi) above, making the calculations and determinations and giving the notices as set out and contemplated hereunder.
- (2) Whenever the Calculation Agent is required to act or to exercise judgment, it shall do so in good faith and in a commercially reasonable manner. Its calculations and determinations shall be binding in the absence of bad faith or manifest error.
- (3) Each party agrees that the Calculation Agent is not acting as a fiduciary for or as an advisor to either party in respect of its duties as Calculation Agent in connection with this Transaction.
- (4) In connection with any requests for quotations or estimates pursuant to the provisions set forth in this Confirmation under "Settlement Terms", the Calculation Agent: (a) may, but shall not be required to, inform the relevant Dealers of the Publicly Available Information in its possession regarding the occurrence and the nature of the relevant Credit Event; and (b) shall not disclose any information that would give rise to a contravention by the Buyer of its obligations under applicable secrecy laws.
- (c) **Consent Required Loan.** If a Reference Obligation is a Consent Required Loan and a Full Quotation is sought with respect to such Reference Obligation, the Calculation Agent shall make best efforts to provide any Independent Dealer with the information necessary to enable such Independent Dealer to provide a Full Quotation with respect to such Consent Required Loans. Any Full Quotations received from Independent Dealers in respect of such Reference Obligation shall be treated as Full Quotations notwithstanding that the Independent Dealers express such Full Quotations as being subject to the loan documentation.
